

Lou Henry Hoover Activist First Lady Modern First Ladies

James G. Benze

Lou Henry Hoover Activist First Lady Modern First Ladies:

Lou Henry Hoover Nancy Beck Young, 2004 This first thoroughly researched appraisal of Hoover's tenure as first lady 1929 1933 argues that she was the first modern presidential wife because of her use of radio adoption of social causes and public activism outside White House traditions Lou Henry Hoover Nancy Beck Young, 2016-02-19 Although overshadowed by her higher profile successors Lou Henry Hoover was in many ways the nation s first truly modern First Lady She was the first to speak on the radio and give regular interviews She was the first to be a public political persona in her own right And although the White House press corps saw in her old fashioned wifehood she very much foreshadowed the new woman of the era Nancy Beck Young presents the first thoroughly documented study of Lou Henry Hoover's White House years 1929 1933 showing that far from a passive prelude to Eleanor Roosevelt she was a true innovator Young draws on the extensive collection of Lou Hoover's personal papers to show that she was not only an important First Lady but also a key transitional figure between nineteenth and twentieth century views on womanhood Lou Hoover was a multifaceted woman a college graduate a lover of the outdoors a supporter of Girl Scouting and a person engaged in social activism who endorsed political involvement for women and created a program to fight the Depression Young traces Hoover's many philanthropic efforts both before and during the Hoover presidency contrasting them with those of her husband and places her public activities in the larger context of contemporary women's activism And she shows that unlike her predecessors Hoover did more than entertain she revolutionized the office of First Lady Yet as Young reveals Hoover was constrained as First Lady by her inability to achieve the same results that she had previously accomplished in her very public career for the volunteer community As diligently as she worked to combat the hardship of the Depression for average Americans by mobilizing private relief efforts her efforts ultimately had little effect Although her celebrity has paled in the shadow of her husband s negative association with the Great Depression Lou Hoover's story reveals a dynamic woman who used her activism to refashion the office of First Lady into a modern institution reflecting changes in the ways American women lived their lives Young's study of Hoover's White House years shows that her legacy of innovation made a lasting mark on the office and those who followed

First Ladies Dorothy Schneider, Carl J. Schneider, 2010 A biographical dictionary profiling first ladies of the United States from Martha Washington to Michelle Obama First Ladies and American Women Jill Abraham Hummer, 2017-03-17 Unelected but expected to act as befits her office the first lady has what Pat Nixon called the hardest unpaid job in the world Michelle Obama championed military families with the program Joining Forces Four decades earlier Pat Nixon traveled to Africa as the nation s official representative And nearly four decades before that Lou Hoover took to the airwaves to solicit women s help in unemployment relief Each first lady has in her way been intimately linked with the roles rights and responsibilities of American women Pursuing this connection First Ladies and American Women reveals how each first lady from Lou Henry Hoover to Michelle Obama has reflected and responded to trends that marked and unified her time

Jill Abraham Hummer divides her narrative into three distinct epochs In the first stretching from Lou Hoover to Jacqueline Kennedy we see the advent of women s involvement in politics following women s suffrage as well as pressures on family stability during depression war and postwar uncertainty Next comes the second wave of the feminist movement from Lady Bird Johnson's tenure through Rosalyn Carter's when equality and the politics of the personal issues prevailed And finally we enter the charged political and partisan environment over women's rights and the politics of motherhood in the wake of the conservative backlash against feminism after 1980 from Nancy Reagan to Michelle Obama Throughout Hummer explores how background personality ambitions and her relationship to the president shaped each first lady s response to women in society and to the broader political context in which each administration functioned and how in turn these singular responses reflect the changing role of women in American society over nearly a century A Companion to First Ladies Katherine A.S. Sibley, 2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these important women in U S history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady Michelle Obama and the FLOTUS Effect Heather E. Harris, Kimberly R. Moffitt, 2019-10-29 The FLOTUS Effect emphasizes the import of agency on the part of Michelle Obama in relation to her politics as evidenced in her positionality and presence as the first African American woman to serve as First Lady of the United States of America Her occupation of a previously white space and place tended to frame her as an enigma in the American mind and media Contributors reflect on Mrs Obama s eight years in her ceremonial position and the ways she chose to uniquely embody her role Hence the result is a volume that speculates upon her evolving legacy and the likely effects of what it meant to be the first African American woman to serve in the ceremonial yet powerful role of FLOTUS

