Helen Keller Helen Keller, 2003. A different portrayal of Keller who is usually remembered for her work aiding blind and deaf-blind people. Deaf and blind herself from the age of 19 months, Keller did indeed devote her adult life to helping those similarly afflicted; she was also a crusading Socialist championing the poor and oppressed from all walks of life and leading a fight against the less obvious evil of social blindness.

John Davis has collected her political writing and speeches including her arguments for women's suffrage, her opposition to the world wars and support for Eugene V. Debs.

Haydée Santamaría Betsy Maclean, 2003. Haydee Santamaria led a full and painful life. As one of the female leaders of the Cuban Revolution, she suffered horrible torture in Batista's prisons. After 1959, she established the world-renowned Latin American literary institution Casa de las Americas. Betsy Maclean has collected both Santamaria's own writings, including her poignant letter to Che on the news of his death, and tributes from others.

Le Sillon Linda Arbour, 2022-05-10. When Marc Sangnier died in Paris in 1950 and was buried in Notre-Dame, the streets nearby filled with people who could not get into the cathedral. Before his death, the French government awarded Sangnier the Legion d'honneur pinned to his lapel by François Mauriac, a former silloniste who became a noted man of letters.

Le Sillon was a French political and religious movement founded by Sangnier which existed from 1894 to 1910. It aimed to bring Catholicism into a greater conformity with French Republican and socialist ideals in order to provide an alternative to Marxism and other anticlerical labour movements.

This volume details the discovery of le Sillon as a lay movement in France that issued from the leadership of brilliant young students at the turn of the twentieth century. As they matured, so did the aims of the movement, and they became an educational force that encouraged both the privileged and worker alike to join together in playing leadership roles in unions then dominated by the anti-clerical left. Their activities brought them into conflict with the French hierarchy and the papacy itself, and matured into an expression of Christian economic democracy that challenged Catholic hierarchical norms.

France and Its Empire Since 1870 Alice L. Conklin, Sarah Fishman, Robert Zaretsky, 2015. Providing an up-to-date synthesis of the history of an extraordinary nation, one that has been shrouded in myths, many of its own making.

France and Its Empire Since 1870 seeks both to understand these myths and to uncover the complicated and often contradictory realities that underpin them. It situates modern French history in transnational and global contexts and also integrates the themes of imperialism and immigration into the traditional narrative.

Authors Alice L. Conklin, Sarah Fishman, and Robert Zaretsky begin with the premise that while France and the U.S. are sister republics, they also exhibit profound differences that are as compelling as their apparent similarities. The authors frame the book around the contested emergence

of the French Republic a form of government that finally appears to have a permanent status in France but whose birth pangs were much more protracted than those of the American Republic Presenting a lively and coherent narrative of the major developments in France's tumultuous history since 1870 the authors organize the chapters around the country's many turning points and confrontations They also offer detailed analyses of politics society and culture considering the diverse viewpoints of men and women from every background including the working class and the bourgeoisie immigrants Catholics Jews and Muslims Bretons and Algerians rebellious youth and gays and lesbians *Live Working Or Die Fighting* Paul Mason, 2010 This is micro historical writing at its best Walden Bello author of *Dilemmas of Domination* Brilliant Ken Loach The stories in this book come to life through the voices of remarkable individuals child laborers in Dickensian England visionary women on Parisian barricades gun toting railway strikers in America's Wild West and beer swilling German metalworkers who tried to stop World War I It is a story of urban slums self help cooperatives choirs and brass bands free love and self education by candlelight And as the author shows in the developing industrial economies of the world it is still with us *Live Working or Die Fighting* celebrates a common history of defiance idealism and self sacrifice one as alive and active today as it was two hundred years ago It is a unique and inspirational book Paul Mason is an award winning journalist who reports regularly on labor rights and social justice stories as economics editor for BBC World News America and BBC Newsnight In addition to *Live Working or Die Fighting* which was shortlisted as a 2007 Guardian First Book Award Mason is the author of *Meltdown The End of the Age of Greed* Verso Books **Rebel Crossings** Sheila Rowbotham, 2016-10-11 In a feat of extraordinary archival research Sheila Rowbotham uncovers six little known women and men whose lives were both dramatic and startlingly radical Rowbotham tells a story that moves from Bristol Belfast and Edinburgh to Massachusetts and the wildernesses of California showing how rebellious ideas were formed and travelled across the Atlantic *Rebel Crossings* offers fascinating perspectives on the historical interaction of feminism socialism anarchism and on the incipient consciousness of a new sense of self so vital for women seeking emancipation Their influences ranged from Unitarianism High Church Anglicanism and esoteric spirituality through to Walt Whitman William Morris Edward Carpenter Eleanor Marx Peter Kropotkin Benjamin Tucker and Max Stirner In differing ways they sought to combine the creation of a co operative society with personal freedom enhanced perception and loving friendships experimenting with free love rational dress health diets and deep breathing A work of significant originality in terms of historical scholarship this book also speaks to the dilemmas of our own times **The Rebel's Clinic** Adam Shatz, 2024-01-23 One of The New York Times's 100 Notable Books of 2024 One of the Washington Post's 50 Best Nonfiction Books of 2024 Longlisted for the National Book Critics Circle Award for Biography Named a best book of 2024 by The New Yorker Vulture Los Angeles Review of Books Foreign Affairs The New Republic Longlisted for the 2024 Baillie Gifford Prize for Non Fiction Nimble and engrossing An exemplary work of public intellectualism Becca Rothfeld The Washington Post Undoubtedly the best biography of Fanon A remarkable achievement
