Kappelle,2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle s published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself This volume examines the spiritual journey inward and its companion volume the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren t concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others      *Narcotics Anonymous* Fellowship of Narcotics

Anonymous, Basic recovery text for addicts that explains NA s principles and includes members personal experiences finding NA and living clean      **Especially for You** Ron Marcotte,2024-05-31 I m a Christian and an American two precious unmatchable irreplaceable gifts I am extremely grateful for both and never want to lose them This is my explanation of these gifts especially for you what they mean for you and everyone as well as myself the whole purpose of our lives I want to share them with you even if you don t call yourself Christian or American This provides epiphanies Hopefully you will see more clearly the value the worth the truth of these gifts The reward for you for me for us is happiness beginning with ten thousand years bright shining as the sun with no less days to sing God s praise than when we d first begun This provides a special recipe not for food but the necessary elements for obtaining that reward Christ provided the way for us he proclaimed it clearly he showed us how to get there through certain attitudes eight in all which we must blend into one This also provides an example of the exact opposite the antithesis which can rob us of these gifts if we do not live and act according to Christ s teachings to be blessed We could not get a photo for the back cover Please add your own recall of the events of January 6 2021 the truth which we all saw A mob climbing the walls battering the windows and doors to get in the gallows to hang Vice President Pence the hollering to find Nancy Pelosi and the violence and desecration of our Capitol All of this was in an attempt to prevent Congress from doing its duty as representatives of our democracy to designate a new President January 6

2021 was the most significant attempted Presidential crime in American history      **Share My Life** Kem,2024-04-02 From Grammy nominated artist Kem comes SHARE MY LIFE a remarkable memoir tracing his transformative journey from homelessness to lauded artist      **Appreciating God's Creation Through Scripture** Alice L. Laffey,1997 This mix of creation spirituality and Scripture is a call to Christians to realize the interdependence of creation It gives examples from Scripture including some that are not well known      *From Degradation to Redemption:* Isaac X,2008-05-13 From Degradation to Redemption is the story of a young mans journey into a life of alcohol drugs and escorts Isaac Xs obsession towards instant gratification took him to places he thought he would never venture He began to live the unlivable and accept the unacceptable Just as he thought there was no turning back he reached a rock bottom that he couldnt stomach and he began to claw his way back to a life of joyfulness happiness and freedom      **Addiction** Robert P. Vande Kappelle,2019-05-24 What is addiction and how do we know if we are addicted Speaking sociologically we are addicted because we live in addictive societies that turn us into consumers and materialists Speaking biologically we are addicted because that is how we are hardwired Speaking spiritually we are addicted because we seek spiritual satisfaction through things other than God Humans can be addicted to most any object ideology and belief but they cannot be addicted to the true God for reasons disclosed in this text As this book demonstrates addiction is a pattern of learned behavior that utilizes ancient mental pathways designed to promote survival and reproduction When neural connections intended to promote eating reproduction parenting and social relationships are diverted into addiction their blessings can become curses While heredity parenting trauma and additional psychological and sociological factors play significant roles in compulsive behavior addiction is essentially a developmental disorder a way to manage an environment that feels threatening and overwhelming Change getting unstuck is possible but it requires five ingredients acknowledgment resolution substitution human help and divine help Because addictions represent complex interactions between biological psychological social and spiritual forces the solution must be holistic as well Designed as a study guide for groups or individual use this book approaches the topic comprehensively examining the nature of addiction its cause symptoms consequences and means of recovery      **Living Simply in an Anxious World** Robert J. Wicks,1997 Now reissued this book encourages and enables readers to discover simplicity with single mindedness in the midst of life s turmoil      **Oldtimer Said** Oldtimer,2021-06-30 The alcoholic that comes into the rooms of recovery will drink again if they do not change This warning caught my attention as a newcomer and launched me into a process of transformation that included the Twelve Steps 10 000 meetings and intensive work with over 500 alcoholics and addicts of all types Oldtimer Said is an accumulation of wisdom passed down to me over the course of 29 years of recovery from the AA Big Book the rooms of AA NA CA and other 12 Step fellowships I have attended I it will aid alcoholics and addicts in the transformation they need to undergo for recovery from their addiction      *The Christian Science Journal* ,1899      *ABC Club: End of an Era* Sunny W,2012-04-25 The disease of alcohol and drug addiction affects millions of

people some of whom are willing to acknowledge their addiction and therefore seek recovery The nature of the disease is so crippling that the individual has to either find recovery or else be left with two dreadful options physical and mental instability or death ABC Club End of an Era describes the history of a safe place where recovering addicts and alcoholics lived while pursuing sobriety and it focuses on the many interactions and idiosyncrasies of each personality with interviews and other first hand accounts Two people operated the treatment center for over thirty five years Danny and Helen Leahy a crusty down to earth no nonsense man and a beautiful soft warm and gentle woman The result was that these two very different people with their different personalities were able to have countless numbers of people utilize recovery and thus learn about a new way of life at the ABC Club      *The Warrior's Guide* Lane Jester,2022-09-14 The duality of man is a fact of life for every human being Our job as humans should consist of training the flesh to be in subjection to the spirit We are never fully at peace from the war that is constantly being waged against our spirit Whether or not we are tuned in to our spirit it is there very much alive and it is usually dominated by the flesh