Modern First Ladies Nancy Kegan Smith, Mary C. Ryan, 1989 First Lady Florence Harding Katherine Amelia Siobhan Sibley, 2009 Turning to primary sources others have overlooked Sibley challenges the cliches about Florence Harding s time in the national spotlight She describes her support for racial equality lobbying for better treatment for veterans and female prisoners and her lifelong interest in preventing animal cruelty First Ladies Betty Boyd Caroli, 2019-04-05 Betty Boyd Caroli s engrossing and informative First Ladies is both a captivating read and an essential resource for anyone interested in the role of America's First Ladies Caroli observes the role as it has shifted and evolved from ceremonial backdrop to substantive world figure This expanded and updated fifth edition presents Caroli's keen political analysis and astute observations of recent developments in First Lady history including Melania Trump's reluctance

to take on the mantle and former First Lady Hilary Clinton's recent run for president Caroli here contributes a new preface and updated chapters Covering all forty five women from Martha Washington to Melania and Ivanka Trump and including the daughters daughters in law and sisters of presidents who served as First Ladies Caroli explores each woman's background marriage and accomplishments and failures in office This remarkable lot included Abigail Adams whose remember the ladies became a twentieth century feminist refrain Jane Pierce who prayed her husband would lose the election Helen Taft who insisted on living in the White House although her husband would have preferred a judgeship Eleanor Roosevelt who epitomized the politically involved First Lady and Pat Nixon who perfected what some have called the robot image They ranged in age from early 20s to late 60s some received superb educations for their time while others had little or no schooling Including the courageous and adventurous the ambitious and the reserved these women often did not fit the traditional expectations of a presidential helpmate First Ladies is an engaging portrait of how each First Lady changed the role and how the role changed in response to American culture These women left remarkably complete records and their stories offer us a window through which to view not only this particular sorority of women but also the role of American First Ladies Betty Caroli, 2010-07-15 Betty Boyd Caroli s engrossing and informative First Ladies is woman in general both a captivating read and an essential resource for anyone interested in the role of America's First Ladies This expanded and updated fourth edition includes Laura Bush s tenure Hillary Clinton s 2008 presidential bid and an in depth look at Michelle Obama one of the most charismatic and appealing First Ladies in recent history Covering all forty one women from Martha Washington to Michelle Obama and including the daughters daughters in law and sisters of presidents who sometimes served as First Ladies Caroli explores each woman s background marriage and accomplishments and failures in office This remarkably diverse lot included Abigail Adams whose remember the ladies became a twentieth century feminist refrain Jane Pierce who prayed her husband would lose the election Helen Taft who insisted on living in the White House although her husband would have preferred a judgeship Eleanor Roosevelt who epitomized the politically involved First Lady and Pat Nixon who perfected what some have called the robot image They ranged in age from early 20s to late 60s some received superb educations for their time while others had little or no schooling Including the courageous and adventurous the emotionally unstable the ambitious and the reserved these women often did not fit the traditional expectations of a presidential helpmate Here then is an engaging portrait of how each First Lady changed the role and how the role changed in response to American culture These women left remarkably complete records and their stories offer us a window through which to view not only this particular sorority of women but also American women in general Impressive Caroli s profiles and observations of American first ladies and their relationship to the media are intelligent and perceptive Philadelphia Inquirer

Prologue ,2004 <u>Ellen and Edith</u> Kristie Miller,2015-04-24 The wives of Woodrow Wilson were strikingly different from each other Ellen Axson Wilson quiet and intellectual died after just a year and a half in the White House and is thought

