N. Chevalier,2020-05-15 Book Delisted Normandiefront Vince Milano,Bruce Conner,2011-10-21 In the cold morning of June 6 1944 thousands of German soldiers are in position from Port en Bessin eastwards past Colleville on the Normandy coast aware that a massive invasion force is heading straight for them According to Allied Intelligence they shouldn t be there 352 infantry division would ensure the invaders would pay a massive price to take OMAHA beach There were veterans from the Russian front amongst them and they were well trained and equipped The presence of 352 Division meant that the number of defenders was literally double the number expected and on the best fortified of all the invasion beaches What makes this account of the bloody struggle unique is that it is told from the German standpoint using firsthand testimony of German combatants There are not many of them left and these accounts have been painstakingly collected by the authors over many years **THE CORNER** Xiaolu,2023-12-12 There are a total of 30 short stories in this collection divided into three parts The first part is named after my early award winning novel Lao Han s Pizzeria The stories in this part are generally about the lives of new and old Chinese immigrants and students in the United States which may be joyful sad or satirical The second part is basically the work I wrote after I became a lawyer with the part title Prison Visitation The stories in this part are mainly based on the people and matters I have represented as a lawyer of course the names are all fictitious

These stories mainly write about some Chinese new immigrants struggles legal troubles confusion and helplessness in the U S The third part is a group of mini fictions with my award winning work Age Issue as the part title The mini fictions in this part are mostly humorous or satirical descriptions of the life dilemmas of new and old Chinese immigrants in the new cultural environment There are no heroes no gladiators no politicians and no celebrities What you will read here is about the people we meet the things we witness and the emotions we experience every day in this country as immigrants
