The Great AMEN of the Great I-AM John E. McKenna,2008-06-20 The author would take his readers on a ride from the Self Revelation of the I AM that the Lord God is with Moses through King David to the I AM of the Messiah of Israel and of the Incarnation and to the I AM of the Dogma of the Church as the People of God It is argued that the Grace and Truth of the Lord God cannot rightly be grasped in all of their depth in the world without becoming able to integrate both the continuity and the discontinuities of this Revelation with us even in our own times The Writer's Directory, 1998-2000 Miranda H. Our Time was regarded one of the most valuable works available detailing the history of this still relatively young country. Decades later readers can again be immersed in this monumental work. The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s, the rise of Jewish nationalism, the beginning of the political Zionist movement, and later how the movement changed after Theodor Herzl, the Balfour Declaration, the factors that led to the Arab Jewish confrontation in Palestine, and its role both during the Second World War and after the war of independence, and the many wars that followed it over the next few decades, and the development of the Israeli republic and the many challenges it faced both domestic and foreign, and still faces today. This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world. The War of the Angels Jesús Ariel Aguirre, 2023-11-02. A mysterious object has been stolen from the British Museum. A group of religious fanatics intends to use it to give life to an evil creature using an old lost language that of angels. Adams, a young priest, together with the old chaplain Martin, will seek the help of Professor Thomas Dee, who knows Enochian, a language created by his great-great-grandfather John Dee. In a move that would forever alter the map of the Middle East, Israel captured the West Bank, Golan Heights, Gaza Strip, and

Sinai Peninsula in 1967's brief but pivotal Six Day War. **Cursed Victory** is the first complete history of the war's troubled aftermath: a military occupation of the Palestinian territories that is now well into its fifth decade. Drawing on unprecedented access to high level sources, top secret memos and never before published letters, the book provides a gripping chronicle of how what Israel promised would be an enlightened occupation quickly turned sour and the anguished diplomatic attempts to bring it to an end. Bregman sheds fresh light on critical moments in the peace process, taking readers behind the scenes as decisions were made and as crucial opportunities to resolve the conflict were missed. Moving from Jerusalem to New York, Oslo to Beirut and from the late 1960s to the present day, **Cursed Victory** provides vivid portraits of the key players, including Moshe Dayan, King Hussein of Jordan, Bill Clinton and Yasser Arafat. As Bregman concludes, the occupation has become a dark stain on Israel's history. **Cursed Victory** is essential reading for anyone who wants to understand the origins of the ongoing conflict in the region.

The Restoration of Israel Michael E. Fuller, 2012-02-14 This study identifies and explores texts of restoration in a wide selection of Early Jewish Literature in order to assess the variety of ways in which Jews envisioned Israel's future restoration. Particular attention is given to the expression of restoration in what is identified in the present study as the exilic model of restoration. In this model, Israel's restoration is characterized by the features of a future re-gathering, b) the fate of the nations, and c) the establishment of a new Temple. The present work focuses primarily on the first two features. Through this framework, Jews in the Greco-Roman period could draw on Israel's history and legacy but re-appropriate exile and return in new and creative ways. Finally, the writing of Luke Acts is investigated for its ideas of restoration and its indebtedness to Early Jewish traditions.
