Secrets Of Mayan Science And Religion:

Secrets of Mayan Science/Religion Hunbatz Men,1990 An engaging study that reveals sacred teachings that the Mayan priesthood hid from Spanish conquistadores in Mexico in 1519 The author explores the scientific and spiritual principles underlying the ancient glyphs numbers and language of the Maya **Remember to Remember: the Mayan Mysteries** Carol E. Parrish-Harra Ph. D.,2011-10-28 Compilation and Insights Remember to Remember The Mayan Mysteries As told by a wisdom Teacher Awakening to Mythological thinking is difficult any time but to depart from institutional thinking and enter into the world of intuitive awareness is the opportunity of today This compilation and personal Insights to the Mayan Prophecies brings a new comprehension in Remember to Remember The Lost Mysteries as the known and unknown carry us toward a new height of understanding When one approaches the Maya Mysteries as parables and legends as well as calendars and mathematics a new doorway opens Beginning with the lost worlds of Lemuria and Atlantis we find ourselves caught up in the story of an empire that has left its impact An adventure a waits true but this glimpse of a future more creative and hopeful takes us to the wonders of a world unknown From a false belief of envisioning our native forefathers and mothers as primitive natives we gain an awesome recognition of the wonders of encoded hieroglyphs we move into respect and understanding through parables legends and oral teachings A major aspect of the authors perspective is to integrate the contribution of the Maya with other wisdom traditions Many of the lingering myths of questionable ideas are clearly included in the mythology of these people Terms avoided in the rational and intellectual community rest in the psyche of all America and as we stir these ideas come alive The goal of evolution is presented clearly in the unfolding of these long secreted concepts such as sky people hollow earth theory and others From spirit space to science religion we get an amazing understanding of what is in store for humanity at the close of the Ninth Hell Has Humanity achieved it goal or has it missed the mark **Llewellyn's Complete Book of Chakras** Cyndi Dale,2015-11-08 The Ultimate Guide to Chakras and Energy Systems As powerful centers of subtle energy the chakras have fascinated humanity for thousands of years Llewellyn s Complete Book of Chakras is a unique and empowering resource that provides comprehensive insights into these foundational sources of vitality and strength Discover what chakras and chakra systems are how to work with them for personal growth and healing and the ways our understanding of chakras has transformed throughout time and across cultures Lively and accessible this definitive reference explores the science history practices and structures of our subtle energy With an abundance of illustrations and a wealth of practical exercises Cyndi Dale shows you how to use chakras for improving wellness attracting what you need obtaining guidance and expanding your consciousness Praise In one thoroughly researched and beautifully written book you can learn what it took ancient seekers a lifetime to uncover Steven A Ross PhD CEO of the World Research Foundation and author of And Nothing Happened But You Can Make It Happen A shining constellation of timeless wisdom and brilliant insights on chakras This groundbreaking book is an essential conduit to whole

self healing Dr Deanna Minich founder of Food Spirit Expertly researched well written and easy to understand The go to guide for understanding subtle energy systems Madisyn Taylor bestselling author and editor in chief of DailyOM Cyndi s exploration of cross cultural systems is stunningly complete Very impressive Margaret Ann Lembo author of Chakra Awakening **Energetic Healing** Arnie Lade,1999-01-25 The healing power of our inner life force is explored in a concise and informative fashion Acorns: Windows High-Tide Foghat Joshua Morris,2013-01-23 Acorns delineates the future of humanity as a reunification of intellect with the Deep Self Having chosen to focus upon ego established securely by the time of Christ much more beta brain wave development will destroy our species and others which process has already begun We create our own realities through beliefs intents and desires and we were in and out of probabilities constantly Feelings follow beliefs not the other way around Atlantis and the Coming Ice Age Frank Joseph,2015-03-16 Reveals the parallels between the rise and fall of Atlantis cultures in ancient Mesoamerica and our modern civilization Links the demise of Atlantis with the birth of the Olmec civilization in Mexico the beginning of the first Egyptian dynasty and the start of the Mayan Calendar Reveals the Atlantean and