Love And Anger:

Love and Rage Lama Rod Owens, 2020-06-16 A LOS ANGELES TIMES BESTSELLER In the face of systemic racism and state sanctioned violence how can we metabolize our anger into a force for liberation White supremacy in the United States has long necessitated that Black rage be suppressed repressed or denied often as a means of survival a literal matter of life and death In *Love and Rage* Lama Rod Owens coauthor of *Radical Dharma* shows how this unmetabolized anger and the grief hurt and transhistorical trauma beneath it needs to be explored respected and fully embodied to heal from heartbreak and walk the path of liberation This is not a book about bypassing anger to focus on happiness or a road map for using spirituality to transform the nature of rage into something else Instead it is one that offers a potent vision of anger that acknowledges and honors its power as a vehicle for radical social change and enduring spiritual transformation *Love and Rage* weaves the inimitable wisdom and lived experience of Lama Rod Owens with Buddhist philosophy practical meditation exercises mindfulness tantra pranayama ancestor practices energy work and classical yoga The result is a book that serves as both a balm and a blueprint for those seeking justice who can feel overwhelmed with anger and yet who refuse to relent It is a necessary text for these times

Love & Light Clayton Tylor, 2017-05-20 This book examines Swedenborg's spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to

Marriage and Family in a Changing Society James M. Henslin,1992 **Love As God Intended It** DERICK CHIBILU,2023-04-14 In his latest book Love As God Intended It author Mr Derick Chibilu draws inspiration from 1 Corinthians 13 to explore the fundamental essence of love As a born again Christian for over thirty years Mr Chibilu has been passionate about promoting Christian family values and this book is a testament to his deep conviction that God s desire is to see a world where love prevails The book draws on the teachings of the apostle Paul who wrote extensively about love in his letters to the early Christian communities Paul saw love as the most important of all virtues and the ultimate expression of God s nature He exhorted his readers to love one another deeply just as Christ loved them and gave himself up for them For Paul love was not an abstract concept it was a tangible reality that should be evident in the way believers treated each other The book also highlights the example of Christ who demonstrated the ultimate act of selflessness and love by sacrificing himself on the cross for the redemption of humanity Christ s life and teachings provide a model for how we should love others putting their needs above our own and seeking to serve rather than be served Ultimately the book s message is one of

hope and encouragement It reminds us that no matter how broken our relationships may be there is always the potential for restoration and healing through the power of love By embracing the teachings of Paul and following the example of Christ we can build strong and healthy relationships that reflect God s love and bring joy and fulfillment to our lives **Love, the Heartbeat of Christianity** Quintin Moore,2007-08 Jesus is the radical revelation of God s love His message though very simple is revolutionary He simply reveals and reduces the claim of God to one word Love To live only at the level of rules and regulations is to miss the essence and the message of God We each know how good and necessary it is to be loved and to love However we are called to mature in love Only as we mature and grow in love will we move beyond mere definitions or descriptions of love into the vital reality of the love that gives and sustains life Love truly is the Heartbeat of the Christian life This radical revolution of love is essential to the church without it the church is just another organization but with love mature radical love she truly becomes the living expression of God s love Love The Heartbeat of Christianity is about a journey of discovering and maturing in the Love of God Enjoy the journey **The Foundations of Character** Alexander Faulkner Shand,1914 A scientific treatment should not diminish but increase the general interest taken in character To bring together the various aspects of the subject which in literature are treated in isolation from one another to lead up to a general conception of it to study the methods by which the knowledge of it may be increased in accuracy and extent these are to make approaches to a scientific treatment of character While I have had chiefly to confine myself to a study of the tendencies of the emotions and sentiments this has been throughout my aim This book then is a study of method Yet I do not claim that this method is essentially new It is in the main the hypothetical method of the sciences it has had to be adapted to the treatment of character that is all A complete science of mind would include a science of character The best approach to such a science is through the study of the primary emotions and their connected instincts This study is to be directed to an analysis of tendencies PsycINFO Database Record c 2005 APA all rights reserved
