would not be strange to many and it will bring the readers memories of love in their lives It starts with a casual and simple contact to strong love events The events express thoughts and imaginations that most people have had in their lives We are always victims of what we put ourselves through and this is no different however it is up to the reader to make that judgment as to who the victim is This summary will not tell the story You have to read through the story and the events That is what I want readers to do

Spoken Love Derrick Dzine dargan,2009-09-16 Spoken Love is the fictional poetic interpretation of a painting The painting captures soul mates professing love for the first time before tumultuous events in their relationship occur The book details the story of Mr and Mrs Poem with grandeur and graphic detail Narrated by vintage man and woman Spoken Love is like turning pages as their memories cast like fishing rods into The River of Reflection The scenery is amazing It s like wet wood in the fireplace blazing then blowing the ember of their encounters and rekindling a new fragrance to their flame It s like hot cocoa and communication Mr and Mrs Poem s characters get developed like negatives to bring out the positive values in their adulterous affair of bliss Written in a poetic form that reads like dialog as Mr and Mrs Poem make confessions before a sea of anticipating audience members about the circumstances that brought them together apart and back to back to face forever Spoken Love goes back and forth between past and present dealing with the dynamics of being single divorced and separated in and out of poetry and fictional dimensions solidifying the written intention of blurring the line between poetry novel stage screen play reality and personal connection and making the hard times for Mr and Mrs Poem as well as you and yours hard to remember Spoken Love was written for couples to feel forever as they read together as they gradually realize that every moment in love is a treasure Spoken Love is a novel song a fictional poem without an ending an eternal endeavor Spoken Love is the blue ocean of novels the Cirque du Soleil of poetry Poetry books don t compel you to read chapter after chapter Spoken Love does Contemporary novels attempt to be poetic but fall short Spoken Love is a page turning fictional novel enhanced with paintings and riveting writing unlike any other

Love, Sex, and Marriage Julie Coleman,2022-06-13 If the language we use influences and reflects the way that we see the world then the fields of LOVE SEX and MARRIAGE will show how speakers of English view their closest social and emotional relationships Love Sex and Marriage provides a classification of English terms for these three fields from the earliest written records of the language until the present day This volume makes it possible to trace changing attitudes towards social and sexual ties and to understand those ties as earlier speakers of English did through the language they used The terms are arranged by meaning and are listed chronologically within semantic fields with their dates of usage Notes on individual terms provide further information about their connotations and development Language does not exist in isolation from the people who speak it so background information about changes in social conditions religious beliefs and medical advancements is also included A brief introduction to basic semantic terminology explains the principles behind the classification and an alphabetical index facilitates the location of individual terms

Law and Love Paul W. Kahn,Professor Paul W Kahn,2000-01-01 Law and Love

P. Willmott,Michael B. Barrett,2009-11-25 This fascinating book assesses Prussian military thinker Carl von Clausewitz s famous theory on warfare in relation to historical and modern day conflict and future trends Carl von Clausewitz s On War is arguably the most important single work ever written on the theory of warfare and military strategy In Clausewitz Reconsidered two prominent military historians assess his theories examining their viability at a time when asymmetric warfare and war conducted by and against nonstate actors is increasingly common and state control often ephemeral The basis of the book s analysis is an examination of war over the last four centuries since the Thirty Years War including the Cold War and subsequent conflicts What is discovered is that war is far more endemic and brutal today than when Clausewitz tried to explain it This volume explores that paradox and shows that if anything we can anticipate further uncontrolled violence The authors conclude that Clausewitz and On War have assumed a status akin to holy writ but are obviously dated The aim of Clausewitz Reconsidered is to bring the master s theories up to date providing the current generation with a new basis for thought and analysis

Mystical Love in the German Baroque Isabella van Elferen,2009 Mystical Love in the German Baroque Theology Poetry Music identifies the cultural and devotional conventions underlying expressions of mystical love in poetry and music of the German baroque It sheds new light on the seemingly erotic overtones in settings of the Song of Songs and dialogues between Christ and the faithful soul in late 17th and early 18th century cantatas by Heinrich Sch tz Dieterich Buxtehude and Johann Sebastian Bach While these compositions have been interpreted solely as a secularizing tendency within devotional music of the baroque period Isabella van Elferen demonstrates that they need to be viewed instead as intensifications of the sacred Based on a wide selection of previously unedited or translated 17th and 18th century sources van Elferen describes the history and development of baroque poetic and musical love discourses from Sch tz s early works through Buxtehude s cantatas and Bach s cantatas and Passions This long and multilayered discursive history of these compositions considers the

love poetry of Petrarch European reception of petrarchan imagery and traditions its effect on the madrigal in Germany and the role of Catholic medieval mystics in baroque Lutheranism Van Elferen shows that Bach's compositional technique based on the emotional characteristics of text and music rather than on the depiction of single words allows the musical expression of mystical love to correspond closely to contemporary literary and theological conceptions of this affect

When Men Lost Faith in Reason H. P. Willmott, 2002-08-30 This examination of the history of the 20th century and the place of war in its unfolding presents a radical unorthodox interpretation of both With provision for seeing 1945 as the proper starting point for the 20th century and 1968 as the year that marked the end of the Age of Reason this provocative study portrays the First World War as the first war of the 20th century and the Second World War as the last war of the 19th It also provides a counterview of the Second World War as merely one part of a series of conflicts that lasted between 1931 and 1975 and the Cold War as the time when real hatreds were suspended Moving through various insurgency campaigns Willmott subjects the Gulf campaign of 1991 to skeptical analysis that is certain to be contentious Challenging the view that the 20th century will be viewed by future historians as ranging from approximately 1914 to 1992 Willmott offers this volume as a counter to modern historiography which he contends is obsessed with micro analysis and has lost vital context and perspective Arguing that war is not the preserve of the intellect and that it is neither intrinsically rational nor scientific Willmott depicts war as a manmade phenomenon complete with all the elements of human failure misjudgment and incompetence He concludes with a consideration of modern doctrine and predictions for the future of war
