Longest Battle The War At Sea 1939 45:

The Longest Battle Richard Hough, Richard Alexander Hough, 1986 The Longest Battle Richard Hough, 1987 The Longest Battle Richard Hough, 2021-10-21 This is the story of the greatest naval conflict in history The Second World War demanded more of its sailors than any other war in history in endurance and unremitting need to face danger danger from increasingly lethal weapons and an ever increasing need for vigilance by day and night The war at sea the longest battle of the Second World War never ceased From the Arctic Circle to the Pacific the enemy threat was ever present on the surface in the skies and lurking beneath the waves In this comprehensive and compelling history Richard Hough brings the titanic struggle to life Using personal accounts from veterans of all sides his book tells the story of the Second World War at sea including the Battle of the Atlantic and the U boat menace the infamy of Pearl Harbor the American triumph at Midway naval operations in support of D Day and the greatest naval battle of all time Leyte Gulf The definitive book about naval power in the Second World War Richard Hough s masterpiece is essential reading for followers of Max Hastings and James Holland We are in Richard Hough s debt New York Times Utterly absorbing Financial Times *Naval Warfare 1919-45* Malcolm H. Murfett, 2008-11-04 Naval Warfare 1919 45 is a comprehensive history of the war at sea from the end of the Great War to the end of World War Two Showing the bewildering nature and complexity of the war facing those charged with fighting it around the world this book ranges far and wide sweeping across all naval theatres and those powers performing major as well as minor roles within them Armed with the latest material from an extensive set of sources Malcolm H Murfett has written an absorbing as well as a comprehensive reference work He demonstrates that superior equipment and the best intelligence ominous power and systematic planning vast finance and suitable training are often simply not enough in themselves to guarantee the successful outcome of a particular encounter at sea Sometimes the narrow difference between victory and defeat hinges on those infinite variables the individual s performance under acute pressure and sheer luck Naval Warfare 1919 45 is an analytical and interpretive study which is an accessible and fascinating read both for students and for interested members of the general public *Burma 1942* Alan Warren, 2011-12-01 In December 1941 Japan set out to seize South East Asia and the western Pacific to complete the building of a self sufficient empire The rapid loss of all of Britain s possessions in the Far East was the culmination of a failed attempt to deal with the rise of Japanese imperialism Britain s bluff was called and millions of Britain s protected subjects in Asia fell into the hands of a brutal occupying power The British fought the Second World War in Burma and India against the backdrop of nationalist unrest and revolt The appalling Bengal famine of 1943 brought about by the loss of Burma s rice crop and the dislocation of government would cause the deaths of many Alan Warren provides a new study of the series of battles that made up the Burma campaign including first hand accounts of the conflict and a fresh examination of the armies and commanders of the major combatants Burma 1942 powerfully demonstrates how victory or defeat in particular battles altered the trajectory of the conflict affecting the lives of
