## **Secret Of Moshe Shomeir:**

**Shomer Emunim** Rabbi Yosef Ergas, Avinoam Fraenkel, 2025-03-25 This book is for those intrigued by the Arizal's Lurianic Kabbalah confused by the debates over Kabbalah's authenticity fascinated by how centuries old Kabbalistic ideas converge with modern science challenged by how the technological changes around us fit in with Torah and Kabbalah desiring resolution of the ongoing debates over key ideas in Jewish thought curious to understand exactly who and what the Messiah is Of the few genuine introductions to Kabbalah Shomer Emunim stands out prominently for its clarity brevity and accessibility Penned in the late 1720s by the master Italian Kabbalist Rabbi Yosef Ergas its virtues have been extolled by Kabbalists of note ever since Shomer Emunim powerfully responds to those who claim Kabbalah was fabricated It also explains Kabbalistic concepts simply dispelling the illegitimate views of those encouraging blasphemous religious compromise by distorting those concepts The original Shomer Emunim Hebrew text together with its complete facing page English translation and commentary is presented in an innovative and easily digestible format This e book contains words in Hebrew which may not display correctly on all e reader devices     The Secret Doctrine of the Jews Boaz Huss, 2025-10-01 A comprehensive exploration of the Jewish adherents of the Theosophical Society and their impact on modern Jewish culture and the development of modern forms of Kabbalah The Secret Doctrine of the Jews offers the first comprehensive study of Jewish followers of the Theosophical Society the highly influential global esoteric movement that was established in New York in 1875 The book presents a detailed examination of the major Jewish followers of the Theosophical Society and the formation of Jewish lodges and associations within its framework It discusses the endeavors of Jewish theosophists to reconcile their Jewish identity with their theosophical convictions and to create new theosophical inspired interpretations of Kabbalah The book aims to underscore the role of Jewish theosophists within the Theosophical Society and explore their impact on modern Jewish culture particularly their influence on the development of modern perspectives and forms of Kabbalah The monograph makes significant contributions to research in several areas including the global history of the Theosophical Society modern Jewish religious movements and the development and dissemination of modern forms of Kabbalah during the twentieth century     Welcome Are Lands James Irwin Kruger, 2005-03     **The Mystery of the Kibbutz** Ran Abramitzky, 2020-05-26 How the kibbutz movement thrived despite its inherent economic contradictions and why it eventually declined The kibbutz is a social experiment in collective living that challenges traditional economic theory By sharing all income and resources equally among its members the kibbutz system created strong incentives to free ride or as in the case of the most educated and skilled to depart for the city Yet for much of the twentieth century kibbutzim thrived and kibbutz life was perceived as idyllic both by members and the outside world In The Mystery of the Kibbutz Ran Abramitzky blends economic perspectives with personal insights to examine how kibbutzim successfully maintained equal sharing for so long despite their inherent incentive problems Weaving the story of his own family's experiences as kibbutz

members with extensive economic and historical data Abramitzky sheds light on the idealism and historic circumstances that helped kibbutzim overcome their economic contradictions He illuminates how the design of kibbutzim met the challenges of thriving as enclaves in a capitalist world and evaluates kibbutzim s success at sustaining economic equality By drawing on extensive historical data and the stories of his pioneering grandmother who founded a kibbutz his uncle who remained in a kibbutz his entire adult life and his mother who was raised in and left the kibbutz Abramitzky brings to life the rise and fall of the kibbutz movement The lessons that *The Mystery of the Kibbutz* draws from this unique social experiment extend far beyond the kibbutz gates serving as a guide to societies that strive to foster economic and social equality     **Books in Print**

**Supplement** ,2002     **Yearnings of the Soul** Jonathan Garb,2015-11-23 In *Yearnings of the Soul* Jonathan Garb uncovers a crucial thread in the story of modern Kabbalah and modern mysticism more generally psychology Returning psychology to its roots as an attempt to understand the soul he traces the manifold interactions between psychology and spirituality that have arisen over five centuries of Kabbalistic writing from sixteenth century Galilee to twenty first century New York In doing so he shows just how rich Kabbalah s psychological tradition is and how much it can offer to the corpus of modern psychological knowledge Garb follows the gradual disappearance of the soul from modern philosophy while drawing attention to its continued persistence as a topic in literature and popular culture He pays close attention to James Hillman s archetypal psychology using it to engage critically with the psychoanalytic tradition and reflect anew on the cultural and political implications of the return of the soul to contemporary psychology Comparing Kabbalistic thought to adjacent developments in Catholic Protestant and other popular expressions of mysticism Garb ultimately offers a thought provoking argument for the continued relevance of religion to the study of psychology     **Moshe Dayan** Mordechai Bar-On,2012-06-26

