**Secret Selves** Oliver S. Buckton, 1998      Secret Selves Oliver S. Buckton, 1998 Focusing on the representation of same sex desire in Victorian autobiographical writing Oliver Buckton offers significant new readings of works by such influential 19th century writers as Edward Carpenter John Henry Newman John Addington Symonds and in an epilogue E M Forster and reveals the confessional elements of their writings      **Same-Sex Desire in Victorian Religious Culture** F.

Victorian Sexual Dissidence Richard Dellamora, 2019-04-08 Recent critical and historical work on the late Victorian period has furnished a vocabulary for discussing gender and sexuality These popular terms include categories such as homo hetero patriarchal feminist and masculine effeminate This collection exploits this framework while refining and resisting it in places to show how certain Victorians imagined difference in ways that continue to challenge us today One essay for example traces the remarkable feminist appropriation of male identified fields of study such as Classical philology Others address the validation of male bodies as objects of desire in writing painting and emergent modernist choreography The writings shed light on the diverse interests served by a range of cultural practitioners and on the complex ways in which the late Victorians invented themselves as modern subjects This volume will be essential reading for students of British literary and cultural history as well as for those interested in feminist gay and lesbian studies Contributors are Oliver Buckton Richard Dellamora Dennis Denisoff Regenia Gagnier Eric Haralson Andrew Hewitt Christopher Lane Tha s Morgan Yopie Prins Kathy Alexis Psomiades Julia Saville Robert Sulcer Jr Martha Vicinus      **Bureau of Missing Persons** Roger J. Porter, 2011-05-06 A

devoted reader of autobiographies and memoirs Roger J Porter has observed in recent years a surprising number of memoirs by adult children whose fathers have led secret lives Some of the fathers had second families some had secret religious lives others have been criminals liars or con men Struck by the intensely human drama of secrecy and deception played out for all to see Porter explores the phenomenon in great depth In Bureau of Missing Persons he examines a large number of these works eighteen in all placing them in a wide literary and cultural context and considering the ethical quandaries writers face when they reveal secrets so long and closely held Among the books Porter treats are Paul Auster s The Invention of Solitude Alison Bechdel s graphic memoir Fun Home Essie Mae Washington Williams s Dear Senator on her father Strom Thurmond Bliss Broyard s One Drop Mary Gordon s The Shadow Man and Geoffrey Wolff s The Duke of Deception He also discusses Nathaniel Kahn s documentary film My Architect These narratives inevitably look inward to the writer as well as outward to

the parent The autobiographical children are compelled if not consumed by a desire to know They become detectives piecing together clues to fill memory voids assembling material and archival evidence public and private documents letters photographs and iconic physical objects to track down the parent

**Encyclopedia of Gay Histories and Cultures** George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

**Sodom on the Thames** Morris B. Kaplan, 2012-02-02 Sodom on the Thames looks closely at three episodes involving sex between men in late nineteenth century England Morris Kaplan draws on extensive research into court records contemporary newspaper accounts personal correspondence and diaries even a pornographic novel He focuses on two notorious scandals and one quieter incident In 1871 transvestites Stella Ernest Boulton and Fanny Frederick Park who had paraded around London s West End followed by enthusiastic admirers were tried for conspiracy to commit sodomy In 1889 1890 the Cleveland Street affair revealed that telegraph delivery boys had been moonlighting as prostitutes for prominent gentlemen one of whom fled abroad In 1871 Eton schoolmaster William Johnson resigned in disgrace generating shockwaves among the young men in his circle whose romantic attachments lasted throughout their lives Kaplan shows how profoundly these scandals influenced the trials of Oscar Wilde in 1895 and contributed to growing anxiety about male friendships Sodom on the Thames reconstructs these incidents in rich detail and gives a voice to the diverse people involved It deepens our understanding of late Victorian attitudes toward urban culture masculinity and male homoeroticism Kaplan also explores the implications of such historical narratives for the contemporary politics of sexuality

