Less Than Conquerors Doug Frank, 2009-08-01 Although evangelicals enjoyed respect and leadership in American society in the decades before the Civil War their fortunes declined precipitately in the wake of the industrialism modernism and secularism of the next half century But the 1920s evangelicals felt like an embattled minority within a largely unbelieving culture and perceived that history was very much out of their control Frank examines the spiritual significance of these events by placing them against a biblical understanding of the gospel He sees in the confidence and self-congratulation of the turn of the century evangelicals a portrait of the spiritually rich of the Bible who must lose their riches before they can come to know God truly Harmful uses of the gospel are explored through dispensational premillennialism the victorious life theology and the revivalism of Billy Sunday Altogether *Less Than Conquerors* is a call to replace the blurred and self-serving gospel of a besieged subculture with the genuine gospel of Jesus Christ

The Americanization of the Apocalypse Donald Harman Akenson, 2023 In *The Americanization of the Apocalypse: Creating America's Own Bible* Donald Harman Akenson examines the creation and spread of Dispensationalism, a belief system that produced *The Scofield Reference Bible*, the ur-text of American apocalyptic evangelicalism

Knowing The Spirit Eastwood Anaba, 2012 This is the first book in the series entitled *The Spirit*. The subtitle of this book is *Knowing the Spirit*. In this book and the subsequent ones in the series I will apply John 6:63 to some aspects of Jesus' victorious life on earth. The verse reveals the secret behind Jesus' Miracle and the claims He made about His deity. In order for the Holy Ghost to play an active role in our lives, we must know Him in the same way Jesus knew Him. I have a strong feeling in my Spirit that the next few years will be characterised by conspicuous activities of the Holy Ghost. The flesh has dominated believers for a long time, and the time for the Spirit to take control is now. Believers are largely ignorant of the relationship between Jesus and the Holy Ghost. Those who experience the baptism of the Holy Ghost limit His power to just speaking in other tongues and prophesying. Knowing the Holy Ghost and understanding His ways of operation help us to benefit from His power and glory.
