When Love Meets Fear Richo, David,2022 Everyone is afraid Sometimes fear is inappropriate and unnecessary At other times we have good reason to be afraid But in every case fear reduces our ability to be ourselves It convinces us we shouldn t take chances or risks This book is for people who want to let go of unreasonable fear or act more creatively in the face of reasonable fear It explores the roots of fear the fear of change of self disclosure of giving and receiving of being alone Beneath all of these is the greatest fear of all the fear of loving and being loved This 25th anniversary edition speaks of the enduring message of the book and this new edition has been greatly updated and expanded to include more contemporary developments in psychology and current events Every chapter of the book has been rewritten and revised with a new audience in mind Some new sections have been added and existing sections revised This revised and updated edition reflects the author s growing understanding of the ageless concern in our lives becoming free from fear so that we can be more resourceful in our life

The Divorce Ceremony Patricia Ann Russell,2013-09-17 How to connect fully with Spirit by letting go of Ego and inviting love compassion and forgiveness into your heart In the late 90s Patricia Ann Russell and her soon to be ex husband mailed 400 invitations for their Divorce Ceremony to family friends and acquaintances Over 100 of them came including their three teenage children caterers photographers a DJ and their in laws Especially important for Patricia was that her father who had not visited her from their native Bahamas since she d moved away 25 years earlier and

where he d originally walked her down the aisle came to take her back In a world that s accustomed to bitter and angry divorces Patricia s father had never imagined two people with great respect and love for each other going their separate ways with a ceremony The idea is a new one and revolutionary in its simplicity and healing power In spite of Patricia s best intentions to move forward however she struggled mightily after her divorce The departure of her daughters for college the gravity of her father s advanced prostate cancer and mounting financial stress compounded her loneliness and desperation One night while lying in bed exhausted from crying praying cursing and screaming to God for help Patricia heard a voice say Who would you rather take on your journey Fear and Grief or Love and Joy Too tired to respond the question was difficult to ignore And yet the answer was obvious Patricia s dark night of the soul was the turning point where her faith was restored and she began to understand and accept her divorce as a symbolic act of divorcing her own Ego a prelude to its final submission to a higher authority the spiritual Self Until now no other book has provided an integrated approach that enables the divorced to navigate the emotional quagmires regardless of time The Divorce Ceremony helps people to acknowledge their pain but not wallow in it to understand spiritually what they re going through and to help them step into their greatness

The Alchemy of Fear Kay Gilley,2012-08-21 The dramatic effects of downsizing mergers and reengineering have created a climate of fear in the workplace fears that generally go unacknowledged The Alchemy of Fear teaches us how to accept our emotions in order to become empowered and to take back our power over these fears Our emotions are rich with information which could make our organizations run effectively while freeing creativity energy and joy into our workplaces The Alchemy of Fear is a handbook for action Drawn from the author s extensive experience it examines workplace fear what emotional competence looks like at work how we handle fears at work and the love and energy that result when we do these things Nothing improves a group s effectiveness or their spirit more quickly than changing the relationship members have with fear Kay Gilley brings nearly 30 years experience working in general and human resource management to her current work as a leadership and organizational development consultant specializing in guiding the development of leaders and what she calls intentional organizations
