living Download your copy today      **Kama Sutra** Vatsyayana.,2017-02-15 In the literature of all countries there will be found a certain number of works treating especially of love Everywhere the subject is dealt with differently and from various points of view In the present publication it is proposed to give a complete translation of what is considered the standard work on love in Sanscrit literature and which is called the Vatsyayana Kama Sutra or Aphorisms on Love by Vatsyayana While the introduction will deal with the evidence concerning the date of the writing and the commentaries written upon it the chapters following the introduction will give a translation of the work itself It is however advisable to furnish here a brief analysis of works of the same nature prepared by authors who lived and wrote years after Vatsyayana had passed away but who still considered him as the great authority and always quoted him as the chief guide to Hindoo erotic literature Besides the treatise of Vatsyayana the following works on the same subject are procurable in India The Ratirahasya or secrets of love The Panchasakya or the five arrows The Smara Pradipa or the light of love The Ratimanjari or the garland of love The Rasmanjari or the sprout of love The Anunga Runga or the stage of love also called Kamaledhiplava or a boat in the ocean of love The author of the Secrets of Love was a poet named Kukkoka He composed his work to please one Venudutta who was perhaps a king When writing his own name at the end of each chapter he calls himself Siddha patiya pandita i e an ingenious man among learned men The work was translated into Hindi years ago and in this the author's name was written as Koka And as the same name crept into all the translations into other languages in India the book became generally known and the subject was popularly called Koka Shastra or doctrines of Koka which is identical with the Kama Shastra or doctrines of love and the words Koka Shastra and Kama Shastra are used indiscriminately The work contains nearly eight hundred verses and is divided into ten chapters which are called Pachivedas Some of the things treated of in this work are not to be found in the Vatsyayana such as the four classes of women the Padmini Chitrini Shankini and Hastini as also the enumeration of the days and hours on which the women of the different classes become subject to love The author adds that he wrote these things from the opinions of Gonikaputra and Nandikeshwara both of whom are mentioned by Vatsyayana but their works are not now extant It is difficult to give any approximate idea as to the year in which the work was composed It is only to be presumed that it was written after that of Vatsyayana and previous to the other works on this subject that are still extant Vatsyayana gives the names of ten authors on the subject all of whose works he had consulted but none of which are extant and does not mention this one This would tend to show that Kukkoka wrote after Vatsya otherwise Vatsya would assuredly have mentioned him as an author in this branch of literature along with the others      *Sex Positions for Couples* Jenny Love,2021-06-12 55% OFF for Bookstores NOW at 8 99 instead of 19 99 It's normal to sometimes feel bored with your sex life in your relationship or marriage especially if you've been with your partner for a long time It's not normal to sit around and continue to be bored with it Now is your chance to spice up your sex life and get excited about spending time with your partner in bed again With *Sex Positions for Couples* you'll have everything you need to improve your sex life and fuel the

entirety you d probably think that you were picking up the wrong book That s where this book comes into play What you re going to get from this book is a modern day Kamasutra updated from the original text over 2 000 years ago I ve scoured through the entire book provided the necessary tips and added a few new and improved ones Yes you will get a list of the best positions and how to do them After all that is the crux of the Kamasutra But I ll even go further than that I ll be providing you with tips on how to come up with your own positions And more than that this book will also be going into detail on the all important foreplay something that the original Kamasutra was very concerned with and you should too It should be noted that Kamasutra is about so much more than just having sex Anyone can have sex they hope It s about having sex properly and what is achieved by doing so Sex is a part of everyday life and has the ability to improve our lives if done properly This book is about learning how to have that sex Most would agree that it is life changing I mean really isn t that alone should be enough

*The Kama Sutra* Vatsyayana,2014-03-18 The world s most influential and enduring text on human sexuality Long before *The Joy of Sex* Masters and Johnson or Dr Ruth there was Vatsyayana s Kama Sutra or Aphorisms on Love This ancient text translated from Sanskrit into English in the nineteenth century by Sir Richard Burton along with Bhagavanlal Indragit and Shivaram Parashuram Bhide has stood the test of time as a thoughtful treatise on the art of lovemaking An insightful consideration of the connections between sensual pleasure and spiritual enlightenment this classic work presents a sincere and civilized approach to sexuality that modern readers will find refreshing and inspirational This ebook has been professionally proofread to ensure accuracy and readability on all devices
