When I woke up, he was standing outside my bedroom door, smiling ambiguously. He wore black trousers and a wet, wrinkled parachute jacket that looked like it had just been pulled out of a washing machine. Framed by the bedroom doorway, he appeared even smaller, gaunter, than I remembered. Still groggy with dream, I lifted my face toward the alarm clock.

"What time is it?"

"Hello, Son," he said in Vietnamese. "I knocked for a long time. Then the door just opened."

"It's raining heavily," he said.

I frowned. The clock read 11:44. "I thought you weren't coming until this afternoon." It felt strange, after all this time, to be speaking Vietnamese again.

"They changed my flight in Los Angeles."

"Why didn't you ring?"

"I tried," he said equably. "No answer."

I twisted over the side of the bed and cracked open the win-

## Love In Pity:

Love and Lust Theodor Reik, 2002-01-01 The first part of the book is so far ahead of its time that it is still current It reveals Reik's departure from Freud's theories and from those of most of his contemporaries in psychology and psychoanalysis Part Two is a greatly abbreviated version of Masochism in Modern Man retaining those parts with a direct bearing on the subject of this volume Part Three offers two essays on why people remain single In the author's usual direct style they deal with the marriage shyness of the male and the psychological fears and resistance of both men and women to acceptance of the marriage bond Part Four is Reik at his wisest The first lady whom I asked to read the manuscript said smilingly Many of your impressions about us women are correct No man should read the book A few seconds later she said rather every man should read the book **BOOK JACKET** **Love in Pity** Barbara Cartland, 1976 Love's Enlightenment Ryan Patrick Hanley, 2017-03-30 A number of prominent moral philosophers and political theorists have recently called for a recovery of love But what do we mean when we speak of love today Love's Enlightenment examines four key conceptions of other directedness that transformed the meaning of love and helped to shape the way we understand love today Hume's theory of humanity Rousseau's theory of pity Smith's theory of sympathy and Kant's theory of love It argues that these four Enlightenment theories are united by a shared effort to develop a moral psychology that can provide both justificatory and motivational grounds for concern for others in the absence of recourse to theological or transcendental categories In this sense each theory represents an effort to redefine the love of others that used to be known as caritas or agape a redefinition that came with benefits and costs that have yet to be fully appreciated **The Oxford Dictionary of Proverbs** Jennifer Speake, 2015 This unique and thoroughly revised collection contains over 1 100 of the most widely used proverbs in English drawing on the resources of the Oxford Languages team for the most up to date research Lively and compelling it is filled with favourites old and new with a strong emphasis on meanings of proverbs catalogued **The Nation**, 1897 **Tragic Sense of Life** Miguel Unamuno, 2023-09-03 Tragic Sense of Life in Spanish Del sentimiento trágico de la vida is a philosophical work written by Miguel de Unamuno a prominent Spanish philosopher writer and existentialist of the late 19th and early 20th centuries The book delves into themes of existentialism faith and the human condition In Tragic Sense of Life Miguel de Unamuno grapples with the fundamental questions of human existence and the meaning of life He explores the complex and often paradoxical relationship between reason and faith intellect and emotion and the struggle to find meaning in a seemingly indifferent or hostile universe Unamuno argues that humans have an inherent desire for immortality and an eternal truth yet the uncertainty of life the inevitability of death and the limits of human understanding create a sense of existential anguish and tragedy He delves into the inner conflicts and anxieties that arise from this confrontation between the desire for certainty and the awareness of our mortal nature The author critiques the rationalism and scientific positivism of his time asserting that reason alone cannot provide ultimate answers or fulfill the deeper yearnings of the human soul He

advocates for an embrace of the irrational the passionate and the unknown as crucial elements of the human experience Throughout the book Unamuno weaves in his personal struggles and experiences infusing the philosophical exploration with a sense of authenticity and introspection He invites readers to confront their own existential uncertainties and grapple with the enigma of human existence **The Facts on File Dictionary of Proverbs** Martin H. Manser, Rosalind Fergusson, 2007 Lists the meaning and origin of more than 1 700 traditional and contemporary English proverbs **A Complete Edition of the Poets of Great Britain**, 1793 **Politics and Medievalism (studies)** Karl Fugelso, 2020 Essays on the post modern reception and interpretation of the Middle Ages **Tragic Sense Of Life** Miguel de Unamuno, 2022-06-02 In *Tragic Sense of Life* Miguel de Unamuno explores the profound existential conflicts that define human experience through a rich tapestry of philosophical inquiry and passionate prose Written at the turn of the 20th century this work grapples with themes of faith doubt and the search for personal meaning within the context of a largely indifferent universe Unamuno employs a distinctive literary style blending autobiography with philosophical essay inviting readers to engage deeply with the tension between reason and emotion and the inherent suffering that accompanies human existence Miguel de Unamuno a key figure of the Spanish Generation of 98 was profoundly influenced by the tumultuous socio political landscape of his time which informed his exploration of identity culture and the human condition His own battles with faith and existential despair resonate throughout this text as he candidly reflects on the struggles of life Unamuno's rich intellectual background and passion for vitalism compel him to question traditional notions of existence and inspire his call for an authentic life *Tragic Sense of Life* is an essential read for those interested in existential philosophy and literature It challenges readers to confront their own beliefs providing a powerful meditation on the nature of suffering and the quest for meaning This masterpiece beckons readers to embrace their own tragic sense of life making it a timeless exploration of humanity's most pressing concerns