Instantly recognizable with his iconic eye patch Moshe Dayan 1915 1981 was one of Israel s most charismatic and controversial personalities As a youth he earned the reputation of a fearless warrior and in later years as a leading military tactician admired by peers and enemies alike As chief of staff during the 1956 Sinai Campaign and as minister of defense during the 1967 Six Day War Dayan led the Israel Defense Forces to stunning military victories But in the aftermath of the bungled 1973 Yom Kippur War he shared the blame for operational mistakes and retired from the military He later proved himself a principled and talented diplomat playing an integral role in peace negotiations with Egypt In this arresting biography Mordechai Bar On Dayan s IDF bureau chief offers an intimate view of Dayan s private life public career and political controversies set against an original analysis of Israel s political environment from pre Mandate Palestine through the early 1980s Drawing on a wealth of Israeli archives accounts by Dayan and members of his circle and firsthand experiences Bar On reveals Dayan as a man unwavering in his devotion to Zionism and the Land of Israel Moshe Dayan makes a unique contribution to the history of Israel and the complexities of the Arab Israeli conflict     *An Introduction to the Kabbalah* Moshe Hallamish,2012-02-01 This book acquaints the reader with the world of the Kabbalah The first part

discusses the Kabbalist as a person the personal transmission of Kabbalistic traditions the Kabbalist's qualities and qualifications prerequisites and early preparations risks and achievements as well as techniques for uncovering mysteries and the sources of revelations The second part deals with the major themes in the teachings of the Kabbalah such as the doctrine of the Sefirot the Sitra Ahra good and evil the creation of the world the status of the Torah and its commandments the doctrine of the soul and the transmigration of souls In treating these issues the book also notes the assimilation of Kabbalistic notions in Jewish religious customs *The Privileged Divine Feminine in Kabbalah* Moshe Idel, 2018-11-19 This volume addresses the complex topic of the preeminent status of the divine feminine power to be referred also as Female within the theosophical structures of many important Kabbalists Sabbatean believers and Hasidic masters This privileged status is part of a much broader vision of the Female as stemming from a very high root within the divine world then She was emanated and constitutes the tenth lower divine power and even in this lower state She is sometime conceived of governing this world and as equal to the divine Male Finally She is conceived of as returning to Her original place in special moments the days of Sabbath the Jewish Holidays or in the eschatological era Her special dignity is sometime related to Her being the telos of creation and as the first entity that emerged in the divine thought which has been later on generated In some cases an uroboric theosophy links the Female Malkhut directly to the first divine power Keter The author points to the possible impact of some of the Kabbalistic discussions on conceptualizations of the feminine in the Renaissance period *Absorbing Perfections* Moshe Idel, 2008-10-01 In this wide ranging discussion of Kabbalah from the mystical trends of medieval Judaism to modern Hasidism one of the world's foremost scholars considers different visions of the nature of the sacred text and of the methods to interpret it Moshe Idel takes as a starting point the fact that the postbiblical Jewish world lost its geographical center with the destruction of the temple and so was left with a textual center the Holy Book Idel argues that a text oriented religion produced language centered forms of mysticism Against this background the author demonstrates how various Jewish mystics amplified the content of the Scriptures so as to include everything the world or God for example Thus the text becomes a major realm for contemplation and the interpretation of the text frequently becomes an encounter with the deepest realms of reality Idel delineates the particular hermeneutics belonging to Jewish mysticism investigates the progressive filling of the text with secrets and hidden levels of meaning and considers in detail the various interpretive strategies needed to decodify the arcane dimensions of the text **The Jews of Pinsk, 1506 to 1880** Mordekhai Nadav, Mark Mirsky, 2008 The Jews of Pinsk 1506 1880 is the first part of a major scholarly project about a small city in Eastern Europe where Jews were a majority of the population from the end of the eighteenth century Pinsk boasted both traditional rabbinic scholars and famous Hasidic figures and over time became an international trade emporium a center of the Jewish Enlightenment a cradle of Zionism and the Jewish Labor movement and a place where Orthodoxy struggled vigorously with modernity The two volumes of Pinsk history were originally part of a literature created by Jews who survived

