Dintrone.2014-02-11 This work indexes books dissertations and journal articles that mention television shows Memoirs autobiographies biographies and some popular works meant for fans are also indexed. The major focus is on service to researchers in the history of television Listings are keyed to an annotated bibliography Appendices include a list of websites an index of groups or classes of people on television and a list of programs by genre Changes from the second edition include more than 300 new shows airing on a wider variety of networks 2000 plus references more than double the second edition and a large increase in scholarly articles The book provides access to materials on almost 2300 shows including groundbreaking ones like All in the Family almost 200 entries cult favorites like Buffy The Vampire Slayer 200 plus entries and a classic franchise Star Trek more than 400 entries for all the shows The shows covered range from the late 1940s to 2010 The Walking Dead References range from 1956 to 2013 Whiteout Alexander Cockburn, Jeffrey St. Clair, 2014-12-16 On March 16 1998 the CIA's Inspector General Fred Hitz finally let the cat out of the bag in an aside at a Congressional Hearing Hitz told the US Reps that the CIA had maintained relationships with companies and individuals the Agency knew to be involved in the drug business Even more astonishingly Hitz revealed that back in 1982 the CIA had requested and received from Reagan's Justice Department clearance not to report any knowledge it might have of drug dealing by CIA assets With these two admisstions Hitz definitively sank decades of CIA denials many of them under oath to Congress Hitz s admissions also made fools of some of the most prominent names in US journalism and vindicated investigators and critics of the Agency ranging from Al McCoy to Senator John Kerry The involvement of the CIA with drug traffickers is a story that has slouched into the limelight every decade or so since the creation of the Agency Most recently in 1996 the San Jose Mercury News published a sensational series on the topic Dark Alliance and then helped destroy its own reporter Gary Webb In

Whiteout Alexander Cockburn and Jeffrey St Clair finally put the whole story together from the earliest days when the CIA s institutional ancestors the OSS and the Office of Naval Intelligence cut a deal with America's premier gangster and drug trafficker Lucky Luciano They show that many of even the most seemingly outlandish charges leveled against the Agency have basis in truth After the San Jose Mercury News series for example outraged black communities charged that the CIA had undertaken a program stretching across many years of experiments on minorities Cockburn and St Clair show how the CIA imported Nazi scientists straight from their labs at Dachau and Buchenwald and set them to work developing chemical and biological weapons tested on black Americans some of them in mental hospitals Cockburn and St Clair show how the CIA s complicity with drug dealing criminal gangs was part and parcel of its attacks on labor organizers whether on the docks of New York or of Marseilles and Shanghai They trace how the Cold War and counterinsurgency led to an alliance between the Agency and the vilest of war criminals such s Klaus Barbie or fanatic heroin traders like the mujahed in in Afghanistan Whiteout is a thrilling history that stretches from Sicily in 1944 to the killing fields of South East Asia to CIA safe houses in Greenwich Village and San Francisco where CIA men watched Agency paid prostitutes feed LSD to unsuspecting clients We meet Oliver North as he plotted with Manuel Noriega and Central American gangsters We travel to little known airports in Costa Rica and Arkansas We hear from drug pilots and accountants from the Medillin Cocaine Cartel We learn of DEA agents whose careers were ruined because they tried to tell the truth The CIA drugs and the press Cockburn and St Clair dissect the shameful way many American journalists have not only turned a blind eye on the Agency s misdeeds but helped plunge the knife into those who told the real story Here at last is the full saga Fact packed and fast paced Whiteout is a richly detailed excavation of the CIA's dirtiest secrets For all who want to know the truth about the Agency this is the book to start with

culture in Charlie's Angels Who s the cat that won't cop out Black masculinity in American action shows of the sixties and In the Shadows of Power R. Michael Crossen, 2025-02-13 In the Shadows of Power The Untold Stories of seventies Female Spies is a compelling exploration of the hidden contributions of women in the world of espionage The book delves into the remarkable lives of female operatives who worked behind the scenes often at great personal risk to shape the outcomes of conflicts and historical events Spanning various eras and regions it uricovers stories of courage ingenuity and resilience that have long been overshadowed by their male counterparts The narrative not only recounts daring missions and thrilling exploits but also examines the human element of these women s lives the sacrifices they made the challenges they overcame and the strength they displayed in the face of adversity From wartime couriers and saboteurs to Cold War double agents these operatives defied societal norms and expectations using their unique skills to gather intelligence spread disinformation and execute covert operations Author Mike draws on his extensive experience in military intelligence and his interactions with legendary spies to provide a richly detailed and deeply personal account The book sheds light on the underappreciated yet critical roles that female spies played in shaping history challenging readers to reevaluate traditional notions of heroism and valor Ultimately In the Shadows of Power is more than a collection of spy stories it is a celebration of the guiet strength and determination of women who stepped out of the shadows to leave an indelible mark on the world The book invites readers to honor their legacies and reflect on the untapped potential of those who operate with courage and conviction often unnoticed but always impactful People v Mezy; People v Hermiz, 453 Mich 269 (1996) ,1996 102274 Lincoln's Secret Spy Jane Singer, John Stewart, 2015-04-01 A month after Lincoln's assassination William Alvin Lloyd arrived in Washington DC to press a claim against the federal government for money due him for serving as the president's spy in the Confederacy Lloyd claimed that Lincoln personally had issued papers of transit for him to cross into the South a salary of 200 a month and a secret commission as Lincoln s own top secret spy The claim convinced Secretary of War Edwin Stanton and Judge Advocate General Joseph Holt but was it true Before the war Lloyd hawked his Southern Steamboat and Railroad Guide wherever he could including the South which would have made him a perfect operative for the Union By 1861 though he needed cash so he crossed enemy lines to collect debts owed by advertising clients in Dixie Officials arrested and jailed him after just a few days in Memphis for bigamy But Lloyd later claimed it was for being a suspected Yankee spy After bribing his way out he crisscrossed the Confederacy trying to collect enough money to stay alive Between riding the rails he found time to marry plenty of unsuspecting young women only ditch them a few days later His behavior drew the attention of Confederate detectives who nabbed him in Savannah and charged him as a suspected spy But after nine months they couldn t find any incriminating evidence or anyone to testify against him so they let him go A free but broken man Lloyd continued roaming the South making money however he could In May 1865 he went to Washington with an extraordinary claim and little else a few coached witnesses a pass to cross the lines signed A Lincoln the most forged signature in American

