Love Is Dangerous:

In The Name of Love Aaron Ben-Ze'ev, Ruhama Goussinsky, 2008-02-21 We yearn to experience the idealized love depicted in so many novels movies poems and popular songs Ironically it is the idealization of love that arms it with its destructive power Popular media consistently remind us that love is all we need but statistics concerning the rate of depression and suicides after divorce or romantic break up remind us what might have happened if all that we need is taken away This book is about our ideals of love our experiences of love the actual disparity between the two and the manners of coping with this disparity A major study case of the book concerns men who have murdered their wives or partners allegedly out of love It is estimated that over 30% of all female murder victims in the United States die at the hands of a former or present spouse or boyfriend How can murdering a loved one be associated with the assumed moral and altruistic love Not only is love intrinsically ambivalent but it can also give rise to dangerous consequences Some of the worst evils have been committed in the name of love as in the name of God A unique collaboration between a leading philosopher in the field of emotions and a social scientist In the Name of Love presents fascinating insights into romantic love and its future in modern society **Love is Dangerous** Barbara Cartland, 1970 **COLLIER'S CYCLOPEDIA OF SOCIAL AND COMMERCIAL INFORMATION**, 1882 **Dangerous Depths** Karen Amanda Hooper, 2013-11-18 Book 2 of The Sea Monster Memoirs Hell hath no fury like a selkie separated from his true love The gate to the sea creature realm is finally open Yara wants to bask in the glow of her budding relationship with Treygan and explore Medusa's world but as the new leader of Rathe her powers are needed to save a sea creature she's never met Rowan assumes the worst is behind him when he returns home to be reunited with his wife Vienna only to discover she's gone She traveled to the evil realm of Harte to find another gateway to Earth and was never heard from again Rowan claimed he would go through hell to be with her and now he must prove it Rowan Yara and Treygan will put their lives and souls at risk by traveling to the most dangerous realm of all Love is supposed to conquer all but no one has ever conquered Harte Book 1 Tangled Tides Keywords young adult YA teen YA romance romance fantasy merfolk mermaid selkie gorgon siren mythology Sea Monster Memoirs series magic supernatural *Love's pilgrimage. Langbridge Love-knots, 1883 Foucault and the Politics of Hearing Lauri Siisiäinen, 2013 The issue of the senses and sensual perception in Michel Foucault's thought has been a source of prolific discussion already for quite some time Often Foucault has been accused of overemphasizing the centrality of sight and has been portrayed as yet another thinker representative of Western ocularcentricism This innovative new work seeks to challenge this portrait by presenting an alternative view of Foucault as a thinker for whom the sound voice hearing and listening the auditory sonorous actually did matter Illustrating how the auditory sonorous relates most integrally to the most pertinent issues of Foucault the intertwinement and confrontations of power knowledge and resistance the book both

presents novel readings of some of Foucault's most widely read and commented on works such as *Discipline and Punish* the first volume of *History of Sexuality* and discusses the variety of his lectures, essays and interviews some of which have not been noted before. Moving beyond a commentary on Foucault, Siisiainen goes on to examine other philosophers and political thinkers including Roland Barthes, Jean-Luc Nancy and Jacques Rancière in this context in order to bring to the fore the potentials in Foucault's work for the generation of a new perspective for the political genealogy of the sound hearing and listening, approaching the former as a key locus of contemporary political struggles. This work will be of great interest to students and scholars in a range of areas including political theory, philosophy and cultural studies.

Heart of Danger Sidney Bristol, Christmas is a special time of year for Valentina. Nothing beats the lights and the food of her home town. Which is why she can't wait to share it with her best friend who also happens to be her very attractive boss. Val vows that the only treat she'll give Duke this Christmas is one of Abuela's cookies. Except when they arrive home, no one is celebrating Christmas at all. After suffering devastating losses, the only comfort Duke has known is in his work, at least that was until Val. Her vivacious personality has reminded him that life is worth living. Keeping their relationship friends only is the hardest challenge of all. When Val goes into a near panic at the abandoned streets of her home town, personal feelings are put on the back burner. From the moment the friends arrive home, it's obvious something is wrong and it's up to Val and Duke to figure out what could have a whole town afraid to celebrate Christmas.
