*Her Evil Genius: Within Love's Call* Adelaide Stirling, 2010-01-01 The summer holidays had begun and the great convent school was deserted all its pupils gone but two who were in the alcove belonging to the elder of them and as if that breakage of rule were not enough were seated on the small white bed which was counted a crime to rumple The elder girl was eighteen and after to day convent rules would concern her no more for that very afternoon she was going out into the world to earn her own living as a governess She was wild with excitement and would have been enraptured with the foretaste of liberty had it not been for the child who clung to her sick and exhausted with stormy crying She looked down on her pityingly and the reverend mother could have told you Andria Heathcote was not given to compassion Her red brown hair grew too

strongly on her forehead for that her full rose lips were too heavy Yet something in the very strangeness of the girl who clutched her had caught at her hard young heart For Beryl Corselas was only a child and young for her years at that It seemed to Andria that the sins of eleven years old were too seriously taken when they were considered crimes and yet her goblin ways were enough to provoke a saint or Sister Felicitas Beryl look here repeated Andria don t cry any more I ll write to you I m not going very far away The child lifted her face from the girl s shoulder It was a curious face with something almost vacant about it yet what the lack was no one could quite say She had extraordinary eyes strangely and uncannily beautiful so light a brown as to be almost yellow tawny golden under the heavy eyelashes that were black as ink The warm whiteness of her cheeks was blurred with crying paled with real despair and the startling crimson of the childish lips had been hard bitten to check the sobs that might be heard She pushed away the long cloud of straight hair that was not black nor brown but dusky a cloud of darkness with no color to be named from her face and spoke with sullen unchildlike contempt You won t write Her eyes were like burned out coals You ll mean to but you won t You re always trying to save other people s feelings outside but inside you never care You ll forget I ll try not to said Andria with a sudden pang Was she really what Beryl said Did her hatred of giving pain really make her more cruel in the end She kissed the wet cheek If I do forget if I am like that will you promise me something Remember that I don t mean to forget and that I don t really Think to yourself it s just my way and that some day you ll see me again Will you try Beryl It s no use my trying anything without you in the house with Sister Felicitas Keep out of her way then Why are you always getting into her black books Because she hates me I m never myself with her You are with Mother Benedicta I might as well be comfortable with the statue in the chapel I see about as much of her She clung suddenly to the arm that enwrapped her Oh it s you I want you she gasped If I m going to be good it will be for you Who else do I like Just you and animals and I haven t any of them except my rabbits And I hate hate hate Sister Felicitas A shadow tall slight and angular fell on them Andria looked up with a start since convent tradition was still strong in her and she was breaking rules openly Sister Felicitas stood in the doorway black against the sunlit passage You ve no right to be here Beryl Corselas her voice seemed to float out into the shaded whiteness of the alcove calm and cool as frost Go away and do your weeding Your garden is not a pretty sight Andria felt the quick shudder in the child s body Please sister she said let me stay Andria is going away I have nothing to do with that But while I am in charge of the kitchen garden you must do your share there Go at once she said very softly but the downcast eyes were angry Andria Heathcote could not be reprimanded and Sister Felicitas longed to do it she was always making that hateful child rebel against lawful authority But to morrow she would be gone

*Love's Call* Betty McLain, 2021-12-16 Distance bank robbers bureaucracy No problem for this school teacher She won t let anything get in her way when she answers Love s Call When Dora heard the art gallery was displaying a mirror that could show a girl her true love she had to see for herself Looking at its reflective surface she learned the claims where true The image in the glass was not her own Rafe was out to dinner with his family when he looked over at

a mirror and saw a woman staring back Even more surprising was the voice he heard as he approached the reflection She claimed to be his true love but he didn't believe in love Can Dora convince Rafe to take a chance on someone he's never actually met or will Rafe never answer Love's Call      The Prophetic Call to Love and Justice Arnold H. De Graaff, 2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re-connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives      **Love Poems from God** Johnny Love, 2018-05-31 Have you ever wondered if God still speaks through His children Is there such a thing as a modern day prophet Johnny Love is here to tell you the truth I saw no light nor heard any voice but it was truly Jesus who came to me on January 22 2011 This book is about real love God's pure love His unconditional love      **God Is Love** William R. Lowery, 2021-03-09 God Is Love glorifies a loving and wonderful God who sent his only Son to live die and conquer death for our eternal salvation This entire work was scribed by a non poet me the author listening to secular music dictate these words of honor and praise to our God Since these were all written listening to music they can be sung to music This book begins with the title poem God is Love an all out joyous praise of our God and continues with My God Called to Me a heartfelt prayer of thanksgiving for a God that never stopped loving me Angels in Three Parts experiences the angels reactions to Christ's birth life and crucifixion and the future as foretold in Revelations In the Fullness of Time takes the reader to a dark and sobering reflection of reality without Christ Throughout this collection the poems explore the emotions of praise thanksgiving joy hope and peace God Is Love is a cherished collection praising God and giving peace and comfort to the reader      **School of Love** Roger Joslin, 2015-09 Roger Joslin arrived in Bentonville Arkansas in 2006 as a newly ordained deacon to become the vicar of All Saints Episcopal Church a mission of the Episcopal Diocese of Arkansas All Saints has grown to be the fifth largest congregation in the Diocese of Arkansas with an average Sunday attendance of over 230 and is well on its way to parish status All Saints location in Bentonville the home of Walmart adds another layer to the story Joslin makes a powerful case for the role of a progressive Episcopal church in a conservative culture and for the appeal of preaching and practicing a gospel of inclusion that reaches out to groups or individuals who have been marginalized by churches Model for reaching out to the community with a gospel

of love and welcome Hope for those who think a progressive church can't succeed in a conservative culture Helps identify those who feel like outsiders in those cultures      **Love, God** Deborah J. Simmons-Roslak, Linda J. Orber, 2018-10-03 Take a Moment to Listen Come gentle child come rest in my heart for I am here deep within your own If you can still yourself just for a moment you can hear me whisper your name You can hear me whisper the depth of my eternal love for you in this moment and always Let me quiet your frightened mind and hold your unsettled heart for I will give you peace the very moment you ask Let me fill your heart with my love and wrap my arms around you in absolute tenderness and grace In that moment you will know with certainty that I am forever with you Love God This book is an invitation to God's loving presence It is an invitation to deepen your relationship with God It includes a quote from a spiritual leader commentary a Bible quote and a guided meditation It also includes a moment to fully imagine God speaking directly to your own heart This gives you an invitation to learn to turn to his love and presence throughout the day and into the evening As you open your heart you will learn again and again that God is there with you You are never alone      Leading with Love Terence L. Elsberry, 2021-12-10 Leading with Love Essentials of Church Leadership is a handbook the distilled lessons of Terence Elsberry's thirty plus years as an ordained minister It challenges clergy of all denominations to apply his proven leadership skills and knowledge to the ministry God has called them to Here you'll find a handbook of ministry enhancing information in a helpful Q and A format The answers focus on key areas of ministry and are the result of proven success Warm anecdotal practical and motivational here's a book to help lead church leaders through the heartache frustrations and joys of church leadership while by God's grace remembering the underlying purpose of ministry to share God's love with his people and with them and through them to the world As Terry says The reason why church ministry is so satisfying is because there are so many people to love
