The Secret Doctrine H.P. Blavatsky,1917 *The Secret Doctrine* H. P. Blavatsky,2011-05-19 A three volume synthesis of science religion and philosophy by one of the nineteenth century's most controversial spiritualists *The Secret Doctrine: Occultism* Helena Petrovna Blavatsky,1897 **The Secret Doctrine: The Synthesis of Science, Religion, and Philosophy (Complete)** Helena Petrovna Blavatsky,2020-09-28 Since the appearance of Theosophical literature in England it has become customary to call its teachings Esoteric Buddhism And having become a habit as an old proverb based on daily experience has it Error runs down an inclined plane while Truth has to laboriously climb its way up hill Old truisms are often the wisest The human mind can hardly remain entirely free from bias and decisive opinions are often formed before a thorough examination of a subject from all its aspects has been made This is said with reference to the prevailing double mistake a of limiting Theosophy to Buddhism and b of confounding the tenets of the religious philosophy preached by Gautama the Buddha with the doctrines broadly outlined in Esoteric Buddhism Any thing more erroneous than this could hardly be imagined It has enabled our enemies to find an effective weapon against Theosophy because as an eminent P li scholar very pointedly expressed it there was in the volume named neither Esotericism nor Buddhism The esoteric truths

presented in Mr Sinnett's work ceased to be esoteric from the moment they were made public nor did the book contain the religion of Buddha but simply a few tenets from a hitherto hidden teaching which are now explained and supplemented by many more in the present volumes And even the latter though giving out many fundamental tenets from the Secret Doctrine of the East raise but a small corner of the dark veil For no one not even the greatest living Adept would be permitted to or could even if he would give out promiscuously to a mocking unbelieving world that which has been so effectually concealed from it for long on and ages Esoteric Buddhism was an excellent work with a very unfortunate title though it meant no more than does the title of this work The Secret Doctrine It proved unfortunate because people are always in the habit of judging things by their appearance rather than by their meaning and because the error has now become so universal that even most of the Fellows of the Theosophical Society have fallen victims to the same misconception From the first however protests were raised by Brahmans and others against the title and in justice to myself I must add that Esoteric Buddhism was presented to me as a completed volume and that I was entirely unaware of the manner in which the author intended to spell the word Budhism

The Secret Place Dr. Andrew Babu, 2017-10-19 Do you want to enjoy a life of abiding in the presence of God Christian life should be the most exciting life on earth You have received eternal life and the God who created the heavens and the earth Himself becomes your Father Because of this every day you should be buzzing with life Yet this is not the reality to many Christians Why What is it that we are missing The purpose of the creation of man is to have fellowship with the Father Jesus Christ came and died for our sins so that this fellowship which was broken by sin would be restored Through Christ one comes into relationship with God However very few have intimate fellowship with the Father This is mostly because of ignorance of the finished work of Jesus Christ The invitation to come into the presence of the Father is open to all yet taken by few In this book Andrew Babu tackles some of the hindrances that prevent us from enjoying fellowship with the Father This book will free you from the yoke of religious bondage and liberate you into the open spaces of God's grace

Gerhard Larsson,2023-08-14 **Driven by Prayer** Bernie Moore,2024-12-27 How can our lives be driven by prayer This conundrum plagued even those who were closest to Jesus The question the disciples asked Him was not Teach us to start a church or Teach us how to sustain or grow a ministry They didn't ask Him to teach them how to put together great messages or how to be successful communicators They were not interested in any of those things until they had asked Him the most important thing Teach us to pray They knew it was one of the greatest strengths He could pass on to them Many Christians neglect the power of prayer in their daily lives and fail to tap into its ability to impact the world In Bernie Moore's latest book Driven by Prayer you will be guided through the Bible to recognize the stories of those whose prayers changed everything God sees His people intimately and desires to converse with His children constantly Prayer is the secret that allows us to discover the treasures hidden in the heart of God Discover the ultimate key to tackling all of life's issues and creating a peaceful environment in any and every situation through the simple act of prayer
