## Love Letters To Louise:

**Love Letters to Louise** Jack Tilley, 1998-07-01      **Ventriloquized Bodies** Janet L. Beizer, 1994      The Letters of Gustave Flaubert Gustave Flaubert, 2023-09-26

Appearing in a single volume for the very first time an illuminating and enrichingly annotated selection of correspondence from one of Western literature's most revered writers. If there is one article of faith that dominates the Credo of Gustave Flaubert's correspondence, Francis Steegmuller writes in the introduction to this selection of Flaubert's letters, it is that the function of great art is not to provide answers. The Letters of Gustave Flaubert is above all a record of the intransigent questions, personal, political, artistic, with which Flaubert struggled throughout his life. Here we have Flaubert's youthful sensual outpourings to his mistress, the poet Louise Colet, and as he advances still unknown into his thirties, the wrestle to write *Madame Bovary*. We hear too of his life-changing trip to Egypt as described to family and friends, and then there are lively exchanges with Baudelaire, with the influential critic Sainte-Beuve, and with Guy de Maupassant. His young protégé Flaubert's letters to George Sand reveal her as the great confidante of his later years. Steegmuller's book, a classic in its own right, is both a splendid life of Flaubert in his own words and the ars poetica of the master who laid the foundations for modern writers from James Joyce to Lydia Davis. Originally issued in two volumes, the book appears here for the first time under a single cover.

**Description**      **A Folklorist's Progress** Stith Thompson, 1996

The Life of Stith Thompson as revealed in these pages was in some ways ordinary, in others extraordinary. Reading through *A Folklorist's Progress*, one sees clearly the contours of an academic life in the midcentury United States. In an efficient manner, Professor Thompson portrays the rounds of an academic of the period: planning for courses, establishing and revising programs, attending international meetings and conferences, working ideas into publications. He also describes the social domain with its cycle of parties, receptions, visits, and social clubs. These autobiographical pages paint an engaging portrait of a community organized around the life of the intellect. But not every scholar has the opportunity to found an academic field, and in this light, the career of Stith Thompson veers toward the extraordinary. Obituaries described Thompson as the father of folklore, a journalistic label that, with some qualifications, epitomizes his scholarly career. While folklore studies existed in Europe well before Thompson's lifetime, it was Stith Thompson who in 1949 conceived of a doctoral degree program in folklore, the first in the U.S. Stith Thompson's success in securing support for the unknown discipline of folklore was due to his stature in the academic community, his skill in dealing with the administrative structure of an American university, and his ties to funding agencies: the State Department and scholarly societies all over the world.

*The Imaginative Claims of the Artist in Willa Cather's Fiction* Demaree C. Peck, 1996

In this, her first book, scholar Demaree C. Peck assigns Willa Cather her rightful place in our literary history. Challenging the assumption that women writers must draw their inspiration from a lineage of female predecessors, Peck portrays Willa Cather

as a woman who self consciously set out to write within a male literary tradition that she identified as Emersonian Peck explores the psychological underpinnings of Cather's aesthetics to show that her theory of stylistic economy and simplicity was motivated by a desire to reorganize the elements of the artistic stage exclusively around her own romantic ego that inexplicable presence of the thing not named Although Cather's protagonists appear in various disguises clad as pioneers lawyers or priests they are all incarnations of the artist who appropriates people and places as parts of consciousness Cather's imaginative claimants seek to assimilate the world as a reflection of the self in the way that their prototype Emerson's poet landlord enjoys a figurative ownership of the landscape in reward for his integrating vision The novels offer a series of ingenious masquerades beneath whose plots lurk variations of a single story impelled by the artist's quest to take imaginative possession of the world in order to recover the dominion of her soul Unlike critics who have discussed Cather's novels as a series of discrete experiments Peck charts the pursuit for imaginative possession as a continuous theme thereby suggesting a coherence for Cather's art and career as a whole Offering original interpretations of eight of Cather's novels in the light of previously undiscussed letters and other biographical materials Peck explores the relation between Cather's life and art to suggest that she created her central characters as surrogates whose imaginative accumulations could compensate her for various dispossessing experiences in her own life Cather's novels operate according to the psychological laws of wish fulfillment While Cather's romanticism has its historical origin in American transcendentalism its psychological origin derives from the mythic domain of childhood Cather's kingdom of art sanctions the dream projected upon childhood of an original omnipotence that could cheat fate and remain unsoiled by experience Her novels enact a fantasy of return to primal wholeness Peck suggests that the novels serve a restorative function not only for their author but for Cather's readers as well Cather's fiction is significant Peck argues because it performs an important psychological work for its audience Letters of Two Brides Honoré de Balzac, 1897 **A daughter of Eve ; Letters of two brides ; A woman of thirty ; The deserted woman ; La Grenadiere ; The message ; Gobseck ; Pierre Grassou** Honoré de Balzac, 1901 Letters of Two Brides Honore de Balzac, 2020-09-28 **From "The Bells" to "King Arthur"** Clement Scott, 1896 Contains reprints and excerpts of the author's theater reviews for the Daily Telegraph and other journals **Marge and Julia** Rodger L.
