A Long Life's Work Archibald Geikie, 2012-04-26 The final work 1924 of this influential geologist traces his career in the readable style for which he was famous

Memoirs of Eighty Years Thomas Gordon Hake, 2019-12-19 In *Memoirs of Eighty Years* Thomas Gordon Hake compiles a rich tapestry of personal narratives that traverse the historical and cultural landscapes of the 19th century. Written with a reflective and contemplative literary style, Hake intricately weaves the threads of his life experiences with broader societal commentaries illustrating the complexities of Victorian society. The memoir serves not only as a historical document but also as a fascinating introspection on the human condition, capturing the essence of an era marked by profound transformation and personal evolution. Hake, an accomplished poet and writer, was deeply influenced by the tumultuous events surrounding him, including the development of industrialization and the shifting societal norms of his time. His diverse background and various encounters with notable contemporaries lend authenticity and depth to his reflections. Drawing from both his professional and personal life, Hake's insights present a uniquely subjective lens through which readers might understand both the individual and collective psyche of his era. *Memoirs of Eighty Years* is highly recommended for readers who appreciate historical memoirs that delve into both the minutiae of daily life and the grand narratives of society. Hake's eloquence and keen observations will resonate with historians, literary enthusiasts, and anyone interested in the personal stories that give texture to our understanding of the past.

Psychoanalytic Memoirs Jeffrey Berman, 2022-11-17 The first book-length study of the psychoanalytic memoir, this book examines key examples of the genre, including Sigmund Freud's mistitled *An Autobiographical Study*, Helene Deutsch's *Confrontations with Myself*, an Epilogue, Wilfred Bion's *War Memoirs* (1917, 1919), Masud Khan's *The Long Wait*, Sophie Freud's *Living in the Shadow of the Freud Family*, and Irvin D. Yalom and Marilyn Yalom's *A Matter of Death and Life*. Offering in each chapter a brief character sketch of the memoirist, the book shows how personal writing fits into their other work, often demonstrating the continuities and discontinuities in an author's life as well as discussing each author's contributions to psychoanalysis, whether positive or negative.

Memoir of the Rev. John Watson, Pastor of the Congregational Church, Musselburgh, etc. William Lindsay ALEXANDER, 1845

Biographical Dictionary of British Generals of the Second World War Nicholas Smart, 2005-10-19 The six years of prolonged world-wide conflict spawned some 340 serving generals in the British Army. A number are household names: Montgomery, Slim, Wavell, and others well known to historians. Horrocks, Dempsey, Leese. But the vast majority are forgotten except by their families and regiments. Yet there were a number of extraordinary characters ranging from highly competent to downright inadequate. The Author has researched and written entries on all, varying in length according to the subject's importance.
