mathematical introduction to recent and ongoing research that has illuminated the physical conditions necessary for our universe to support structure and life The primary focus is on particle and nuclear physics and cosmology which have exposed the fine tuning and imperfections vital for a habitable universe      **Kill Anything That Moves** Nick

Turse,2013-01-15 Based on classified documents and interviews argues that American acts of violence against millions of Vietnamese civilians during the Vietnam War were a pervasive and systematic part of the war      **Gay Midlife and**

**Maturity** John Alan Lee,1991 Aging is stressful for anyone in youth oriented Western societies Elderly people encounter difficulties and discrimination sometimes because of reduced income transportation and housing problems and failing health but often due to the persistent negative stereotypes that color others attitudes and behavior toward old people Gay men and lesbians experience these stresses as well as the numerous additional problems associated with their sexual orientation Gay Midlife and Maturity is a dynamic and positive volume that challenges the long held stereotype of the sad and lonely old homosexual A growing body of international literature much of which is featured in this book rejects this myth and illustrates that older gay men and lesbians cope well with the aging process and are comparable to younger homosexuals in social and psychological adjustment A much needed and major contribution Gay Midlife and Maturity contains an enormous amount of information for readers interested in gerontology and homosexuality Experts for the first time examine the relationship between the adjustment of gay people to later life and the age and sequence of the resolution of these typically early developmental processes raising many questions about traditional theories of gay development The existing contradictions and debates about gay men and accelerated aging are addressed Other valuable chapters focus on a theory of successful aging a comparison of the traditional gay community pre Stonewall versus the organized gay community the vital role of communication in gay relationships the sexual attitudes and behaviors of older gay men and much more Additional interesting and worthwhile chapters of this thought provoking new book include an in depth interview with Don Bachardy about his 33 year relationship Christopher Isherwood a renowned English writer who was 30 years his senior and a review of the growing literature on gay aging      **"To Everything There is a Season"** Allan M. Winkler,2009-05-21 Author or

coauthor of such legendary songs as If I Had a Hammer Where Have All the Flowers Gone and Turn Turn Turn Pete Seeger is the most influential folk singer in the history of the United States In To Everything There Is a Season Pete Seeger and the Power of Song Allan Winkler describes how Seeger applied his musical talents to improve conditions for less fortunate people everywhere This book uses Seeger s long life and wonderful songs to reflect on the important role folk music played in various protest movements of the twentieth century A tireless supporter of union organization in the 1930s and 1940s Seeger joined the Communist Party performing his songs with banjo and guitar accompaniment to promote worker solidarity In the 1950s he found himself under attack during the Red Scare for his radical past In the 1960s he became the minstrel of the civil rights movement focusing its energy with songs that inspired protestors and challenged the nation s patterns of racial

discrimination Toward the end of the decade he turned his musical talents to resisting the war in Vietnam and again drew fire from those who attacked his dissent as treason Finally in the 1970s he lent his voice to the growing environmental movement by leading the drive to clean up the Hudson River The book seeks to answer such fundamental questions as What was the source of Seeger's appeal How did he capture the attention and affection of people around the world And why is song such a powerful medium Richly researched and crisply written To Everything There Is a Season Pete Seeger and the Power of Song is an ideal supplement for U S history survey courses as well as twentieth century U S history and history of American folk music courses To purchase Pete Seeger songs discussed in the text visit the following link for an iTunes playlist compiled by Oxford University Press <http://itunes.apple.com/WebObjects/MZStore.woa/wa/viewIMix?id=375976891>
