**Anatolia** Hasan Algül, 2025-01-07 The Holy Grail is a mystery that has not been solved yet or it is a myth that has been told for centuries. So could the key that would solve the mystery of the Holy Grail be in Anatolia? Or maybe the Grail itself? Why have so many Western mystics, researchers, alchemists, explorers and founders of secret societies felt the need to visit

Istanbul and Anatolia over the centuries? Philip IV the French King of Navarre had received a secret message. And this secret message disclosed the location of the Holy Grail which was thought to be nothing more than a myth. Without wasting any time Philip IV assigned a three-man team to steal the Grail from the Knights of the Temple and bring it to him. Leading the team was Louis A brave and venturesome knight fully devoted to the King. In this book you will read about the battles of Louis and his men against the Knights of the Temple as well as his love with a girl in an Armenian village in Anatolia. **Taker Of**

**The Shroud** Michele Wallace Campanelli, 2013-04-01 Bleeding severely from battle Prince Louis returns to Valtearea Castle to warn his kingdom that King Lightenwood's army is coming to steal the burial shroud of Jesus Christ. However it wasn't only the blood-stained cloth that wicked King Lightenwood sought to take but also the beautiful Princess Bella. Now pitted against this brave young Prince King Lightenwood did not expect the battle nor the intrigue from a valiant Prince willing to risk everything to rescue his wife and to become the new Keeper of the Shroud. **The Faithful Enemy** Varun H.

Parmar, 2016-01-13 There are eight friends. All of them united in childhood. The next thing they know they have completed their studies and embark on a mission which they haven't even thought of in their dreams. They face the gravest challenges of their life. A friend isn't with them, another friend dies and yet another friend disappears. A helicopter, a shark, a ship, two planes, a lion and a bird all explode. They are at the end of their wits. And yet another time they find something which leads them into one of the most dangerous place which they had just read of in books. It is a game of life and death. Will they achieve their goal? Will they be successful? Will they come out of that place alive? Who wins? The mystery unfolds. **Temple Bar**, 1866
