Secret Treasures Of Oak Island:

The Secret Treasures of Oak Island J.J. Pritchard, 2002-10-15 Joel and Emma never expected to spend the summer digging in the Money Pit searching for untold millions in gold and jewels on famous Oak Island But soon after their adventurer uncle Jake telephones them in British Columbia to ask for their help with the excavations they're in the air flying to the coast of Nova Scotia Exploring the island on their bikes Joel and Emma find intriguing hints of the treasure's whereabouts an ancient rock painting and cryptic Latin inscriptions When a mysterious old man appears and gives them one final clue they're sure they have all the pieces of the Oak Island puzzle But as Jake's dig starts to fall apart they have to race to put the pieces together in time Set against the background of one of the most famous treasure hunts of all time *The Secret Treasures of Oak Island* is the action-packed story of two children's summer quest for pirate gold

Secret Treasure of Oak Island D'Arcy O'Connor, 2018-08-24 It started on a summer afternoon in 1795 when a young man named Daniel McGinnis found what appeared to be an old site on an island off the Acadian coast a coastline fabled for the skullduggery of pirates The notorious Captain Kidd was rumored to have left part of his treasure somewhere along here and as McGinnis and two friends started to dig they found what turned out to be an elaborately engineered shaft constructed of oak logs nonindigenous coconut mats and landfill that came to be known as the Money Pit Ever since that summer day in 1795 the possibility of what might be hidden in the depths of a small island off the south coast of Nova Scotia Canada has made it the site of the world's longest most expensive and most perplexing treasure hunt Author D'Arcy O'Connor recounts the fascinating stories and amazing discoveries of past and current treasure seekers who have sought Oak Island's fabled treasure for over two hundred years It has baffled scientists and madmen scholars and idiots millionaires and get-rich-quick schemers psychics engineers charlatans and even a former president of the United States The island has consumed the fortunes and in some cases the lives of those who have obsessively set out to unlock its secret Despite all their efforts the mystery remains unsolved and not a single dime of treasure has ever been recovered The present-day search is an archaeological dig exceeding anything ever done anywhere for similar purposes and it may well result in the discovery of one of the world's richest and most historically significant treasures But this is also the story of individuals who have dedicated years of their lives to discover what was buried long ago beneath this strange island They are driven by a lust for gold by archaeological curiosity and by their determination to outwit the engineer who was responsible for the Oak Island enigma

The Secret Treasures of Oak Island J.J. Pritchard, 2019-04-02 Joel and Emma never expected to spend the summer searching for untold millions in gold and jewels on famous Oak Island But soon after their adventurer uncle Jake telephones them in British Columbia to ask for their help with the excavations they're in the air flying to the coast of Nova Scotia Exploring the island on their bikes Joel and Emma find intriguing hints of the treasure's whereabouts an ancient rock painting and cryptic Latin inscriptions When a mysterious old man appears and gives them one final clue they're sure they have all the pieces of the Oak Island puzzle But as Uncle Jake's

dig starts to fall apart they have to race to put the pieces together in time Set against the background of one of the most famous treasure hunts of all time **The Secret Treasures of Oak Island** is the action packed story of a summer quest for pirate gold **Secret Treasures of Oak Island** J Pritchard,2003-03-01 When Emma s Uncle Jake comes to Vancouver to talk about his latest fortune hunting adventure little does she imagine that she is on her way to becoming a treasure seeker herself Jake is going to dig at a world renowned treasure site Oak Island Nova Scotia Over the past 150 years many people have tried to retrieve the treasure that lies in the bottom of the so called money pit None has been successful Jake persuades Emma s parents to let her and her brother Joel fly from Vancouver to Nova Scotia to spend a few weeks on the island while the dig is on It will be a great adventure They will witness an event that will break on national and international news media In addition Jake tells his brother that it will be good for Emma for her recovery She has recently been in a car accident in which she lost an arm Emma and Joel are thrilled When they get to the island Jake gives them each a new bike and they set off to explore Their discovery of a very old cave drawing adds an unexpected side to Jake s project Things begin to fall apart when the financial backers lose faith in Jake Although the treasure chest is in sight the work has to come to a stand still and the heavy equipment has to be returned to the mainland But Emma and Joel s chance encounter with a kindly ghost helps Jake fulfill at least part of his dream This young adult adventure is based on factual information about the money pit on Oak Island and the attempts to retrieve it *The Oak Island Mystery* Patricia Fanthorpe,2012-03-10 The Oak Island mystery has been the world s greatest and strangest treasure hunt and after years of research the authors have finally solved the sinister with an answer that is challenging controversial and disturbing In 1795 three boys discovered the top of an ancient shaft on uninhabited Oak Island in Mahone Bay Nova Scotia The boys began to dig and what they uncovered started the world s greatest and strangest treasure hunt but nobody knows what the treasure is Two hundred years of courage back breaking effort ingenuity and engineering skills have failed to retrieve what is concealed there Theories of what the treasure could be include Captain Kidd s bloodstained pirate gold an army payroll left by the French or British military engineers priceless ancient manuscripts the body of an Arif or other religious refugee leader or the lost treasure of the Templars The Oak Island curse prophecies that the treasure will not be found until seven men are dead and the last oak has fallen That last oak has already gone and six treasure hunters have been killed After years of research the authors have finally solved the sinister riddle of Oak Island but their answer is challenging controversial and disturbing Something beyond price still lies waiting in the labyrinth **The Oak Island Mystery** Lionel and Patricia Fanthorpe,1996-07-25 Oak Island in Mahone Bay Nova Scotia has a secret treasure that has now been revealed [Revealed, the Secret of Oak Island : the Definitive Explanation for the Mystery of the Oak Island Treasure!](#) Laverne Johnson,1991 *Oak Island and Its Lost Treasure* Graham Harris,Les MacPhie,2013-04-15 Civil engineers Graham Harris and Les MacPhie have spent over a decade investigating the enigma of Nova Scotia s Oak Island In this new edition of their book they set out the previously unknown story of how complex and

expensive engineering work was undertaken to create an elaborate flood tunnel on the island Built to frustrate treasure seekers attempting to get at the valuables buried decades earlier at the bottom of the island s Money Pit the tunnel has admirably served its purpose It has ensured that all efforts up to now to recover the treasure have been unsuccessful Oak Island poses two different challenges for treasure seekers There is a deep mine shaft at the bottom of which the treasure lies The authors offer evidence that this treasure came from the wreck of a Spanish galleon in the seventeenth century Even more mystifying than the mine shaft is the complex tunnel which links it to the ocean Harris and MacPhie have determined that the project would have required a labour force of over 100 men to supplement a small force of experienced miners The work would have taken almost two years to complete In new chapters written for this edition they present the evidence they have discovered in British military history records which shows who commanded this force how it reached Nova Scotia and when the work was carried out The new facts and insights offered in this book are a startling and convincing addition to the history of Oak Island