Mayan prophecy of an eternal cycle of global creation destruction and renewal and how we are headed into a destructive phase Shows how ancient prophecies correlate precisely with the latest climatology studies the rising incidence of solar flares and papers from Pentagon and NASA analysts With the passing of the Mayan Calendar s end date we can now focus on the true significance of what the Maya and their predecessors were trying to convey to future civilizations Frank Joseph reveals how the Mayan prophecy symbolized by their calendar was created through the combined genius of Atlantis and Lemuria and predicts an eternal cycle of global creation destruction and renewal He shows how this cycle correlates precisely with scientific studies on glacial ice cores and predictions from the Hopi the Incas and the Scandinavian Norse as well as the visions of Edgar Cayce He links the demise of Atlantis with the birth of the Olmec civilization in Mexico the progenitors of the Maya the beginning of the first Egyptian dynasty and the start of the Mayan Calendar Drawing on the latest climatology studies and papers from Pentagon and NASA analysts he reveals that we are on the brink of a destructive phase in the global cycle of change as predicted by the Atlanteans and the Maya The world s current political economic and cultural deterioration is paralleled by unprecedented storms and record temperatures massive solar flares tectonic disturbances and fissuring sea floors that could release dangerous reservoirs of methane gas into the environment all of which signals we are headed into another ice age Despite the Atlanteans greater understanding of the cyclical nature of catastrophes and of the human role in them Joseph reveals the mistakes they made that played a crucial role in their civilization s destruction By recognizing the self destructive patterns of Atlantis in our own civilization we can learn from their mistakes to reestablish civilization s cosmic balance before time runs out **The Maya Book of Life** Michael Owen,2011-03 THE MAYA BOOK OF LIFE UNDERSTANDING THE XULTUN TAROT is the companion book to the Xultun Tarot Classic Edition It explores the archetypes and alchemy of the major arcana of the Xultun Tarot through

indigenous teachings and the analytical psychology of C G Jung and casts new light on the meaning of 2012 The Xultun Tarot was created by Peter Balin in 1976 based on images from Maya history and culture Taken from a single painting it is the only tarot deck where the major arcana form a complete picture This picture is a symbolic image of the alchemical marriage of spirit and matter and a map of what Jung called the individuation process Only 500 copies of the original Xultun Tarot were ever printed Now Kahurangi Press xultun.com has recreated this classic long out of print deck true to its original large size and vibrant colours together with a book that explains the profound symbolism of the cards Michael Owen is a clinical psychologist in private practice and author of Jung and the Native American Moon Cycles He lives in New Zealand 2012 Daniel Pinchbeck, 2007 Draws on cosmological phenomena of the modern world as well as the author's own research into shamanic and metaphysical belief systems to support the Mayan theory about an unprecedented global shift predicted for the year 2012 The 2012 Collection Daniel Pinchbeck, 2012-02-21 Now in the years beyond 2012 discover the true meaning behind the hype that captivated the world It should be no surprise to us now but the pomp surrounding the coming of the year 2012 that grasped the human race's attention in those preceding years was not at all about the end of the world Instead much to the contrary Daniel Pinchbeck believes that the passing of the year 2012 marked the beginning of a global shift in consciousness where the human race would begin to see the world and existence on this planet through a different lens embracing fresh ideas about who we are and what it means to be human Discover the true wisdom behind the 2012 phenomenon with these two captivating works by one of the leading minds in the movement both in one place for the first time and at one low price 2012 The Return of Quetzalcoatl Cross James Merrill H P Lovecraft and Carlos Castaneda each imbued with a twenty first century aptitude for quantum theory and existential psychology and you get the voice of Daniel Pinchbeck And yet nothing quite prepares us for the lucidity rationale and informed audacity of this seeker skeptic and cartographer of hidden realms Throughout the 1990s Pinchbeck had been a member of New York's literary select He wrote for publications such as The New York Times Magazine Esquire and Harper's Bazaar His first book Breaking Open the Head was heralded as the most significant on psychedelic experimentation