Paperbound Books in Print , 1992 **Love And Meditation** Osho, The Power of Love Osho, 2016-07-19 Explore the emotional sensations of the many facets of love and affection that bring people together with one of the twentieth century's greatest spiritual teachers One of the most important life events is falling in love yet we never learn about it in school Societies and religions force us into models and thought forms that are often in opposition to an organic model of love which is instead institutionalized by marriage religious affiliations and nationalism This results in love that is for most people a painful challenge in one form or another throughout life In these modern days where the focus shifts more and more to realizing one's individual potential Osho's *The Power of Love What Does It Take for Love to Last a Lifetime* helps us to direct our search for love by widening our view showing us that love has many manifestations and is not limited to the other One manifestation of love is meditation a life changing experience that allows the flowering of real love within oneself and toward others Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world **The Little Book Of Relationships** Osho, 2001-09-17 Must love and sex go together Is solitude always lonely Why is change so threatening Delving deep into the human heart and mind Osho's *Little Book of Relationships* addresses questions about love and life that have troubled all of us at some point in our lives Love Letters to Life Osho, 2016-12-13 In the age of Facebook Twitter WhatsApp and email personal letters seem somehow out of date or at least far from most people's everyday experience This book is a rare and unique collection of letters personally written by Osho to participants from his early meditation events These are not letters to people and their personalities these are letters to our souls Osho addresses essential issues and concerns that arise on the path of meditation and self discovery The letters are encouragements to continue the process of meditation and address subjects like Self Acceptance Wisdom Consciousness The Quest for Life A Life of Freedom Earth Is Our Home Dropping Fear Dealing with Anger Rebellion and many more in a direct and penetratingly personal way Osho explains this about the value of writing letters If I write anything I write letters because a letter is as good as something that is spoken It is addressed I have not written anything except letters because to me they are a manner of speaking The other is always there before me when I write a letter The OSHO works consist almost exclusively of the spoken word addressed directly to individual people or larger audiences These talks were recorded and then transcribed and published as books This book represents one of the rare exceptions in the collected

works of Osho in which his written personal letters are published Each one of these letters is like an condensed Osho Talk in haiku form He would meet with these correspondents time and again at his meditation camps or while staying in their homes This volume is a selection of his replies to their letters queries and calls for help His words are intimate incisive poetic playful and loving His encouragement to his correspondents to keep going on their chosen path of meditation and awareness while living loving and working in the ordinary world to keep their flame of commitment burning brightly when he is not physically present can inspire whomever opens this book

Love ? the Food of the Soul Osho,2016-05-20 Looking at the world it seems somehow self evident that nobody knows or only very rarely what love is Love has become one of the rarest experiences Love remains the unknown phenomenon while it actually should be one of the most known What happened Read this incredible talk by Osho and learn how to grow love how to create a climate of love of gratitude and thankfulness Learn how to give love rather than just looking for it or demanding it Prepare the ground for love as a natural functioning
