The Cosmic Love Story God And Us Rev. Robert E. Lauder, 2024-05-16 In this amazing book the author presents insights

into the mystery of love both Divine and human Influenced by personalist philosophers Martin Buber Emmanuel Mounier and Gabriel Marcel by American Catholic theologians John Haught Michael Himes Bernard Cooke and Ronald Rolheiser and also by the Thomist personalist W Norris Clarke SJ Lauder reflects deeply on the mystery of God and the human person Martin Buber claimed that love was a cosmic force Lauder's vision is cosmic He has produced a book that is not only interesting and illuminating but also inspiring Readers will find themselves returning to reread their favorite chapters and researchers will find new quotes to include in their research projects One of Lauder's talents as a writer is to explore the most profound mysteries and write about them in language accessible to readers who are interested in reflecting on such mysteries as love of self love of neighbor and love of God Rather than presenting insights into the meaning and mystery of love in a way that is excessively speculative and academic Lauder's writing may challenge the intellect to incorporate the most profound truths about love into daily life The Cosmic Love Story God and Us will move readers to integrate insights into love from the book into their lives so that they choose to live as gift givers that is to say as lovers Library Journal, 1995 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Finding the Plot** Roger Standing, 2012-03-16 Preaching at its best is truth on fire The real quality of this book is that it has been created from the author's own experience of the local pastorate and is concerned with practical insights and realities I warmly recommend it David Coffey Moderator of the Free Churches and General Secretary of the Baptist Union For some the phrase finding the plot suggests a stroll through a graveyard which is much like their view of preaching But Roger Standing uses the phrase to describe narrative preaching an approach that helps preachers accomplish their essential task to raise the dead Marshall Shelley Vice President Christianity Today International and editor of Leadership This book from a seasoned practitioner and an able thinker will provide the signposts required by many either for transforming their preaching style in mid career or for setting off on the right foot Nigel G Wright Principal of Spurgeon's College London Roger Standing breezily shares his enthusiasm for narrative preaching He combines theory about narrative and its cultural relevance with practical advice and preaching examples A helpful stimulus to any preacher to branch out into narrative preaching Michael Quicke Charles Koller Professor of Preaching and Communications **Finding Love** Andrew Leslie Callander, 2021-02-17 What if the majority Christian view concerning the gospel is not only wrong but responsible for the rejection of Christian faith by so many today If your idea of the gospel is that God's fundamental disposition toward you is angry judgment but Jesus came to die on the cross to change God's mind about you then Andrew Callander wants you to know the truth God's fundamental disposition toward you and all humanity is eternal lovingkindness and the reason Jesus came was to change our minds about God In company with biblical scholars like David Bentley Hart contemplative activists like Richard Rohr and progressive thinkers like Brian McLaren Callander laments how centuries of Christian energy have been wasted determining and policing religious boundary lines He wants the reader

to be assured that in Jesus Christ God has destroyed all barriers that stand in the way of our relationship with God Callander s key theme is that humanity is already enfolded within God's eternal love and that our great task is not to find God's love but awaken to the reality that the God of love has already found us and then apply this to our relationships with others and with Subject Guide to Books in Print ,1991 Nervous Breakthrough Christy Boulware, 2023-04-11 Exhaustion and hurry aren t a badge of honor Fear and anxiety rage in our world a weight we carry producing profound physical consequences We hustle hard and strive more each day our priorities mismatched with our Savior's struggling to surrender our lives to his will We believe our superwoman tendencies are amazing when they are in fact alarming What will it take to rock the boat enough to awaken our souls A total nervous breakdown A diagnosis of severe panic and anxiety disorder answered that question for Christy Boulware Her fast paced highly driven mis prioritized life finally caught up with her Eventually she went from being superwoman to staring at guns on her bedroom floor Through her journey to recovery Christy learned how to overcome fear and anxiety in a world that feeds both emotions Whether you re on the verge of a breakdown in the middle of one or worried you re headed toward one this book will show you how a breakdown can lead to a breakthrough We have wasted enough time living in fear let's start living in freedom Through this book the reader will Lay down superwoman tendencies and discover how to fully surrender to a trustworthy God Stop anxiety before it starts by recognizing its smoke alarms Recognize ungodly thoughts and replace them before they snowball out of control Learn why the presence of fear does not mean your faith is weak Discover where science complements God s Word to achieve a balanced approach for overcoming anxiety The Power of Prayer: How to Unleash God's Power in Your Life Margaret Light, 2025-04-05 The Power of Prayer How to Unleash God's Power in Your Life explores the transformative impact of prayer in the life of a believer This book delves into the various forms of prayer from petition to intercession and emphasises the importance of praying with purpose persistence and faith By aligning with God s will readers will learn how to invite His divine intervention into their daily lives overcome obstacles and experience spiritual growth and breakthroughs Through practical insights biblical examples and personal stories this book guides readers to unlock the full potential of prayer and witness God s power at work **Contemplative Prayer for Christians with Chronic Worry** Joshua J.
