that their parents support their independence they are less likely to rebel. As importantly when independence is not a battle families can move toward lifelong interdependence. Letting Go with Love and Confidence is filled with the latest findings on successful parenting and is infused with Dr. Ginsburg's expert advice on how to build resilience in teens. This comprehensive volume also contains stories from real parents from diverse backgrounds who have faced the challenges of raising teens. Empowering and groundbreaking, this book is a one-stop resource to parenting teens in the twenty-first century. Love & Loyalty Tere Michaels, 2014-11-14 Faith Love Devotion Book Two Seattle Homicide Detective Jim Shea never takes work home with him until now. A judge banged his gavel, declared a defendant not guilty, and laid waste to a family. The emotional fallout of the trial leaves Jim vulnerable and duty-bound to the victim's dying father. It's that man's story that screenwriter Griffin Drake and his best friend actress Daisy Baylor see as their ticket out of action blockbusters and into more serious fare. But to get the juicy details, Griffin needs to win over the stoic and protective Detective Shea. Their attraction is immediate, and Daisy encourages Griffin to use it to their advantage, secure the man, secure the story. Neither man has had much luck when it comes to love, and when their one night together evolves into a long weekend of rapidly intensifying feelings, both Griffin's fierce loyalty to Daisy and his very career is put to the test. Because the more Griffin is drawn into a new life with Jim, the more his Hollywood life falls apart. Secrets and broken trust threaten Griffin's relationships, and he'll have to choose between telling the truth or writing a Hollywood ending. Among Friends Maurice Spillane, 2010-03-01 Among Friends explores the relationship between the observer and the observed, seldom intrusive and usually triggered by events. It is a dipping-in book, something for the bedside table rather than the coffee table, the time before sleep when you capture that reflective something and make it yours. Only lovers of poetry in their nakedness can get away with that. Many of the poems will be known to those who follow Maurice Spillane's work at public readings, through newsletters that published some poems, and through the Internet. Intimate Violence David Greven, 2017-02-13 Intimate Violence explores the consistent cold war in Hitchcock's films between his heterosexual heroines and his queer characters, usually though not always male. Decentering the authority of the male hero, Hitchcock's films allow his female and queer characters to vie for narrative power, often in conflict with one another. These conflicts eerily echo the tense standoff between feminism and queer theory. From a reparative psychoanalytic perspective, David Greven merges queer and feminist approaches to Hitchcock. Using the theories of Melanie Klein, Greven argues that Hitchcock's work thematizes a constant battle between desires to injure and to repair the loved object. Greven develops a theory of sexual hegemony. The feminine versus the queer conflict, as he calls it in Hitchcock films, illuminates the shared but rivalrous struggles for autonomy and visibility on the part of female and queer subjects. The heroine is vulnerable to misogyny, but she often gains an access to agency that the queer subject longs for, mistaking her partial autonomy for social power. Hitchcock's queer personae, however, wield a seductive power over his heterosexual subjects, having access to illusion and masquerade that the knowledge-seeking heroine must destroy. Freud's theory of paranoia, understood as a tool

for the dissection of cultural homophobia illuminates the feminine versus the queer conflict the female subject position and the consistent forms of homoerotic antagonism in the Hitchcock film Through close readings of such key Hitchcock works as North by Northwest Psycho Strangers on a Train Spellbound Rope Marnie and The Birds Greven explores the ongoing conflicts between the heroine and queer subjects and the simultaneous allure and horror of same sex relationships in the director's films
