Secret Underground Cities Nicholas J. McCamley, 1998 History of the vast underground arsenals factories and bunkers built by the British government during WWII and the new uses found for them Journal of the Society for Army Historical Research Society for Army Historical Research (London, England), 2000 **Saving Britain's Art Treasures** Nicholas J. McCamley, 2003 This book explains for the first time the full story of the wartime adventures of Britain's greatest art treasures At first the pictures and other artifacts were distributed amongst a number of large country houses Initially the owners of these houses almost fought one another for the right to house the Treasures Later when further accommodation was needed for treasures from the provincial museums the tables turned and the Office of Works was reduced to bribing owners by promising that they would be spared billets and that their houses would be immune from requisitioning By mid 1940 however circumstances transpired that made the country houses untenable German air bases in northern France made the whole of Britain vulnerable Eventually two deep underground repositories were constructed one in Wales and one in Wiltshire and by the end of 1942 virtually all the cultural heritage of the nation was concentrated there Building and operation of these underground treasure houses did not however go smoothly as described here **Subject Guide to Books in Print**, 1971 Books in Print Supplement, 2002 Secret Underground Cities Nicholas J. McCamley, 2000-03 Outlines the operational impact of some catastrophic wartime disasters at ammunition depots and describes the system of decoys and camouflage used to disguise the surface features at Corsham Secret Underground Cities Nicholas J.
