

A couple is walking away from the camera on a beach covered in smooth, dark, wet-looking stones. The woman is on the left, wearing a patterned dress, and the man is on the right, wearing a dark shirt and shorts. They are walking towards the horizon under a heavy, grey, overcast sky. The overall mood is somber and reflective.

faith requires not only having a personal relationship with God and allowing him to guide one's decision making but also being obedient to God's instructions. Growing a Successful Marriage through Faith not only represents an individual spiritual journey in which God redeems a person through a personal relationship with him but it also represents a spiritual marital journey where God redeems the marriage and restores the marriage bond through the Holy Spirit. When the Holy Spirit bonds a marriage together the marriage is in a state of holy matrimony. The book Growing a Successful Marriage through Faith tells of my personal life story and possibly there are parts of the story that others may be able to relate to. I think this book is unique in that it combines a life situation caused by personal choices with what the Bible says about the situation then reinforces the lesson through the essence of visuals in nature. In this case the visuals are photographs of an okra plant that grew between the blocks of concrete. Questions are presented to the reader throughout the text not only to engage the reader but also to reinforce that the solutions to relationship issues require self-examination and spiritual solution. The answers that you give may be reflections of your problem-solving approach whether spiritual or otherwise. In the Bible Jesus often used parables that involved nature and he performed miracles. Both mediums were used to grow faith. The book also serves to encourage those who are going through personal trials in their lives whether marriage health problems or any other difficult life circumstance to study the Word of God and pray that God sends the Holy Spirit to move in their lives. When your relationship with God becomes close up and personal he gives you spiritual discernment that is the wisdom to put your life's circumstances in their proper perspective and he gives you inner peace. *Marriage Unveiled* Sherry
