Love Of The Circus:

The Love of the Circus David Jamieson, Sandy Davidson, 1980 **We Fell in Love with the Circus** Claire Hallard Fawcett, 1949 Experiences of America's number one girl circus fan following the Big Show over the map of the U S With drawings by the author and photographs by A F and J W Fawcett Cool Careers Without College for People Who Love to Entertain Amie Jane Leavitt, 2016-12-15 This book stressing the importance of preparation hard work and marketing your business focuses on traditional entertainment like music and acting but also delves into less conventional work like working as a Foley artist or as a children's entertainer **For the Love of the World** Edwin Zackrison, 2021-08-04 The world can be subject to interpretations that cause Christians to disagree and even fight Interpretations often end in startling disputes For some that world includes the inheritance of denominational interpretations Historically conditioned conclusions are taken out of their context Booklets have been produced for young people that largely define the world as dancing smoking drugs music theater and music This book will not spend time on these parochial notions Rather it will deal with God's love for the world While Christians are often warned against the world God loved the world from a different standpoint and made the ultimate sacrifice to give this world the chance to be restored to rightness with him *A Love So Great* Marlene Anderson, 2007-07 A Love So Great is the story of a great love shared between two people and the grief that follows death It is a story of faith and hope agony of doubt and unbelief through dark days and the long journey of healing from loss Practical Life Love Steven Curtis Lance, 2009-01-01 Through a thousand nights of love into a thousand days of poetry love came to me wearing its thousand faces and thrillingly whispering words into my heart I wanted to remember them and to share them with you so I wrote them all down with the uttermost care as my uttermost offering by love and for love with all of my heart Those words were these poems which are this book of a thousand nights of love into a thousand days of poetry written down with the uttermost care to remember and to share And even and especially when it might not seem so all these words in all their thousand ways share as their source and destination love wearing its thousand faces and thrillingly whispering words these words into your heart through mine I made this book for you and it is yours now It had to be called LOVE because it is Take it Love Steven *The Queen of Love* Sabine Baring-Gould, 1894 **Why We Love Parades** Doug Matthews, 2022-12-15 Why do millions of people attend the victory parades of winning sports teams travel across the world to attend a carnival march and chant for social justice cheer homecoming soldiers or watch enraptured as a princess or celebrity rides in a stately coach to their wedding The author answers these questions and more in this unique examination of the great parades and processions of history Part chronology part social history this book outlines why parades are more than the simplistic ephemeral entertainment we sometimes assume them to be as people are often deeply affected by regalia costumes and uniforms dances and floats The book traces the fascinating origins and development of carnival parades religious processions protest marches victory parades circus parades parade floats ship sail pasts and aerial fly pasts **Unseen Love** Mert
