Steven Levy,2016-11-08 The true story of Ira Einhorn the Philadelphia antiwar crusader environmental activist and New Age guru with a murderous dark side During the cultural shockwaves of the 1960s and 70s Ira Einhorn nicknamed the Unicorn was the leading radical voice for the antiwar movement at the University of Pennsylvania At his side were such noted activists as Abbie Hoffman and Jerry Rubin A brilliantly articulate advocate for peace in a turbulent era he rallied followers toward the growing antiestablishment causes of free love drugs and radical ecological reform In 1979 when the mummified remains of his girlfriend Holly Maddux a Bryn Mawr flower child from Tyler Texas were found in a trunk in his apartment Einhorn claimed a CIA frame up Incredibly the network of influential friends socialites and powerful politicians he d charmed and manipulated over the years supported him Represented by renowned district attorney and future senator Arlen Specter Einhorn was released on bail But before trial he fled the country to an idyllic town in the French wine region and disappeared It would take more than twenty years and two trials to finally bring Einhorn to justice Based on more than two years of research and 250 interviews as well as the chilling private journals of Einhorn and Maddux prize winning journalist Steven Levy paints an astonishing and complicated portrait of a man motivated by both genius and rage The basis for 1998 NBC television miniseries The Hunt for the Unicorn Killer The Unicorn s Secret is a spellbinding sociological true crime study revealing the dark and tragic dimensions of a man who defined an era only to shatter its ideals Publishers Weekly      *Herge: The Man Who Created Tintin* Pierre Assouline,2009-10-29 One of the most beloved characters in all of comics Tintin won an enormous international following Translated into dozens of languages Tintin s adventures have sold millions of copies and Steven Spielberg is presently adapting the stories for the big screen Yet despite Tintin s enduring popularity Americans know almost nothing about his gifted creator Georges Remi better known as Herg Offering a captivating portrait of a man who revolutionized the art of comics this is the first full biography of Herg available for an English speaking audience Born in Brussels in 1907 Herg began his career as a cub reporter a profession he gave to his teenaged world traveling hero But whereas Tintin was fully formed clear headed and positive Assouline notes his inventor was complex contradictory inscrutable For all his huge success achieved with almost no formal training Herg would say unassumingly of his art I was just happy drawing little guys that s all Granted unprecedented access to thousands of the cartoonist s unpublished letters Assouline gets behind the genial public mask to take full measure of Herg s life and art and the fascinating ways in which the

two intertwine Neither sugarcoating nor sensationalizing his subject he meticulously probes such controversial issues as Herg's support for Belgian imperialism in the Congo and his alleged collaboration with the Nazis He also analyzes the underpinnings of Tintin how the conception of the character as an asexual adventurer reflected Herg's appreciation for the Boy Scouts organization as well as his Catholic mentor's anti Soviet ideology and relates the comic strip to Herg's own place within the Belgian middle class A profound influence on a generation of artists such as Andy Warhol and Roy Lichtenstein the elusive figure of Herg comes to life in this illuminating biography a deeply nuanced account that unveils the man and his career as never before The Adventures of Tintin Hergé,1959 **Secret of the Unicorn** Hergé,2009-07-10 When Tintin gives Captain Haddock a model ship the cartoon characters are led into a strange adventure involving pirates from the reign of Charles II *Ember Spark and the Unicorn's Secret* Abi Elphinstone,2025-04-24 The third title in this magical SERIES filled with adventure wonder and edge of your seat excitement set in a world of daring dragons and magical maladies by the best selling author of Sky Song Abi Elphinstone This new fantasy series for younger readers is bubbling with action and imagination A joy The Daily Mail Elphinstone has the confidence to embrace fantasy's most popular tropes unicorns dragons dark hearted villains and make them thoroughly her own TheTelegraph Ember Spark vet to magical beasts is whisked off on a surprise flight destination unknown Soon she and her friend Arno find themselves deep in the Amazon rainforest And with a new arch villain tracking their every move only a unicorn's secret can save them Praise for Ember Spark A total masterclass in high action high stakes high fun adventure Emma Carroll author of Letters from the Lighthouse Quirky and magical this wonderful adventure proves what everyone should know Abi Elphinstone is a writer to be cherished Phil Earle author of When the Sky Falls Ember Spark herself is a wonderful heroine she's brave curious and always up for an adventure Katie Tsang author of the Dragon Realm series I adored Ember Spark Abi is a master storyteller she's created a thrilling adventure fizzing with heart and magic and wonder Zohra Nabi author of The Kingdom over the Sea Kids are going to go wild for this joyful moving thrill ride of a book guaranteed to leave you smiling Every word is magic Lauren St John author of The White Giraffe series Sure to ignite any reader's imagination and warm their heart Wonderful and wonder filled Andy Shepherd author of The Boy who Grew Dragons Utterly charming wonderfully wild and sprinkled with gutsy characters dastardly villains magical creatures galore Jo Clarke author of The Travelling School Mysteries Ember Spark is bursting with adventure magic that very special Abi Elphinstone sparkle Mel Taylor Bessent author of The Christmas Carrolls **Abstracts of The Collected Works of C.
