Midwinter Day takes us from awakening and emerging from dreams through the whole day morning afternoon evening night to dreams again a plain introduction to modes of love and reason Then to end I guess with love a method to this winter season Now I ve said this love it s all I can remember Of Midwinter Day the twenty second of December Joseph and Judith, Or, A Bundle of Old Love Letters Edward Cary Bass,1906 The Wolves of Midwinter Anne Rice,2013-10-15 NATIONAL BESTSELLER The tale of The Wolf Gift continues It is winter at Nideck Point and for Reuben Golding now infused with the Wolf Gift this promises to be a season like no other Oak fires burn in the stately flickering hearths and the community organizes its annual celebration of music and pageantry Reuben is preparing to honor an ancient Midwinter festival with his fellow Morphenkinder a secret gathering that takes place deep within the verdant recesses of the surrounding forests However Reuben is soon distracted by a ghost Tormented imploring and unable to speak it haunts the halls of the great mansion drawing him toward a strange netherworld of new spirits or ageless ones And as the swirl of Nideck s preparations reaches a fever pitch they reveal their own dark magical powers **A Midwinter's Tail** Lili Hayward,2023-10-12 A wonderful tale of love loss and community with folklore and magic I adored it LIZ FENWICK A town in need An extraordinary cat A season for miracles It s nearly Christmas and committed Londoner Mina Kestle is close to signing a deal that will make her career and give her everything she s ever wanted And then she receives a mysterious letter in the post along with an ancient key sent by her long estranged godfather Davy Penhallow is an artist who lives on the tiny Cornish island of Morgelyn with only his pet cat Murr for company Mina hasn t seen or heard from him in decades but now it seems he wants her to look after his cottage and his cat while he recovers from a stroke in hospital Mina doesn t know why Davy has written after all these years but she intends to do what s right sort out the cottage and the cat and then get back to London in time for her career saving meeting before everything she s built comes crashing down around her But the more time Mina spends in the cottage looking after Murr and remembering the magic of Cornish folklore the harder it becomes for her to tear herself away And when she discovers that a set of ruthless property developers are coming for Morgelyn she realises she might be the only one who can stand in their way to save the island Davy s cottage and Murr s home As Christmas draws ever closer and echoes of the past her own and the island s wash up in her memory Mina begins to unravel a generation of secrets and discover what it is she has truly always wanted The perfect magical read to cosy up with on chilly winter nights WINNER of The Fantasy Hive s Short and Sweet award 2023 **Legends of Life and Other Poems** Bertha Elsberg Oppenheim,1921 **Collected Poems** Alfred Edgar Coppard,1928 **Love in Mid-winter Night** ,1985 With admirable clarity Mrs Peters sums up what determines competence in spelling and the traditional and new approaches to its teaching Times Literary Supplement **A Midwinter God** Christine Valters Paintner,2024-09-13 I believe we all carry grief that has gone unnamed and unmourned writes best selling author Christine Valters Paintner Nothing in our culture prepares us to deal with darkness and grief We are told to cheer up and move on to shop or drink our way to forgetting the pain we

carry Yet I believe that being faithful to our own dark moments is the path of true prayer In her book *A Midwinter God* Encountering the Divine in Seasons of Darkness Paintner offers an invitation to enter the wisdom of holy darkness and to find there a path toward hope and spiritual maturity Paintner has experienced multiple journeys through grief that have brought her face to face with what she calls the midwinter God the seeming absence of the God of life in dark and fallow seasons of loss She has learned to confront her own terror in that darkness and to approach it with curiosity to see what it has to teach her This endeavor has illuminated a path for her to embrace a life of profound depth one that honors both the trials of suffering and the richness of joy With her characteristic integrative and creative practices Paintner abbess of the online Abbey of the Arts guides her readers to view darkness as a place where seeds of holiness begin to germinate Each chapter of this book unfolds as an invitation to grow in understanding of holy darkness and also meditate reflect and create with these elements Paintner s reflections on various themes of loss and acceptance Insights on a scripture passage written by Paintner s husband John A guided meditation to bring the teachings into your heart Prompts for an expressive arts practice to process these insights through creativity Reflection questions to integrate what you have experienced Writing samples from people who have worked through this material in an online retreat Autumn and winter are vital to the health of nature and to our own bodies It is a time of releasing and letting go a season that invites us to slow down to welcome the growing darkness and to grow stiller and quieter Darkness can be an uncomfortable and uneasy place but it is also a place of profound incubation and gestation a source of tremendous and hard wrought wisdom With Paintner as our guide we can encounter this midwinter God with vulnerable courage that leads us to hope filled wholeness
