Clements, 1990-01-01 This is the first systematic and thorough study of mysticism or contemplation in these three seventeenth century poets and in three modern writers It not only clarifies the very confused issue of mysticism in seventeenth century poetry but also connects seventeenth century poets with modern literature and science through the contemplative tradition from the Bible and Plato and Church fathers and important mystics of the Middle Ages through Renaissance and modern contemplatives The transformative and redemptive power of contemplative poetry or holy writing regardless of genre or discipline is prominent throughout the book and the relevance indeed the vital necessity of such poetry and of the living contemplative tradition to our apocalyptic modern world is discussed in the last chapter In this chapter attention is given to modern science especially to the new physics and to philosophical and mystical writings of eminent scientists **Programs** University of Michigan. Prayer and Power Michael C. Schoenfeldt, 1991-08-13

Michael C Schoenfeldt here offers the first major exploration of the connections between George Herbert's devotional poetry and the social practices and political discourse of his day Viewing The Temple and The Country Parson as part of the larger civilizing process of Western Europe Schoenfeldt shows how Herbert discovers in the discourses of courtesy and theology a common vocabulary of authority selfhood petition and discipline Before entering the priesthood Herbert nourished contacts in court was elected University Orator at Cambridge and served in Parliament In turning to God Schoenfeldt argues Herbert did not simply turn away from the secular world but also turned its language particularly the language of courtesy into the medium for his lyric worship of God The confluence of courtesy and spirituality in Herbert's poetry provides a fascinating insight into a society searching for an appropriate discourse of reverence in a time of baffling change The first five chapters investigate the manifold ways in which Herbert's life and works exemplify the interdependence of social and religious behavior in the English Renaissance The sixth and final chapter extends this investigation into the nervous eroticism of Herbert's poems Considering The Temple as well as Herbert's letters speeches Latin poems collections of foreign proverbs translations The Country Parson and less familiar lyrics Schoenfeldt offers a thorough and detailed reading of Herbert's rich and conflicted corpus Prayer and Power is not only a bold redefinition of the accomplishment of one of the finest poets of the

English Renaissance but also the first sustained study to advance a cultural poetics of the religious lyric Secularism and the Pursuit of Transcendence, Volume II Stanley E. Porter, Wendy J. Porter, 2025-02-19 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us **ENGLISH DIATONIC MUSIC 1887-1955** MATTHEW. RILEY, 2025

Brief Encounter Alec Waugh, 2011-10-28 First published in 1975 this story tells of how a chance meeting in a caf a piece of grit delicately removed by a gentleman from a lady s eye give birth to an affair a brief yet unrelenting emotional tug of war between two people whose spontaneous desire clashes head on with the facts of their existence There is Anna married to Graham and happily content with her home life and two children There is Alec trapped in a loveless marriage to cool uninvolved Melanie looking to his work as a doctor for fulfillment Between them a flame is kindled that splendidly ignites a passion way beyond the well constructed limits of their imaginations Then comes the test Can they transform their dream into a lasting love or must it founder on the hard rocks of reality Brief Encounter is also a major film starring Sophia Loren and Richard Burton **Ironies of Faith** Anthony Esolen, 2023-04-04 In Ironies of Faith celebrated Dante scholar and translator Anthony Esolen provides a profound meditation upon the use and place of irony in Christian art and in the Christian life Beginning with an extended analysis of irony as an essentially dramatic device Esolen explores those manifestations of irony that appear prominently in Christian thinking and art ironies of time for Christians believe in divine Providence but live in a world whose moments pass away ironies of power for Christians believe in an almighty God who took on human flesh and whose weakness is stronger than our greatest enemy death ironies of love for man seldom knows whom to love or how or even whom it is that in the depths of his heart he loves best and the figure of the Child for Christians ever hear the warning voice of their Savior who says that unless we become like unto one of these little ones we shall not enter the Kingdom of God Esolen s finely wrought study draws from Augustine Dante Shakespeare Tolkien Mauriac Milton Herbert Hopkins and Dostoyevsky among others including the anonymous author of the medieval poem Pearl Such authors Anthony

Esolen believes teach us that the last laugh is on the world because that grim old world taking itself so seriously that even its laughter is a sneer will finally despite its proud resistance be redeemed That is the ultimate irony of faith Readers who treasure the Christian literary tradition should not miss this illuminating book Wonder Reborn Thomas

Troeger,2010-07-27 This book explores an issue at the nerve of the long term health of all churches how godly wonder can be reborn through renewed attention to the place of beauty in preaching and worship The book opens with an exploration of the theological and cultural difficulties of defining beauty It traces the church s historical ambivalence about beauty and art and describes how in our own day the concept of beauty has been commercialized and degraded Troeger develops a theologically informed aesthetic that provides a counter cultural vision of beauty flowing from the love of God The book demonstrates how preachers can reclaim the place of beauty in preaching and worship Chapter two employs the concept of midrash to mine the history of congregational song as a resource for sermons Chapter three introduces methods from musicology for creating sermons on instrumental and choral works and for integrating word and music more effectively Chapter four explores how the close relationship between poetry and prayer can stir the homiletical imagination Each of these chapters includes a selection of the author s sermons illustrating how preachers can use these varied art forms to open a congregation to the beauty of God A final chapter recounts the responses of congregation members to whom the sermons were delivered It uses the insights gained from those experiences to affirm how the human heart hungers for a vision of wonder and beauty that empowers people to live more faithfully in the world Poems as Friends Fiona Bennett,Michael Shaeffer,2024-05-09 The