Exquisite Materials Abigail Joseph, 2019-11-08 Exquisite Materials explores the connections between gay subjects material objects and the social and aesthetic landscapes in which they circulated Each of the book s four chapters takes up as a case study a figure or set of figures whose life and work dramatize different aspects of the unique queer relationship to materiality and style These diverse episodes converge around the contention that paying attention to the multitudinous objects of the Victorian world and to the social practices surrounding

them reveals the boundaries and influences of queer forms of identity and aesthetic sensibility that emerged in the mid nineteenth century and have remained recognizable up to our own moment In the cases that author Abigail Joseph examines objects become unexpected sites of queer community and desire      *A Companion to Greek and Roman Sexualities* Thomas K. **Jewish/Christian/Queer** Frederick Roden,2016-05-06 At a time when major branches of Judaism and most Christian denominations are addressing the relationship between religion and homosexuality Jewish Christian Queer offers a unique examination of the similarities between the queer intersections of Judaism and Christianity and the queer intersections of the homosexual and the religious This volume investigates three forms of queerness the rhetorical theological and the discursive dissonance at the meeting points between Christianity and Judaism the crossroads of the religious and the homosexual and the intersections of these two forms of queerness namely where the religiously queer of Jewish and Christian speech intersects with the sexually queer of religiously identified homosexual discourse Including essays on literature and literary theory Christian theology Biblical Rabbinic and Jewish studies queer theory architecture Freud gay and lesbian studies and history Jewish Christian Queer will have a truly interdisciplinary appeal      *The Collected Works of Gerard Manley Hopkins* Gerard Manley Hopkins,2006 Gerard Manley Hopkins was not only one of the most gifted Victorian poets he was a compelling diarist who used his journals for everything from daily to do lists to the most intimate spiritual self assessments This volume represents Hopkins as a man of extremes both emotionally and psychologically There are mundane memoranda about neckties to purchase or letters to write but also exacting revisions of poems There are entries of quiet rapture his attention caught by the beauty of the natural world Paintings sculptures and works of literature are stringently assessed his aesthetic principles freely exercised There are also nightmares relived undergraduate sins unsparingly recorded signs of heavenly mercy carefully noted This is the first unexpurgated edition of all extant diaries The entries extend from September 1863 during his second term at Oxford until February 1875 while studying theology as a Jesuit in his beloved Wales and from February 1884 until July 1885 while Hopkins was living at a third remove in Dublin      [Mapping Male Sexuality](#) Jay Losey,William Dean Brewer,2000-12 Essays on attitudes to same sex relationships in nineteenth century England The essays examine writers such as Byron George Eliot Wilde Shaw and others      **Family Secrets** Deborah Cohen,2013-01-09 A Sunday Telegraph and Times Higher Education Book of the Week Deborah Cohen s *Family Secrets* is a gripping book about

what families Victorian and modern try to hide and why In an Edinburgh town house a genteel maiden lady frets with her brother over their niece s downy upper lip Would the darkening shadow betray the girl s Eurasian heritage On a Liverpool railway platform a heartbroken mother hands over her eight year old illegitimate son for adoption She had dressed him carefully that morning in a sailor suit and cap In a town in the Cotswolds a vicar brings to his bank vault a diary sewed up in calico wrapped in parchment that chronicles his sexual longings for other men Drawing upon years of research in previously sealed records the prize winning historian Deborah Cohen offers a sweeping and often surprising account of how shame has changed over the last two centuries Both a story of family secrets and of how they were revealed this book journeys from the frontier of empire where British adventurers made secrets that haunted their descendants for generations to the confessional vanguard of modern day genealogy two centuries later It explores personal apparently idiosyncratic decisions hiding an adopted daughter s origins taking a disabled son to a garden party talking ceaselessly or not at all about a homosexual uncle In delving into the familial dynamics of shame and guilt *Family Secrets* investigates the part that families so often regarded as the agents of repression have played in the transformation of social mores from the Victorian era to the present day Written with compassion and keen insight this is a bold new argument about the sea changes that took place behind closed doors Born into a family with its own fair share of secrets Deborah Cohen was raised in Kentucky and educated at Harvard and Berkeley She teaches at Northwestern University where she holds the Peter B Ritzma Professorship of the Humanities Her last book was the award winning *Household Gods* a history of the British love affair with the home