history and his own testimony So was he really Lincoln's secret agent or nothing more than a notorious con man Find out in this completely irresistible high spirited historical caper The Oxford Handbook of Terrorism Erica Chenoweth, Richard English, Andreas Gofas, Stathis N. Kalyvas, 2019-03-14 The Oxford Handbook of Terrorism systematically integrates the substantial body of scholarship on terrorism and counterterrorism before and after 9 11 In doing so it introduces scholars and practitioners to state of the art approaches methods and issues in studying and teaching these vital phenomena This Handbook goes further than most existing collections by giving structure and direction to the fast growing but somewhat disjointed field of terrorism studies The volume locates terrorism within the wider spectrum of political violence instead of engaging in the widespread tendency towards treating terrorism as an exceptional act Moreover the volume makes a case for studying terrorism within its socio historical context Finally the volume addresses the critique that the study of terrorism suffers from lack of theory by reviewing and extending the theoretical insights contributed by several fields including political science political economy history sociology anthropology criminology law geography and psychology In doing so the volume showcases the analytical advancements and reflects on the challenges that remain since the emergence of the field in the early 1970s London Eyes Gail Cunningham, Stephen Barber, 2007 London incessantly generates and incites cultural responses pre eminently in the interconnected domains of literature and film This book demonstrates that those responses have been sustained as vital experiments and engagements in configuring the city and its inhabitants Including essays by prominent cultural literary and film historians this volume forms an original and incisive contribution to ongoing debates about the city's intricate cultural history and its construction through both language and image as a crucial site of identity desire exile and displacement Glass: A Portrait Robert Maycock, 2012-03-08 Philip Glass has had a unique impact on traditional popular culture over the past 40 years Written jointly as an appraisal of his work and a biography Glass details the landmark points of his career and the artists he recorded with such as Ravi Shankar Diverse projects from his four hour epic Einstein on the Beach to operatic compositions such as 100 Airplanes and their impact on popular culture are explored recording a remarkable life in music Routledge International Encyclopedia of Queer Culture David A. Gerstner, 2006-03-01 The Routledge International Encyclopedia of Queer Culture covers gay lesbian bisexual transgender and queer GLBTQ life and culture post 1945 with a strong international approach to the subject The scope of the work is extremely comprehensive with entries falling into the broad categories of Dance Education Film Health Homophobia the Int

A History of Film Music Mervyn Cooke, 2008-09-25 This book provides a comprehensive and lively introduction to the major trends in film scoring from the silent era to the present day focusing not only on dominant Hollywood practices but also offering an international perspective by including case studies of the national cinemas of the UK France India Italy Japan and the early Soviet Union The book balances wide ranging overviews of film genres modes of production and critical reception with detailed non technical descriptions of the interaction between image track and soundtrack in representative

individual films In addition to the central focus on narrative cinema separate sections are also devoted to music in documentary and animated films film musicals and the uses of popular and classical music in the cinema The author analyses the varying technological and aesthetic issues that have shaped the history of film music and concludes with an account of the modern film composer s working practices Dictionary of American Classical Composers Neil Butterworth, 2013-10-02 The Dictionary of American Classical Composers covers over 650 composers active from the 18th century to today Covering all classical styles it offers the most comprehensive overview of key composers in the United States available Entries include basic biographical information and critical analysis of each composer s key works and ideas Entries also include worklists and bibliographic information Whenever possible the entries will have been checked by the composers themselves to assure greatest possible accuracy This new edition completely updated and expanded from the 1984 edition also includes over 200 historic photographs Suicide Movies Steven Stack, Barbara Bowman, 2011-01-01 How is suicide portrayed in the cinema and what does it mean for suicide prevention The first ever comprehensive study of film suicide analyzes more than 1 500 film suicides The portrayal of suicide in cinema can impact public understanding and effective prevention of suicide This book presents the first ever comprehensive analysis of how suicide has been portrayed in films over 110 years based on a thorough evaluation of more than 1 500 film suicides 1 377 in American films 135 in British films One striking finding is that while the research literature generally attributes suicide to individual psychiatric or mental health issues cinema and film solidly endorse more social causes In a compelling blend of social science and humanities approaches the authors use quantitative methods as well as the voices of scriptwriters directors actors and actresses dozens of illustrative frame grabs and numerous case examples to answer core questions such as Are we guilty of over neglecting social factors in suicide prevention and research Do cinematic portrayals distort or accurately reflect the nature of suicide in the real world Has film presentation of suicide changed over 110 years What are the literary roots of cinema portrayals This unique book makes fascinating reading for all concerned with suicide prevention as well as areas such as sociology film and media studies and mass communication
