Chalou, 1995-12 The proceedings of the first major scholarly conference on the OSS which was in existence from 1941 through 1945 Includes 24 papers presented by veterans and historians of the OSS Offers new insights into the activities and importance of the U S's first modern national intelligence agency Discusses the U S on the brink of war the operations of the OSS at the headquarters level and in the field throughout Western Europe the Balkans and Asia Also explores the legacy of the OSS Contributors include Arthur Schlesinger Jr William Colby Walt W Rostow Robin Winks and Aline Countess of Romanones Roosevelt's Secret War Joseph E. Persico, 2002-10-22 Despite all that has already been written on Franklin Delano Roosevelt Joseph Persico has uncovered a hitherto overlooked dimension of FDR's wartime leadership his involvement in intelligence and espionage operations Roosevelt's Secret War is crowded with remarkable revelations FDR wanted to bomb Tokyo before Pearl Harbor A defector from Hitler's inner circle reported directly to the Oval

Office Roosevelt knew before any other world leader of Hitler's plan to invade Russia Roosevelt and Churchill concealed a disaster costing hundreds of British soldiers lives in order to protect Ultra the British codebreaking secret An unwitting Japanese diplomat provided the President with a direct pipeline into Hitler's councils Roosevelt's Secret War also describes how much FDR had been told before the Holocaust about the coming fate of Europe's Jews And Persico also provides a definitive answer to the perennial question Did FDR know in advance about the attack on Pearl Harbor By temperament and character no American president was better suited for secret warfare than FDR He manipulated compartmentalized dissembled and misled demonstrating a spymaster's talent for intrigue He once remarked I never let my right hand know what my left hand does Not only did Roosevelt create America's first central intelligence agency the OSS under Wild Bill Donovan but he ran spy rings directly from the Oval Office enlisting well placed socialite friends FDR was also spied against Roosevelt's Secret War presents evidence that the Soviet Union had a source inside the Roosevelt White House that British agents fed FDR total fabrications to draw the United States into war and that Roosevelt by yielding to Churchill's demand that British scientists be allowed to work on the Manhattan Project enabled the secrets of the bomb to be stolen And these are only a few of the scores of revelations in this constantly surprising story of Roosevelt's hidden role in World War II

The Secret War for the Middle East Youssef Aboul-Enein, 2013-10-15 It can be argued that the Middle East during the World War II has been regarded as that conflict's most overlooked theater of operations Though the threat of direct Axis invasion never materialized beyond the Egyptian Western Desert with Rommel's Afrika Korps this did not limit the Axis from probing the Middle East and cultivating potential collaborators and sympathizers These actions left an indelible mark in the socio political evolution of the modern states of the Middle East This book explores the infusion of the political language of anti-Semitism nationalism fascism and Marxism that were among the ideological byproducts of Axis and Allied intervention in the Arab world The status of British dominated Middle East was tailor made for exploitation by Axis intelligence and propaganda German and Italian intelligence efforts fueled anti British resentments their influence shaped the course of Arab nationalist sentiments throughout the Middle East A relevant parallel to the pan Arab cause was Hitler's attempt to bring ethnic Germans into the fold of a greater German state In theory as the Sudeten German stood on par with the Carpathian German so too according to doctrinal theory did the Yemeni stand in union with the Syrian in the imagination of those espousing pan Arabism As historic evidence demonstrates this very commonality proved to be a major factor in the development of relations between Arab and Fascist leaders The Arab nationalist movement amounted to nothing more than a shapeless fragmented counter position to British imperialism imported to the Arab East via Berlin for Nazi aspirations

Hilton, 1999-11-01 Published first in Brazil as *Su stica sobre o Brasil* this examination of the rise and fall of German espionage in that country spent months on the best seller list there and generated a national furor as former spies and collaborationists denounced it as a CIA ploy Here for the first time

**Secret War** Robin Denniston, 2016-08-04 The key part played by Winston Churchill in shaping the course of the Second World War is still of great interest to historians worldwide In the course of his research Robin Denniston has uncovered previously unknown files of diplomatic intercepts which show that Churchill's role in British foreign policy and war planning was far more significant than has hitherto been supposed Although neither a commander in chief nor a head of state he personally exerted considerable influence on British foreign policy to force Turkey into the Second World War on the side of the Allies This ground breaking book explores Churchill's use of secret signals intelligence before and during the Second World War and also sheds fresh light on Britain's relations with Turkey a subject which has not received the attention it deserves The book examines a little known plan to open a second front in the Balkans from Turkey across the eastern Mediterranean designed to hasten D Day in the west and reveals new information on the 1943 Cicero spy scandal the biggest Foreign Office security lapse until the Burgess and Maclean affair some twenty years later