to have had little impact on history Edith Bolling Wilson was flamboyant and confident but left a legacy of controversy Yet as Kristie Miller shows each played a significant role in the White House Miller presents a rich and complex portrait of Wilson s wives one that compels us to reconsider our understanding of both women Ellen comes into clear focus as an artist and intellectual who dedicated her talents to an ambitious man whose success enabled her to have a significant influence on the institution of the first lady Miller's assessment of Edith Wilson goes beyond previous flattering accounts and critical assessments She examines a woman who overstepped her role by hiding her husband's serious illness to allow him to remain in office But Miller concludes Edith was acting as she knew her husband would have wished Miller explains clearly how these women influenced Woodrow Wilson's life and career But she keeps her focus on the women themselves placing their concerns and emotions in the foreground She presents a balanced appraisal of each woman's strengths and weaknesses She argues for Ellen's influence not only on her husband but on subsequent first ladies. She strives for an understanding of the controversial Edith who saw herself as Wilson's principal advisor and some would argue acted as shadow president after his stroke Miller also helps us better appreciate the role of Mary Allen Hulbert Peck whose role as Wilson's playmate complemented that of Ellen but was intolerable to Edith Especially because Woodrow Wilson continues to be one of the most studied American presidents the task of recognizing and understanding the influence of his wives is an important one Drawing extensively on the Woodrow Wilson papers and newly available material Miller's book answers that call with a sensitive and compelling narrative of how private and public emotions interacted at a pivotal moment in the history of first Hillary Rodham Clinton Gil Troy, 2006-10-04 For most first ladies their years in the White House are their sole ladies claim to fame For one Hillary Rodham Clinton that tenure was just another step in a remarkable political career Neither a hit job nor a facile tribute Gil Troy s lively and refreshingly nonsensational new book provides a revealing look at arguably the most polarizing First Lady in history and undoubtedly the most prominent American woman of our time Troy named by History News Network one of America's Top 15 Young Historians measures Clinton's historical footprint tracing her activities during the turbulent decade that brought her to national prominence and examining her influence as a key player in her husband's administration Covering her attempts to overhaul health care and redefine the first lady as co president while she tried to cope with her husband's scandals and impeachment he recounts how Hillary's rocky road had a mixed impact on the office even as her ambitions illuminated the role's potential As the first feminist first lady Hillary Clinton faced dilemmas typical of modern American women as she tried to be both a family oriented devoted wife and a career focused independent woman Troy shows how she did her best to navigate this divide and breaks new ground in taking her seriously as a thinker Delving into Hillary's speeches and writings he uncovers a surprisingly more moderate even conservative worldview. In fact he finds some of her positions such as her outspoken views on abortion to be authentic expressions of a genuine Puritan Methodist centrism rather than a mere political ploy Offering a mix of praise and censure that elevates to a more

sophisticated level debates about her controversial career and presidential aspirations Troy s book will enlighten and intrigue Hillary's passionate critics and staunch defenders alike It will renew discussions of where she stands in the continuum of modern first ladies and of where history will ultimately take her Many of the book s key themes are effectively underscored by an entertainingly narrated photo essay with provocative images drawn from the Clinton Presidential Library Kermit Roosevelt Lewis L. Gould, 2018-02-09 Few first ladies have enjoyed a better reputation among historians than Edith Kermit Roosevelt Aristocratic and sophisticated tasteful and discreet she managed the White House with a sure hand Her admirers say that she never slipped in carrying out her duties as hostess mother and adviser to her husband Lewis Gould s path breaking study however presents a more complex and interesting figure than the somewhat secularized saint Edith Roosevelt has become in the literature on first ladies While many who knew her found her inspiring and gracious family members also recalled a more astringent and sometimes nasty personality Gould looks beneath the surface of her life to examine the intricate legacy of her tenure from 1901 to 1909 The narrative in this book thus uncovers much new about Edith Roosevelt Far from being averse to activism Edith Roosevelt served as a celebrity sponsor at a New York musical benefit and also intervened in a high profile custody dispute Gould traces her role in the failed marriage of a United States senator her efforts to secure the ambassador from Great Britain that she wanted and the growing tension between her and Helen Taft in 1908 1909 Her commitment to bringing classical music artists to the White House along with other popular performers receives the fullest attention to date Gould also casts a skeptical eye over the area where Edith Roosevelt's standing has been strongest her role as a mother He looks at how she and her husband performed as parents and dissents from the accustomed judgment that all was well with the way the Roosevelt offspring developed Most important of all Gould reveals the first lady s deep animus toward African Americans and their place in American society She believed that any mixture of races is an unmitigated evil The impact of her bigotry on Theodore Roosevelt's racial policies must now be an element in any future discussion of that sensitive subject On balance Gould finds that Edith Roosevelt played an important and creative part in how the institution of the first lady developed during the twentieth century His sprightly retelling of her White House years will likely provoke controversy and debate All those interested in how the role of the presidential wife has evolved will find in this stimulating book a major contribution to the literature on a fascinating president It also brings to life a first lady whose legacy must now be seen in a more nuanced and challenging light **Helen Taft** Lewis L. Gould, 2010-08-24 In this fascinating study Lewis L Gould has brought a shadowy first lady into the light and restored her to a rightful place as a patron of music Helen Herron Taft came to the White House intent on establishing Washington D C as the nation s cultural capital A stroke in May 1909 made her a semi invalid impaired her speech and disrupted her agenda Historians have written her off as a shrewish figure who pushed her portly husband into the presidency Gould challenges this outdated narrative with new information on Helen Taft's campaign to bring the best of classical music to the White House during her four years He

