Secret Of Dominion The:

Dominion Apostle Joshua Selman,2020-11-27 God is a God of times and seasons He dwells in light but His dealings with men is fragmented into times and seasons That means that for every season there is what God is doing The character of His operation is such that there are graces and distribution of spiritual possibilities allocated for seasons that follow His word It looks like it is following men but it is actually following His word This is because the men received His word and that is why it followed them The power of God does not follow men It follows the word of God and if that word is in men it will seem to follow men So for every season there is what God is doing It is important for you to understand this because this is where many people miss out Read This Book and Be Blessed

The Secrets of Apostolic Success Oppong Kyekyeku,2022-04-19 It is certainly clear to every believer the distinction between the early church and our contemporary church Spiritually speaking it seems we are serving a different God or Christ For example the early church evangelized extensively but now especially the western churches are sleeping excessively They healed the sick but now the church folks are sick with all kinds of diseases without cure They cast out evil Spirits but now there are evil Spirit possessors in the church more than ever before They were sufficient in every spectrum of life but now the church members are deficient in every spectrum of life They shared everything with each other but now Christians are keeping everything for themselves even tithes They were selfless with the attitude of putting others first but now the church folks are selfish with the attitude of me I and myself first They were willing to die for Christ at any cost but now Christians want Christ to die for them again for no cost Finally they turned their world upside down but now the world is turning the church upside down The church needs to wake up otherwise our next generation will suffer the defeat of apostasy as the children of Israel suffered after the death of Joshua This book is meant to assure you that you have all that it takes by the grace God has given to you through Jesus Christ to do exactly what the apostles did
