the English Roadside, with Poems and Ballads George Meredith, 2013-01-08 Modern Love and Poems of the English Roadside occupies a distinctive and somewhat notorious place within George Meredith's already unique body of work. Modern Love is now best known for the emotionally intense sonnet cycle which Meredith's own contemporaries dismissed as scandalously confessional and indiscreet. While individual sonnets from the work have been anthologized, the complete cycle is rarely included and the original edition has not been reprinted since its first appearance in 1862. This edition restores the original publication and supplements it with a range of accompanying materials that will reintroduce Meredith's astonishing collection of poetry to a new generation of readers.

Farewell Love! A Novel Matilde Serao, 2022-06-03 In *Farewell Love* A Novel, Matilde Serao constructs a narrative that stands as a poignant dissection of the human condition. Her masterful handling of psychological introspection within the framework of Italian fiction underscores a story that transcends the boundaries of its own limited action, focusing instead on the internal struggles of its vividly portrayed characters. Serao's prose weaves throughout the existential themes of revolt and remorse, ultimately scrutinizing the daunting pursuit of redemption. This work is distinguished not only for its sensitive narrative power but also for its eloquent reflection of the zeitgeist preceding the turn of the 20th century in Italian literature. Matilde Serao, with her Greek origins and her profound influence on Italian journalism and literature, brings a distinct authenticity to *Farewell Love*. Her background as an editor and the prowess that almost secured her a Nobel Prize on multiple occasions are evident in the depth and precision of the novel's character studies. Serao's journalistic acumen enriches her fiction with sharp observational clarity, ensuring that her portrayal of personal despair resonates with universal truths and makes *Farewell Love* a remarkable literary achievement. Serao's *Farewell Love* is recommended not just as a piece of Italian literary heritage but as an enduring reflection on love and loss. It stands as a testament to the power of narrative to explore the philosophical and emotional complexities that underpin existence. Readers seeking a profound exploration of the spectrum of human emotions, rendered through a nuanced set of characters and the fine literary craftsmanship of an accomplished author, will find this novel an essential addition to their literary collection.
