Previously published by Moody Publishers as *Seven Life Principles for Every Woman*, Revised with added study guide. The Dead Secret Wilkie Collins, 2022-08-10 Wilkie Collins' *The Dead Secret* unfolds a riveting narrative steeped in mystery and suspense, emblematic of the Victorian fascination with the macabre. Set in the atmospheric English countryside, the story revolves around the haunting legacy of a mother's dying secret, which ultimately entangles the lives of its characters in unexpected ways. Collins masterfully employs a mix of gothic elements and psychological depth, weaving intricate plot twists with richly drawn characters, all within a serialized format that engages readers in a deep exploration of morality and deception. Collins, often regarded as a pioneer of the mystery genre, utilized his own experiences with the tensions of Victorian society to inform his writing. A close associate of Charles Dickens, Collins was acutely aware of the societal norms and constraints of his time, particularly regarding themes of familial obligation and the female experience. His intent in *The Dead Secret* was to challenge these societal mores while simultaneously providing suspenseful entertainment, reflecting his belief in the power of narrative to evoke both empathy and critique. For readers eager to delve into the intricacies of human nature and the shadows of societal expectations, *The Dead Secret* is an essential read. Collins' skillful storytelling not only entertains but also compels readers to reflect on the personal costs of secrets. This novel stands as a testament to Collins' craft, offering a compelling study for both enthusiasts of the mystery genre and scholars of Victorian literature. **The Secret Lives of Wives** Iris Krasnow, 2012-10-02 A bestselling groundbreaking author investigates wives who thrive, sharing their uncensored strategies for staying married.