draws on prodigious research about the musicians who performed there including violinist Fritz Kreisler pianist Fannie Bloomfield Zeisler and contralto Ernestine Schumann Heink and reveals for the first time how Nellie Taft enlisted a diverse array of top notch artists for her musicales recitals and social events. The result is a major contribution to a better understanding of the White House as a cultural center at the turn of the last century Beyond her musical agenda Helen Taft enhanced the appearance of Washington with the planting of the cherry trees from Japan that now bloom each spring Gould also delves with insight into Mrs Taft's role in the politics of her husband's administration. He provides the most complete recounting into her part in the dismissal of Henry White as ambassador to France a key moment in the emergence of her husband's split with Theodore Roosevelt He discusses the nature of her stroke based on letters from her husband and her doctors and reveals how Mrs Taft her daughter Helen and the journalist Eleanor Egan crafted the first ever memoir of any first lady Drawing on memoirs and manuscripts not used before Gould re creates memorable occasions at the Taft White House when dramatist Ruth Draper delivered her monologues Charles Coburn staged Shakespeare on the White House lawn and Lady Augusta Gregory of the Irish Players dropped by Gould's path breaking study of Helen Taft is a significant addition to the literature on first ladies and a tribute to a complex and brave woman who overcame illness and adversity to leave her own special imprint on the history of the White House Nancy Reagan James G. Benze, 2005 Many thought of her as Queen Nancy Others as the Dragon Lady But for millions of Americans Nancy Reagan was the always smiling and deeply admiring presidential spouse who stood by her man that image lingers still in the touching picture of a bereaved widow at her husband s casket Nancy Reagan has stirred passionate defenders and acerbic critics in many books and the media James Benze however is the first biographer to discuss the effect of her acting background on her tenure as first lady Unlike earlier biographers he focuses on the way she applied her acting skills to meet the demands of her greatest supporting role As part of a movie troupe Nancy Davis often had the job of flattering the lead actor or helping a star create an outstanding performance As first lady Nancy Reagan did all of this and more whether supplying the president with a missing line at Bitburg or steering him away from the abortion controversy Always outspoken and a target for feminists and others she remained the consummate supporting actor always helping the star Benze portrays Nancy Reagan as a forceful presence behind the Oval Office's closed doors unafraid to take on Donald Regan or Oliver North He documents her clear influence on presidential appointments links her quirky penchant for astrology to her show business past and traces the creation of the Just Say No program to her years in Sacramento showing that it far exceeded the public relations motivation that her detractors claimed Benze reveals how living on a public stage exacerbated the problems in the Reagans relationship with their children which went from bad to worse during the White House years He also covers Nancy Reagan's post Washington life including her vigilant care of the president as he struggled with Alzheimer's disease and her subsequent advocacy of stem cell research that put her at odds with the GOP While Ronald Reagan was the star performer of his presidency his wife

glided elegantly at his side as an accomplished co star Benze's book strikes a balance between the images of adoring helpmate and manipulative manager showing us the woman behind the stereotypes and offering a more objective Women and the White House Justin S. Vaughn, Lilly J. understanding of her place in the history of presidential wives Goren, 2012-11-30 As the first female vice president takes office this volume explores gender perceptions and the executive role An important impressive book Lane Crothers author of Globalization and American Popular Culture The president of the United States has traditionally served as a symbol of power virtue ability dominance popularity and patriarchy In recent years however a number of high profile female candidacies have provoked new interest in gendered popular culture and how it influences Americans perceptions of the country's highest political office In this timely volume editors Justin S Vaughn and Lilly I Goren lead a team of scholars in examining how the president and the first lady exist as a function of public expectations and cultural gender roles The authors investigate how the candidates messages are conveyed altered and interpreted in hard and soft media forums from the nightly news to daytime talk shows and from tabloids to the blogosphere They also address the portrayal of the presidency in film and television productions such as 1964 s Kisses for My President and 2005 s Commander in Chief With its strong multidisciplinary approach Women and the White House commences a wider discussion about the growing possibility of a female president in the United States the ways in which popular perceptions of gender will impact her leadership and the cultural challenges she will face Guide to the Presidency and the Executive Branch Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president's relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments

presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions Barbara Bush Myra G. Gutin, 2008 A lively account of the outspoken first lady during her White House years showing how the Silver Fox used her rich experience in politics to master the public relations side of first ladyship with as much skill as any White House spouse Program Organization of American Historians. Meeting, 2005
