**Taking the Long View** David Steinmetz,2011-10-05 Church historian and op ed writer David Steinmetz examines problems in the present by using the perspective the past affords primarily though not exclusively the church s past *The Force Is with You Always!* Richard Koepke,2011-02-16 This book teaches people how Spirit operates directly in our lives today and what we must do to live life to the fullest and with malice toward none It teaches spiritual principles on how to live life with gratitude acceptance joy abundance and wellness It connects us with our eternal being within and encourages us to create our own soul music without Have we lost our way as a society In the wake of humans murdering over 100 million other humans in the past century many of us are seeking answers to the ever increasing cultural violence surrounding us From capital punishment to going postal we live in a very violent society Hardly a day passes without news of government torture prisons drive by shootings a ten year old boy murdering his father or a congresswoman being shot in the head Shocking revelations such as American government doctors using unsuspecting American citizens as human guinea pigs for decades of medical experiments further alienate the government from the people that they are supposed to serve It seems to me that we need a new vision of humanity that our faltering institutions have failed to provide I believe that we need to replace institutional blight with greater spirituality We need a new spirit of integrity that replaces the often deceitful and violent leadership we currently embrace We need to challenge the don t get mad get even mentality in our society with greater understanding for one another We need to be role models for positive reinforcement learning rather than the punishment that only teaches more violence and hatred and like the Montagues and Capulets the never ending need to seek revenge This book addresses how to live a life of health and wellness in the midst of a truly sick society **Where are you from?** Ulla Dentlinger,2016-10-01 Print eBook Language English 150 pages Illustrations map Vol 12 2016 ISSN 1660 9638 ISBN Print 978 3 905758 79 5 Ulla Dentlinger Where are you from Playing White under Apartheid My family did the

unthinkable after getting away with playing white for some years we went one step further and jumped the colour line By various obscure and not well documented processes we changed our racial classification from coloured as defined by the apartheid policy of the day to that of white The price we paid was anguish constant fear of detection and a sacrifice of family connectedness The decades long process of becoming completely comfortable with my ultimate identity was psychologically so unnerving that I have only recently felt free to talk about it This is certainly the first time I have ever written about it With these words the fascinating story of Ulla Dentlinger s life history begins Growing up in poor rural Apartheid Namibia in the early 1950s Ulla Dentlinger soon learns that her parents are not prone to reminisce about their family s past The most mundane information about their background is guarded much like a state secret As a child she begins to panic at being asked the question so normal to others Where are you from Only in later years it dawns on her that she had to be a Coloured The sense of conflict increases incrementally Nonetheless after living in Namibia for the first six years of her life she grows up in a white area in Cape Town goes to a white school and bears herself in a German fashion She has in fact jumped the colour line Returning to southern Africa in the 1990s she now openly pursues investigations into her family background Ulla Dentlinger portrays some of her relatives and their intimate painful or straightforward stories as well as her own emotional realisation about her enriching heritage