the Holocaust and were determined to keep in memory a vital world that flourished for half a millennium In this case the results are extraordinary no town of Eastern Europe has been described in such fascinating detail invaluable to Jewish and non Jewish historians alike For the second volume of this two volume collection see *The Jews of Pinsk 1881 1941* **What You Need to Know about Kabbalah** Rabbi Yitzchak Ginsburgh,2006 This volume is a basic resource for anyone interested in Kabbalah While written in a clear and lucid manner suitable for the beginner even the advanced student will find a wealth of new information and insight Rabbi Ginsburgh explains how the many parallel and seemingly contradictory systems of Kabbalistic thought are part of a larger systematic and orderly structure In essence this book is an introduction to all of Rabbi Ginsburgh s many writings **The Settlers** Meyer Levin,2014-08-13 From the acclaimed author of *Compulsion* comes the saga of a Jewish family that flees Russia to become settlers of the nascent state of Israel Proclaimed most significant American Jewish writer of his time by Los Angeles Times Meyer Levin turns his journalistic eye for character and detail to an epic tale of the founding of Israel At the turn of the twentieth century Feigel and Yankel Chaimovitch are among the many Russian Jews caught up in the burgeoning revolution To escape the pogroms they flee with their children to their ancient homeland Eretz Yisroel Though Eretz Yisroel is a place of unparalleled beauty these pioneers face innumerable hardships poverty disease grueling physical labor and violent tensions with their Arab neighbors There are even conflicts within their own ranks especially between new arrivals and established settlers And as World War I escalates each family member from second oldest son Gidon who struggles through the disastrous Gallipoli campaign to Leah who awaits the return of her fickle Moshe struggles to build their future **Translating Late Ottoman Modernity in Palestine** Evelin Dierauff,2020-01-20 Die Studie untersucht f r die Jahre vor dem Ersten Weltkrieg anhand der arabisch pal stinensischen Zeitung *Filas* in lokale Debatten um politische Ordnung kollektive Identit t und Beziehungen zwischen ethnischen und konfessionellen Gruppen dies vor dem Hintergrund transregionaler und transosmansicher Zusammenh nge Dies ist deshalb relevant weil Gruppenbeziehungen in Pal stina f r diese Phase der osmanischen Moderne wenig erforscht sind und sich in einer tiefen Umbruchphase einer sog Sattelzeit befanden *Filastin* ver ffentlicht ab 1911 in Jaffa von Isa al Isa und Yusuf al Isa lokalen griechisch orthodoxen Christen diente als Medium in dem ein vielf ltiges Spektrum an pal stinensischen Autoren verschiedener Konfession folgende Fragen kontrovers verhandelte 1 Regeln des Zusammenlebens im multiethnisch und multikulturell gepr gten Jaffa 2 Die Integrierbarkeit der j dish zionistischen Einwanderer in die Region und 3 die Partizipation arabisch pal stinensischer Christen im von Griechen dominierten griechisch orthodoxen Patriarchat von Jerusalem Exploring *Filas* in in the context of Arab Palestinian press development its specific environment and networks and the political culture after the Young Turk Revolution this study analyzes the main concepts and terminological features that are conveyed through ist coverage Further it studies Palestinian group relations in the light of three selected case studies the press debate on 1 the social cohabitation of groups in the Jaffa region 2 the socio economic integration of Zionist immigrants

into the Jerusalem District and 3 the political participation of Arab Palestinian Orthodox Christians in the administration of the Greek Orthodox Patriarchate of Jerusalem and their opposition against the clerical establishment Filastin was published from 1911 onwards in the coastal town of Jaffa by the cousins Yusuf and Isa al Isa Arab Palestinians of Greek Orthodox confession Soon it had established itself as a forum of debate in late Ottoman Palestine serving a pool of authors from different ethnic and confessional but similar educational backgrounds and moral values as a public medium to which they contributed through publishing articles protest letters petitions etc On its pages these authors controversially discussed concepts of collective identity society building political order and all kinds of reforms that they perceived progressive and as fitting the spirit of the age as they called it the age of Ottoman Constitutionalism and modernity This study explores local debates on Palestinian group relations through Filastin during the years 1911 until 1914 which is relevant since during this period of time the Arab Middle East in general and Palestine in specific underwent a so called saddle period a deep and fundamental change with regard to social relations and political concepts that is still rather unexplored in today s scholarship

The Orthodox Jewish Bible Dr. Phillip Goble,2002 THE ORTHODOX JEWISH TANAKH TORAH NEVI IM KETUVIM BOTH TESTAMENTS The Orthodox Jewish Bible is an English language version that applies Yiddish and Hasidic cultural expressions to the Messianic Bible Rhetoric and Nation Shai P. Ginsburg,2014-06-26 Critics commonly hold that the modern Hebrew canon reveals a shared rhetoric that is crucial for the emergence and formation of modern Jewish nationalism Yet does the Hebrew canon indeed demonstrate a shared logic In Rhetoric and Nation Ginsburg challenges the common conflation of modern Hebrew rhetoric and modern Jewish nationalism Considering a wide range of literary critical and political works Ginsburg explores the way each text manifests its own singular logic that cannot be subsumed under any single ideology Through close readings of key canonical texts Rhetoric and Nation establishes that the Hebrew discourse of the nation should be conceived of not as a coherent and cohesive entity but rather as an assemblage of singular disparate moments **Lessons from the Kabbalah and Jewish History** Josef Bláha,2010 **Zionism** Derek J. Penslar,2023-06-16 This volume reconsiders the history of Zionism through the lens of emotion By highlighting the series of emotional states that are key to any national or social movement including the Zionist project Penslar shows how Zionism is distinct for the breadth and depth of feeling of those engaged in it of outside observers and of its opponents Kabbalah in Italy, 1280-1510 Moshe Idel,2011-01-01 This survey of the history of Kabbalah in Italy represents a major contribution from one of the world s foremost Kabbalah scholars Idel charts the ways that Kabbalistic thought and literature developed in Italy and how its unique geographical situation facilitated the arrival of both Spanish and Byzantine Kabbalah **Tree of Souls** Howard Schwartz,2006-12-27 Drawing from the Bible the Pseudepigrapha the Talmud and Midrash the kabbalistic literature medieval folklore Hasidic texts and oral lore collected in the modern era Schwartz has gathered together nearly 700 of the key Jewish myths For each myth he includes extensive commentary revealing the source of the myth and explaining how it

relates to other Jewish myths as well as to world literature from publisher description
