The Secrets of Humility Chris Kleinsmith, 2011-02-13 For many people the success they dream of having and becoming can be the very thing that causes them to fail To fall when you're lifted up is an indication of cracks in the walls of your character The one thing that is the most trying is to remain humble when you are lifted up This is the most important underlying factor that makes sure that you do not get carried away with the success and forget the place that the Lord has brought you from thus for many success is their failure What do you do when you cannot maintain the increase

What do you do when the multiplication goes as quick as it has come How do you stay small when things get BIG around you What kind of attitude is required in the disposition of prosperity God is in the now calling for and waiting on the maturing of His children before the elevation takes place Because Growing up is an indication of Going up This book is for those who want to learn how to maintain the true spirit of humility in the midst of when things increase Not just maintaining the Spirit of humility but also the blessings of God and follow the leading of the Holy Spirit in the distribution thereof The Westminster Pulpit vol. III G. Campbell Morgan, 2012-02-06 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books For sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies Among this collection is the classic The Great Physician and commentaries on the Gospel of Matthew and John Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books Near the end of his ministry in a sermon entitled But One Thing Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America No longer did the inscription say Ne Plus Ultra nothing more beyond but Plus Ultra more beyond It is the hope of the G Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture The Morgan Trust Richard L Morgan Howard C Morgan John C Morgan The Text of the English Bible as Now Printed by the Universities Thomas Turton, 1833 The Bible Cyclopaedia, 1843 **Dream Pointer** Dr. D. Return journey Gilgal -Jordan East Gery Malanda, A Christian journey is a process that entails renewing your mind and making decisions on the path one is taking However this can be difficult and sometimes confusing as one learns the ways of God or is not able to discern the various stages in their Christian journey Brother Gery Malanda Apostle and Leader of House Of Prayer For All Nations Europe and Teacher on TBN s Voice of Healing UK applies the word of God and highlights the story of Elisha following Elijah in 2 Kings 2 to highlight the different stages we pass through as we follow Jesus Christ and deepen our relationship with Him Brother Gery expounds on every stage from Gilgal the beginning of the Christian walk Bethel the house of God and how to transition in it it s a place of offering our bodies as a living sacrifice God provides the welfare package and but also provides the divine revelation or prophetic vision about our lives However that is not enough The transitions to Jericho place of spiritual warfare learning God s battle plans and learning from the saints of old to Jordan a willing and not forceful experience and love becoming the driving force to Jordan east Pointing others to Jesus and the place where Jesus gives us the double portion of our birth right and the need for separation are succinctly explained making it easier for the reader to identify their season in their walk with God This book will be highly beneficial to those new in the faith those feeling stuck and can sense God nudging them on or those looking to understand the areas they are yet to grow in their relationship with God

The Ultimate Treasure: Cultivating a Deep-Seated and Ever-Present Hunger for God Felix Bamirin, 2018-06-30 The system of the world is deliberately set up to retard the genuine life of faith and sincere love for God an extremely difficult or utterly impossible adventure An undying passion and hunger for God must be deliberately cultivated in order to be able to withstand the onslaught of the enemy of our souls He is a prince of the power of the air that makes the world system so hostile to genuine faith Learn how not to become a victims of the deceitfulness of sin and the enticing pleasures of this present world Learn how to consciously deepen your desires for the Ultimate Treasure which is the treasure of the Kingdom of God peace joy power and the presence of God Your appetite for the things of God will increase so that nothing will be able to assuage your thirsts or satisfy your hunger until you have been filled with all the fullness of God God and all He offers will be your new ultimate and the desire for all others will now be where they belong secondary

Seerstone Joe Fasbinder, 2018-05-30 Seerstone is a thoroughly researched tension wrought tale of greed and how it dazzles and threatens sometimes using the most arcane and unearthly means to conquer a man and his family and to wring seemingly impossible changes potentially enormous changes in the life of Dayer Preston who with his wife has always striven to work toward the light as they understand it The story takes place at the dawn of the nineteenth century in Williker Township a cold and dying place in western New York State at a time when it seemed that there was no magic strong enough to make things right to bring forth abundance from an earth that withheld its bounty despite mans best efforts Despite the magic that stirred the spirits of heaven and earth It is a strange and unearthly time It

was an era in which an average everyday person knew that if you put a few hairs in a glass of water they would turn into worms overnight and that to assure prosperity lamens scrawled with magic words would be placed behind the mantel The line between magic and reality was blurred and so the arrival of a ritual magician at your door on an early spring night wasn't much to be noticed not even when he began to bring a struggling farm family closer and closer to the line between objective reality and a world ruled over by magic words scrawled on a page It is a tale of mystery How much can the magician Walters bring forth How much of what he says are lies And how much of what he possesses can bring forth bounty and potential wealth from an unforgiving earth How much is simply evil And can it be controlled And why is Dayer Preston so necessary to the grandest of all the magic rituals that awaits them