since the work of Terence McKenna But slowly something happened Rather than writing from a journalistic remove Pinchbeck his literary powers at their peak began to participate in the shamanic and metaphysical belief systems he was encountering As his psyche and body opened to new experience disparate threads and occurrences made sense like never before Humanity every sign pointed is precariously balanced between greater self potential and environmental disaster The Mayan calendar's end date of 2012 seems to define our present age It heralds the end of one way of existence and the return of another in which the serpent god Quetzalcoatl reigns anew bringing with him an unimaginably ancient yet to us wholly new way of living A result not just of study but also of participation 2012 tells the tale of a single man in whose trials we ultimately recognize our own hopes and anxieties about modern life Toward 2012 Perspectives on the Next Age An informed challenging and engaging collection of essays on the

new choices in lifestyles and community as we begin the countdown toward the year 2012 This fresh and thought provoking anthology draws together some of today s most celebrated visionaries thinkers and pioneers in the field of evolving consciousness exploring topics from shamanism to urban homesteading the legacy of Carlos Castaneda to Mayan predictions for the year 2012 and new paths in direct political action and human sexuality Toward 2012 highlights some of the most challenging intelligent pieces published on the acclaimed website Reality Sandwich It is coedited by Daniel Pinchbeck the preeminent voice on 2012 and online pioneer Ken Jordan and features original works from Stanislav Grof John Major Jenkins and Paul D Miller DJ Spooky interviews with Abbie Hoffman and artist Alex Grey and a new introduction by Pinchbeck Here are ideas that trace the arc of our evolution in consciousness lifestyles and communities as we draw closer to a moment in time that portends ways of living that are different from anything we have expected or experienced *The Land of Osiris* Stephen S. Mehler, 2002-03 Was there a advanced prehistoric civilization in ancient Egypt Who were the people who built the great pyramids and carved the Great Sphinx Did the pyramids serve as energy devices and not as tombs for kings Independent Egyptologist Stephen S Mehler has spent over 30 years researching the answers to these questions and believes the answers are Yes An indigenous oral tradition still exists in Egypt and Mehler has been able to uncover and study it with the help of a living master of this tradition Abd1El Hakim Awyang He has also been given permission to share these teachings presented heretofore in fragments by other researchers to the Western World teachings that unfold a whole new understanding of ancient Egypt Publisher s description *The Complete Idiot's Guide to 2012* Synthia Andrews, Colin Andrews, 2008 In the year 2012 there will be a presidential election in Finland on January 15 the opening ceremony of the Summer Olympic Games will begin in London at 7 30 p m UTC on July 27 there will be 7 billion people living on Earth on October 19 according to the U S Census Bureau and on December 21 the Mesoamerican Long Count calendar referred to more familiarly as the Mayan calendar will complete its thirteenth cycle and based on all of these events according to the Mayan belief system the world will come to an end If you don t believe the Mayans you can check in with The Bible Code which predicts a meteor asteroid or comet will collide with the Earth The Nostradamus Code which opts for a possible nuclear war or some other natural or man made destruction or The Orion Prophecy which claims there will be a reversal of the Earth s magnetic field Pick your poison no matter what happens we re all toast Or maybe not maybe the year 2012 is just a new opportunity the dawning of a new age where we ll all get a shot at a second chance and can opt to get things right this time Could 2012 bring us good things instead of bad The Complete Idiot s Guide to 2012 gives readers a look at what the Mayan prophecy is all about what it means to them and much more The Cosmic Calendar revealed and how the ancient Egyptians the Bible the Koran Nostradamus Edgar Cayce and other sources all refer to an end time in 2012 Global warming and climate change and how the Mayans predicted them Your own personal journal and the tools you ll need to survive into the 6th Age After 2012 the end of the world or a Golden Age to come Glossary of terms and symbols resources for a changing