*Confessing the Flesh* Lesley Higgins, 2025-06-26 A new theoretical reading of the renowned poet and Jesuit priest *Confessing the Flesh* is an expansive interdisciplinary analysis of how aesthetic and religious discourses function in dialogue in the work of Gerard Manley Hopkins the celebrated Victorian era poet and Catholic priest Through Hopkins Lesley Higgins reveals how religion was expressed lived and debated in the nineteenth century Both a comprehensive analysis of innovative Victorian poetry and a cultural history of confession this book builds on previous Hopkins criticism by adopting a new approach informed by feminist and Foucauldian theory With its analysis of the cultural conditions and power relations that sustained religious belief and poetic expression in the Victorian age *Confessing the Flesh* offers new insights on the perennial question of Hopkins s religious commitments And with its examination of everything from theological treatises to Punch cartoons Higgins s exploration of Hopkins s confessional modes uncovers the ways that gender and nation become implicated in confessional controversies and fleshly entanglements

*Oscar Wilde Prefigured* Dominic Janes, 2016-11-10 I do not say you are it but you look it and you pose at it which is just as bad Lord Queensbury challenged Oscar Wilde in the courtroom which erupted in laughter accusing Wilde of posing as a sodomite What was so terrible about posing as a sodomite and why was Queensbury s horror greeted with such amusement In *Oscar Wilde Prefigured* Dominic Janes suggests that what divided the two sides in this case was not so much the question of whether Wilde was or was not a sodomite but whether or not it mattered that

people could appear to be sodomites For many intimations of sodomy were simply a part of the amusing spectacle of sophisticated life Oscar Wilde Prefigured is a study of the prehistory of this queer moment in 1895 Janes explores the complex ways in which men who desired sex with men in Britain had expressed such interests through clothing style and deportment since the mid eighteenth century He supplements the well established narrative of the inscription of sodomitical acts into a homosexual label and identity at the end of the nineteenth century by teasing out the means by which same sex desires could be signaled through visual display in Georgian and Victorian Britain Wilde it turns out is not the starting point for public queer figuration He is the pivot by which Georgian figures and twentieth century camp stereotypes meet Drawing on the mutually reinforcing phenomena of dandyism and caricature of alleged effeminates Janes examines a wide range of images drawn from theater fashion and the popular press to reveal new dimensions of identity politics gender performance and queer culture

Popular Music Autobiography Oliver Lovesey,2021-12-02 The 1960s saw the nexus of the revolution in popular music by a post war generation amid demographic upheavals and seismic shifts in technology Over the past two decades musicians associated with this period have produced a large amount of important autobiographical writing This book situates these works in the forms of formal autobiographies and memoirs auto fiction songs and self fashioned museum exhibitions within the context of the recent expansion of interest in autobiography disability and celebrity studies It argues that these writings express anxiety over musical originality and authenticity and seeks to dispel their writers celebrity status and particularly the association with a lack of seriousness These works often constitute a meditation on the nature of

postmodern fame within a celebrity obsessed culture and paradoxically they aim to regain the private self in a public forum

**Literature and Religion in Mid-Victorian England** C. Oulton, 2002-12-13 This book places Dickens and Wilkie Collins against such important figures as John Henry Newman and George Eliot in seeking to recover their response to the religious controversies of mid nineteenth century England While much recent criticism has tended to overlook or dismiss their religious pronouncements this book foregrounds the religious aspect of their writing and relocates their most important work in the context of contemporary debate The response of both writers is seen to be complex and fraught with tension **The Passions of John Addington Symonds** Shane Butler, 2022 The first critical analysis to embrace a wide and representative selection of John Addington Symonds's work beyond his famous essays It explores Symonds as a complex thinker with an ambitious vision of the queerness of the world itself and follows his engagement with the art and literature of classical antiquity *Picturing the Closet* Dominic Janes, 2015 Picturing the Closet takes a pioneering approach to visual culture and by so doing builds on Eve Kosofsky Sedgwick's Epistemology of the Closet in order to present a compelling new approach to the British experience of queer culture since the eighteenth century
