Smith,2022-05-02 [Letters from a Broken Heart Vol.1](#) ANTHONY. B,2014-05-27 As humans we form relationships with others this comes as natural as learning to walk for most people You struggle at first but eventually you re running The problem we have is not forming relationships but trying to maintain these relationships past the getting to know each other stage a stage that is never ending The hardest thing for people to do in life is to live to please someone else Because we are all so different in every aspect of who we are it is almost impossible to please most people that we are in relationships with Relationships are something we take for granted For instance just because you love someone doesn t make it automatic Relationships are something we must work at to become successful We spend years preparing ourselves to achieve and maintain a satisfying career but we do very little when it comes to maintaining a loving relationship Some things we can learn naturally being in a long term relationship is not one of them I hope by you reading these few words it will encourage you to stop taking your relationship the people you love their feelings for you and your feelings for them for granted What you put in your relationship is what you will get out of it [Love Letters from Heartbreak Ridge](#) Kathy Poulsen

Romero,2024-11-11 For more than seventy years a tattered box tied with lace ribbon yellowed with age had been tucked away untouched and unknown to anyone but the long deceased recipient and owner of that box my mother As I carefully opened the box I discovered not just a precious few but over 70 letters lovingly tucked away carefully preserved as if waiting patiently for me to find them and liberate the inner most feelings of a young soldier going off to fight in the Korean War ultimately ending up on the front lines at Heartbreak Ridge More than its historic value and firsthand documentation of events that are today taught in history books these letters were to me of greater personal value documenting my parents courtship and giving me the much needed insight into the heart and mind of a man I never really knew my father Hunting down an aged family photo album that I remembered seeing as a child I found the pictures that had been contained with the letters and corroborated the geographical landscape and passage of time the letters traversed I was able to put the actual photographs with the letters and envelopes they d been entrusted with The story does not end with my father s final letter I hope you will be as profoundly affected by the letters as I was all the way to the final chapter a journey which took me decades and a lifetime to fully understand **Other People's Love Letters** Bill Shapiro,2007 A voyeuristic look at the ins and outs of modern romance brings together an assortment of actual love letters written by a diverse cross section of people that appear exactly as they were originally written offering candid insights into how people think about love 50 000 first printing **Love Letters to You** William Thompson,2017-03-08 Hello everyone My name is William O Thompson Jr I was