world and exercises to assist you in your journey **I Ching** Michael Drake,2010-10-22 In this user friendly interpretation of the I Ching Michael Drake presents drumming as a revolutionary way to approach the ancient Chinese oracle A blending of shamanic drum ways and Taoist philosophy I Ching The Tao of Drumming provides for the first time the rhythmic structure of the 64 hexagrams or potential human situations Drum patterns derived from the hexagram images conduct the essence of each category of experience into a resonating current giving it physical mental and spiritual impulse Through the natural law of resonance the drummer then embodies the qualities necessary to effect change or harmonize with change in any given situation With clear explanations of each of the 64 hexagrams along with concise instructions and illustrations the author reveals how fate can be shaped through drumming these simple rhythms Whether an accomplished percussionist or a total beginner the drummer can effortlessly create and change experience and help others do the same *The Hidden Maya* Martin Brennan,1998 This work explains how Plains Indians used handsigns as symbols for communication and that the graphic signs derived from hand gestures played an important role in the development of writing The author deciphers Maya inscriptions to reveal their hidden messages Time and the Technosphere José Argüelles,2002-08-03 A groundbreaking study that distinguishes the natural time of the cosmos from artificial mechanistic time Reveals September 11 as the signal of the end of artificial time according to the Law of Time Long awaited sequel to the author s bestselling book The Mayan Factor Explains the Great Calendar Change of 2004 and its enormous potential for the future of humanity In Time and the Technosphere Jos Arg elles presents a groundbreaking study that distinguishes the natural time of the cosmos from the artificial mechanistic time under which we currently live Arg elles defines the actual nature of time as the frequency of synchronization Applying this Law of Time to an understanding of the entire system of life on Earth he shows that in order to not destroy Earth s ability to sustain life we must change our definition of time and adopt a natural harmonic calendar based on the 13 moon 28 day cycle Until the creation of the Gregorian calendar and the 60 minute hour most of humanity lived by the 28 day cycle of natural time The adoption of artificial time has subjected us to a 12 60 time frequency that governs the entire global industrialized civilization the technosphere With the collapse of the Twin Towers on September 11 a fissure was created in this artificial technosphere opening up the noosphere Earth s mental envelope Humanity has a golden opportunity to leave the strife of the past and enter a time of peace by adopting a harmonious natural calendar that will repair the damages caused by the irregular tempo of technospheric time Our last best chance to adopt this natural time and step into the bright new future promised by the galactic shift of 2012 is the Great Calendar Change of 2004 a new discovery based on the author s mathematical research into the Mayan calendar first begun in his landmark work The Mayan Factor In Time and the Technosphere Arg elles reveals the clear distinction between third dimensional astronomical time and the fourth dimensional synchronic order of the Law of Time which holds enormous potential for the future of humanity The 8 Calendars of the Maya Hunbatz Men,2009-12-29 Mayan daykeeper Hunbatz Men reveals the multi calendar system of the

Maya that guided the lives of his ancestors and how it can guide us today The first book to reveal the secrets of the Mayan Pleiades calendar the Tzek eb Explains how the Maya used their astronomical knowledge to guide their lives on Earth The Mayan Calendar has taken on special prominence with the imminent arrival of 2012 a date that many claim is the end of that calendar However as Mayan elder and daykeeper Hunbatz Men shows the cosmological understanding of his ancestors was so sophisticated that they had not one but many calendars each based on the cycles of different systems in the cosmos In this book he reveals for the first time the Tzek eb or Pleiades Calendar of 26 000 years which charts the revolution of our solar system around Alcyone the central star of the Pleiades system He also discusses the K uuk ulcan Calendar of the 4 seasons of the solar year and the wheel of the K altunes Calendar which is composed of 13 cycles of 20 years each that form a calendar of 260 years In traditional Mayan culture the computation of time was not determined by simple economic or social motives The calendars served the higher purpose of synchronizing the lives of human beings and their societies to the great cosmic pulsation to the rhythm of the annual seasons and to the other cycles that dictate changes upon Earth Mayan understanding of the cosmic cycles was so exact that this knowledge could be used to influence all stages of life from planning when to conceive parents could choose not only the sex of their child but its vocation and future destiny to plotting out the course of the entire society Pyramids played a crucial role in applying this wisdom because as Hunbatz Men shows they were able to produce and transform energy in accordance with the cosmic cycles charted by the calendars This book reveals for the first time the wisdom of the multi calendar Mayan system and how it can help guide our modern world **Ignite: A Decolonial**

