They beautifully express his eternal optimism and undying love of human beings and their joyful relationship with each other
If some there be with aged mien Who wisely smile at love And say tis but a childish dream And one they are above To them I
say who sit and smile Because they so prefer My feet have come to her Within her father s home While I a foot loose
wanderer Am destined still to roam But I shall find her out I know And thus within her place She calmly sits and waits for me
And she will know my face And one sweet day we two shall meet Whatever may occur And so content I wander on For I shall
come to her
