claimed that Jews were blind to the true meaning of scripture and had been abandoned by God the Kabbalists countered with a doctrine that granted Jews a uniquely privileged relationship with God Lachter demonstrates how Kabbalah envisioned this increasingly marginalized group at the center of the universe their mystical practices serving to maintain the harmony of the divine world For students of Jewish mysticism Kabbalistic Revolution provides a new approach to the development of medieval Kabbalah Yet the book s central questions should appeal to anyone with an interest in the relationships between religious discourses political struggles and ethnic pride
