### **Taking Sides**

Brent D. Slife,2002 The book is a debate style reader designed to introduce students to controversies in psychology The readings which represent the arguments of leading psychologists and commentators reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework For each issue the editor provides a concise introduction and challenge questions The introduction sets the stage for the debate as it is argued in the yes and no readings and the challenge questions provoke further examinations of the issue By requiring students to analyze opposing viewpoints and reach considered judgments the book actively develops students critical thinking skills P 4 of cover

Autonomy-Supportive Parenting Emily Edlynn,2023-09-05 As parents we want our children to take responsibility for their schoolwork their chores and their choices We want them to grow into independent adults but when we see them struggling

we sometimes have a tendency to step in and problem solve telling them exactly what to do or even doing things for them ourselves The problem is the more controlling we are with our children the more out of control they feel When our children feel out of control problems big and small follow from more tantrums in thwarted toddlers to a higher risk of drug and alcohol use in adolescence So how do we support our children s autonomy while maintaining boundaries and not losing our minds in the process From clinical psychologist Emily Edlynn PhD comes a flexible parenting framework that can apply to every family and every parental relationship With Autonomy Supportive Parenting you can build trust in your child and trust in yourself *Stanford* ,1990 *Grandparenting for the Nineties* Robert A.
