**Happily Ever After** Gary Chapman, 2011-12-09. My husband and I can't seem to agree on anything. You spent how much? My wife's parents are driving me crazy. You never listen to me. Let's face it: even the best of marriages hit an occasional bump in the road, now and then. The secret to marital bliss lies in how you and your spouse handle those bumps. In *Happily Ever After*, Gary Chapman, the man who wrote the book on how to communicate with your spouse, shows couples how to successfully navigate the six most common problems that couples face: fighting fair, negotiating change, managing money, getting along with your in-laws, raising kids, and maintaining a healthy sex life. Drawing on more than 30 years of counseling experience, Dr. Chapman provides real-world examples and practical, battle-tested advice that will help you and your spouse better understand and communicate with each other, as well as grow as a couple for many years to come.

The author explores significant periods in the development of the genre, including the origins of Archie Comics and other teen publications, the romance comic boom and bust of the 1950s, and their sudden disappearance when fantasy and superhero comics began to dominate in the late 1970s.
