Eduardo Pérez Murcia,2025-09-01 Advancing contemporary scholarly debates on the role of home in understanding
displacement and emplacement A Long Journey Home explores powerful personal narratives from Colombia The book
examines the experiences of those whose sense of home has been disrupted by decades of conflict and violence It highlights
the profound feelings of loss and the enduring struggle of living without a home an experience that can last for years or even
decades Through these stories the book reveals how internally displaced people use creativity and imagination to remake
their home while on the move **The Long Journey Home from Dak To** Warren M. Denny,2003-08-03 The author
fanaticized about combat and played war games in his youth War is not a game Combat wasn't this fantasy for him in real life
This book tells the story of a Kansas boy who grew up quickly serving as a combat platoon leader in the Vietnam War It
shares his exploits with A Company 4 503 173 Airborne Brigade His platoon was very unlucky in the June November 1967
campaign as the Fire Brigade took on the NVA in Dak To His actions are reported in at least two documentary books dealing
with individual firefights in the Central Highlands during that period This is the unpolished truth about the brutal war and
how really futile it was to go toe to toe against a better prepared army and survive The author gives unembellished reports of
what his unit experienced and backs it up with the Battalion After Action Reports He acknowledges he is alive today only
because of superior tactical air support and artillery firepower This book gives an entirely different viewpoint than most
books authored by Vietnam veterans While his observations may be controversial to some vets it reflects the author's
objective opinion of what he experienced there [East to West across Russia: The Long Journey Home](#) Daniel C.A.
