Secret Life Of Walter Winchell:

The Secret Life of Walter Winchell Lyle Stuart, 1953 **The Secret Life of Walter Winchell** Lyle Stuart, 2009-07 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *Samuel Roth, Infamous Modernist* Jay A. Gertzman, 2013-04-01 Samuel Roth is known to most literary scholars as a bold literary pirate for issuing unauthorized editions of modernist sensations including *Ulysses* and *Lady Chatterley s Lover* In the absence of an international copyright agreement and because works deemed obscene could not be copyrighted what he did was not illegal But it did violate the protocols of mutual fair dealing between publishers and authors Those publications provoked an unprecedented international protest of writers publishers and intellectuals who eventually vilified Roth on two continents Roth was a man with an uncanny ability to recognize good contemporary writing and make it accessible to popular audiences Ultimately his dedication to the publication of these works broke down many of the censorship laws of the time though he suffered greatly for his efforts His story portrays a struggle with literary censorship in the mid twentieth century while providing insights into how modernism was marketed in America **The Tragic Secret Life of Jayne Mansfield** Raymond Strait, 2021-07-04 Having spent ten years as Jayne Mansfield s press secretary Raymond Strait knows intimately both the public image and the private person that were Jayne Mansfield Sitting through hundreds of hours of interviews and private conversations not only with Jayne but also with her husbands her lovers and her children gave Ray the opportunity to present a revealing portrait of the woman He records her drive for fame and success and her overpowering need to be loved and to love needs that led her into numerous affairs with rich and powerful men including President John F Kennedy and with younger men from all walks of life And he discusses frankly Jayne s ultimately successful plan to become pregnant by Nelson Sardelli because she wanted to have an Italian child Known to millions as the consummate sex symbol who rivaled Marilyn Monroe Jayne Mansfield received more press coverage than anyone else in Hollywood The headlines were often sensational causing society matrons and Baptist ministers to shake their heads and point their fingers But under those sensational headlines there was a woman of greater complexity that any reporter could hope to understand Strait goes below the surface to examine Jayne s emotions and motivations revealing the truth about her many lovers her three unsuccessful marriages her love affair with Mickey Hargitay that lasted to the end and her battle against and her surrender to alcohol and drugs **Encyclopedia of Radio 3-Volume Set** Christopher H. Sterling, 2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio s technology This encyclopedic work

will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined

Hooded Americanism David J. Chalmers,2013-02-13 The only work that treats Ku Kluxism for the entire period of its existence the authoritative work on the period Hooded Americanism is exhaustive in its rich detail and its use of primary materials to paint the picture of a century of terror It is comprehensive since it treats the entire period and enjoys the perspective that the long view provides It is timely since it emphasizes the undeniable persistence of terrorism in American life John Hope Franklin *The Secret Life of Humphrey Bogart* Darwin Porter,2003 Biography gives a controversial closeup of a young hot and horny Bogart pre Casablanca pre Bacall pre African Queen Obscenity Rules Whitney Strub,2013-09-24 For some he was America s leading smut king hauled into court repeatedly over thirty years for peddling obscene publications through the mail But when Samuel Roth appealed a 1956 conviction he forced the Supreme Court to finally come to grips with a problem that had plagued both American society and constitutional law for longer than he had been in business For while the facts of Roth v United States were unexceptional its constitutional issues would define the relationship of obscenity to the First Amendment The Supreme Court s 6 3 decision in Roth for the first time tried to definitively rule on the issue of obscenity in American life and law and failed In this first book length examination of the case Whitney Strub lays out the history of obscenity s meaning as a legal concept highlights the influence of antvice crusaders like Anthony Comstock and John Sumner and chronicles the shadowy career that led Roth to spend nearly a decade of his life imprisoned for the allegedly obscene materials that he sent through the mails Strub then unwraps the events that produced Roth v United States placing the trial in the context of its times the Kinsey Reports the Kefauver hearings free speech debates by using Roth s own private papers along with the records of the various prosecutions and the memos of the justices The significance of Roth as Strub reveals lay in the two faces of Justice William Brennan s majority opinion which on the one hand reflected the liberalizing attitude toward sexual matters in mid century America but on the other kept obscene expressions beyond First Amendment protection Because that ruling points up the contradictions of a society where the prurient and repressive commingle uncomfortably Strub shows how Roth says much more about American sexual values than Brennan s written words necessarily acknowledged In our era of internet pornography and Fifty Shades of Grey it may be difficult to imagine a time when obscenity was a matter for the courts As Strub tracks the legacy of Roth and obscenity law through the ongoing policing of acceptable sexuality into the twenty first century his riveting narrative brings those times to life and helps readers navigate the fine line between what is socially acceptable and what is criminally obscene **Frontier** ,1957

The Progressive William Theodore Evjue,1957 **On the Air** John Dunning,1998-05-07 A wonderful reader for anyone who loves the great programs of old time radio this definitive encyclopedia covers American radio shows from their beginnings in the 1920s to the early 1960s Confessions of a Raving, Unconfined Nut Paul Krassner,2012-09-01 Uncensored uncontained and thoroughly demented the memoirs of Paul Krassner are back in an updated and expanded edition Paul Krassner father of the underground press People magazine founder of the Realist political radical Yippie and award winning stand up satirist shares his stark raving adventures with the likes of Lenny Bruce Abbie Hoffman Norman Mailer Ken Kesey Groucho Marx and Squeaky Fromme revealing the patriarch of counterculture s ultimate intimate uproarious life on the fringes of society Whether he s writing about his friendship with controversial comic Lenny Bruce introducing Groucho Marx to LSD his investigation of Scientology or John Kennedy s cadaver no subject is too sacred to be skewered by Krassner And yet his stories are soulful and philosophical always authentic to his iconoclastic brand of personal journalism As Art Spiegelman said Krassner is one of the best minds of his generational to be destroyed by madness starving hysterical naked but mainly hysterical His true wacky wackily true autobiography is the definitive book on the sixties

Bookleggers and Smuthounds Jay A. Gertzman,2011-09-02 Between the two world wars at a time when both sexual repression and sexual curiosity were commonplace New York was the center of the erotic literature trade in America The market was large and contested encompassing not just what might today be considered pornographic material but also sexually explicit fiction of authors such as James Joyce Theodore Dreiser and D H Lawrence mail order manuals pulp romances and little dirty comics Bookleggers and Smuthounds vividly brings to life this significant chapter in American publishing history revealing the subtle symbiotic relationship between the publishers of erotica and the moralists who attached them and how the existence of both groups depended on the enduring appeal of prurience By keeping intact the association of sex with obscenity and shameful silence distributors of erotica simultaneously provided the antvice crusaders with a public enemy Jay Gertzman offers unforgettable portrayals of the pariah capitalists who shaped the industry and of the individuals organizations and government agencies that sought to control them Among the most compelling personalities we meet are the notorious publisher Samuel Roth the Prometheus of the Unprintable and his nemesis John Sumner head of the New York Society for the Suppression of Vice a man aggressive in his pursuit of pornographers and in his quest for a morally united and ethnically homogeneous America
