

A high-angle, low-light photograph of a Mosquito bomber in flight over the ocean at night. The aircraft is seen from a side-on perspective, banking slightly to the right. It is carrying several large bombs under its wings. Below the aircraft, a ship is visible on the water's surface, illuminated by the bright light of several incendiary bombs that have just been dropped. The sky is dark, and the water is a deep blue. The overall mood is dramatic and historical.