Approach to Higher Education Through Space, Place and Culture Laura M. Pipe, Jennifer T. Stephens, 2023-05-09 Social justice frameworks and pedagogical practice have become popular concepts within educational settings However these approaches stop short of the direct action required for true social change and often overlook the impacts and importance of space place and culture in the learning process Through an exploration of justice forward approaches that call for a blend of equity and culturally responsive pedagogies with experiential approaches to learning this edited book will examine the process of unlinking colonizing structures from teaching and learning through honoring the context of space place and culture in the learning process Framed by the Toward a Liberated Learning Spirit TALLS Model for Developing Critical Consciousness this book will be of interest to students scholars and researchers in higher education as well as critical and cultural studies apart from program administrators and educators Ignite a Decolonial Approach to Higher Education Through Space Place and Culture will carry the reader through a learning process beginning with academic detachment and moving through a process of unlearning toward embodied liberation *Sojourns of the Soul* Dana Micucci, 2012-12-19 Sojourns of the Soul differs from other inspirational travel books by providing a rare mix of in depth wisdom and literary insights from the holistic view of one experienced female traveler Dana Micucci gives a compelling account of her growing spiritual illumination through visits to some of the most sacred places on earth Her lively engaging narrative takes us to

seven sites in all the Australian outback Angkor in Cambodia the Valley of the Kings in Egypt Lhasa in Tibet Chichen Itza in the Yucatan the Monastery of Christ in the Desert in New Mexico and Machu Picchu in Peru Micucci links each visit with the awakening of a particular chakra the chakras being the seven energy centers of the body associated in Hinduism with progressive enlightenment In the afterword she reflects on how her experiences continue to shape her life after resuming her career as a journalist in New York City she finds she is more tolerant can engage in daily activities with more heart centered awareness and can sustain states of joy and gratitude for longer periods of time The book will be a page turner for readers who yearn for long delayed adventure with the added benefit that it is not just a journey log but more of a seeker s manual travel is simply the vehicle Readers will find that they don t have to travel to far flung places for the spiritual inspiration available in their everyday lives As Micucci says Each day brings new remembrances of our divinity of the Divine presence in all beings and of our eternal connection to each other I am so grateful to be here NOW with you *Sourcebook of the World's Religions* Joel Beversluis, 2011-02-08 Now in its third edition this is the most comprehensive work available on the rich variety of paths available to today s spiritual seekers More than an academic reference it explores how religions can collaborate to help the world Essays exploring the realm of building an interfaith community add to the book s detailed portraits of the major religious traditions The Sourcebook also contains essays on spiritual practices as diverse as theosophy wicca and indigenous religions This revised edition of the Sourcebook offers an unparalleled look at where spirituality is headed in the coming millennium Lost Cities of North & Central America David Hatcher Childress, 1992 Search for lost Mayan cities and books of gold discover an ancient canal system in Arizona climb gigantic pyramids in the Midwest explore megalithic monuments in New England and join the astonishing quest for the lost cities throughout North and Central America Amazon.com **THE WOMAN WHO DREAMS HERSELF** Pamela A. Field, 2010-12-29 This book is a combination of discoveries made during fifteen years of leading women s workshops patterns observed while offering hundreds of individual healing sessions and an exploration of native prophecies The Woman Who Dreams Herself is a guide for understanding and awakening the feminine to restore balance on an individual societal and planetary level
