**To Love During War** Joanne Wadsworth, 2019-02-22 To Love During War is the sweet tame version of The Wartime Bride My dearest hussar Harry from the day you arrived at St Vincent s Fort six months ago an undeniable attraction began to simmer away between us Whenever I got too close to you my traitorous heart skipped a dratted beat and butterflies would abound in my belly You have tempted me with your honor and integrity with your deep love for your family and your fellow soldiers in arms I m aware you will fight to the death to ensure Napoleon doesn t end up taking Portugal and so will I Our enemy cannot be permitted to rule all of Europe or to force his way onto England s shores I admire all that you are but you are also from a titled English family and of far better blood than I My true parents abandoned me as a wee baby and if not for the professor who adopted me I would have been left to perish That is why I will never attempt to take our friendship any deeper than I should Days together enjoying companionable friendship is all that I ve asked for but this war keeps tearing us apart as if we shouldn t even be permitted that much Never fear for me my hussar we will both survive this coming battle It is time for us to slay our enemy to win this dratted war then for you to return safely to your family Yours in deep friendship Julia

never forget the elaborate masked ball I attended a year and a half ago when I first met you You arrived attired head to toe in black with no other adornment save for a large diamond which twinkled from your right ear Your black satin mask concealed your expression making you ooze mystery with your hair slicked back and your blue eyes shining as deep and as bottomless as rich sapphires Dark and dangerous you appeared behind your mask the type of man one didn't trifle with not unless they enjoyed said danger A few short days past you came to me with a request I couldn't turn down not when my family owes you a great debt which I wish to repay I understand your father is demanding you wed something you've no intention of doing and I've agreed to your ruse will gladly speak false marriage vows with you so you can be rid of the spy your father has tailing you Unfortunately I never expected to be kidnapped by that spy and tossed on a ship bound for the Mediterranean or to learn from my captor that you're in fact a lost Prince of Naples and Sicily Why couldn't you have shared the truth with me from the beginning Please take all care I know you'll be captaining your ship in hard pursuit Don't take any unnecessary risks I have no intention of becoming your downfall Your devoted friend Olivia