*America's Secret War against Bolshevism* David S. Foglesong, 2014-02-01 From the Russian revolutions of 1917 to the end of the Civil War in 1920 Woodrow Wilson's administration sought to oppose the Bolsheviks in a variety of covert ways Drawing on previously unavailable American and Russian archival material David Foglesong chronicles both sides of this secret war and reveals a new dimension to the first years of the U S Soviet rivalry Foglesong explores the evolution of Wilson's ambivalent attitudes toward socialism and revolution before 1917 and analyzes the social and cultural origins of American anti Bolshevism Constrained by his espousal of the principle of self determination by idealistic public sentiment and by congressional restrictions Wilson had to rely on secretive methods to affect the course of the Russian Civil War The administration provided covert financial and military aid to anti Bolshevik forces established clandestine spy networks concealed the purposes of limited military expeditions to northern Russia and Siberia and delivered ostensibly humanitarian assistance to soldiers fighting to overthrow the Soviet government In turn the Soviets developed and secretly funded a propaganda campaign in the United States designed to mobilize public opposition to anti Bolshevik activity promote American Soviet economic ties and win diplomatic recognition from Washington

*Our Secret War* Thomas Marvin Johnson, 1929

**Serbia's Secret War** Philip J. Cohen, 1996 An entire piece of Serbian history is missing And in the middle of the latest Yugoslav war Europe's worst blood bath since World War II Serbian politicians propagandists and revisionist historians have made a cynical attempt at replacing the missing piece by rewriting the Holocaust record They claim that Serbs were not Nazi collaborators in genocide but purely victims of the same atrocities that befell the Jews and that Serbian aspirations for a Greater Serbia are not driven by a murderous nationalistic hatred but rather are propelled by a victim's

desire to lay claim to a safe homeland a Serbian Promised Land Thus has the current spilling of blood been justified Philip J Cohen argues that the existence of such a propaganda campaign emanating from Belgrade began in the earliest days of the post World War II era and since then has been reflected in the world media as well as in popular commentary and scholarly analysis More astonishing is that this campaign has been widely successful particularly in Israel Remarkable for its broad portrayal and penetrating examination of the Yugoslav social and political experience Serbia s Secret War draws heavily on documents that have been previously unavailable to the West Some of the written record has been translated and is published here for the first time Destined to be regarded as an important contribution to the field Cohen s careful study of the Serbian role in the Second World War will dramatically alter how scholars policy makers and the general public view the bloodshed in the former Yugoslavia and how they will come to understand the reasons behind it **The Secret War with Iran** Ronen Bergman,2008-09-09 For twenty six years Iran has waged an international terrorist war while the intelligence services of the West led by Mossad and the CIA have waged a relentless mostly clandestine counter jihad in return Though Iran has become a quietly looming threat little has been revealed about this intelligence based war Now Ronen Bergman Israel s leading reporter and analyst of intelligence affairs has written a full account of this secret war He connected the dots of the long history of Iranian backed terrorist attacks and revealed for the first time many classified operations against the Iranian terrorist network including details about collaborations between Israel s Mossad and the CIA and FBI thrilling Mossad operations the successful recruitment of top insiders of Iranian intelligence who have disclosed a wealth of information about Iran s nuclear program as well as it s terrorist activities and the use of ultra sophisticated surveillance equipment to penetrate and damage Iranian targets From the Iranian proxy Hizbollah s planning of terrorists attacks from apartments in New York City to Iran s training of an army of work Iraqi insurgents in the techniques of suicide bombing and the making of improvised explosive devises he showed Iran has steadily waged war against the West Secret War in Shanghai Bernard Wasserstein,2017-02-28 In this classic account Bernard Wasserstein draws on the files of the Shanghai Police as well as the intelligence archives of the many countries involved to provide the definitive story of Shanghai s secret war Bernard Wasserstein introduces the British American and Australian individuals who collaborated with the Axis powers as well as subversive warfare operatives battling the Japanese and one another At times both shocking and amusing this book lifts the lid on the bizarre underworld of the sin city of the Orient during its most enthralling period in history
