reverence and victory of the spirit embodying strength from the earth's sun-kissed sky while emerging from a dirty pond of muddy waters full of life's painful lessons and persecution. She is the womb of the world, a symbol of love, hope, peace, and purity. Never fully sprouting her petals, her center is protected by her half-opened wings, not exposing her to vulnerability for observation until the day the enchanting, bodacious butterfly interrupts her blossom and eloquently flutters his way into her core, settling comfortably on her petals for a while. Her delicacy is exposed as he tastes her fragile innocence, and she begins to learn the lessons behind the beauty, charm, and deception of the butterfly. She becomes infused in a spiritual awakening, the enlightening rebirth, and the resurrection, discovering for herself her succulent core. **Flipping the Fairytale** Cindi

Lovers Bible is an ode to being a lover as a way of life, seeking the beloved in everything and having the audacity to make out with existence every chance you get, so as to give the multiverse cosmic goose bumps. Part guide to being a lover and part poetic prophecy, this volume is potency incarnate. Infused with the mana of the Hawaiian Islands, these passages reflect the spiritual connection to the *aina*, life force of this new Eden oasis. Inspired by and written amongst Hawaiian fairy forests and enchanted tropical dreams, *Lovers Bible* merges in the center with half being day and half being night, a metaphor for the lover and beloved playing the eternal game of hide and seek, kiss tag. Sacred and profane eroticism decorate the pages and tenderly offered inamorato philosophy flowers in the fodder of this seductive verse. It's not for the faint of heart, and sacred sensual scriptures emerge from this incantation of passion and playfulness, beckoning the initiate to awaken to the power inherent within, declaring: For God so loved the world that she formed Creation with a kiss. Beyond religions, belief systems, or concepts of any kind, there is the deepest truth of being human, which is tenderness with an edge. *Lovers Bible* is a manuscript for those who find more holiness in a single sweet embrace than in all the shrines and semantics of the world. The lover's path, the beauty way, is embedded in nature. Hidden in every leaf, rock, river, and creature is a kiss from Creation saying: Come play.

My God, My Wife, and My Pastor Joi Moore, 2012-05-25 His mother used to say that he was spawned by the very seed of the Devil himself Yet he had the soul of a lamb But even an animal as gentle as a lamb will unleash fury when threatened They say the family that prays together stays together But dear God what of the family that Marquise built For a man who has evil lying dormant within his DNA Marquise has found that only the Love of God the support of his loyal wife and the unbreakable friendship of his pastor could possibly sustain him For this man truly lives for his church and family But did Marquise read well the scripture that says plain and simply Beware of wolves in sheep clothing What happens when his gorgeous and supposedly faithful wife ventures into the garden and taste of the pastor's forbidden fruit Much too involved in his tireless servitude of the church Marquise cannot see the forest for the trees yet the members of the congregation bare witness to this adulteress love triangle Will they reveal the truth to him Or like the punch line of a cruel joke will he be the last to know Marquise will have to find his own way through this fiery hell or will he instead give in to the evil that lies dormant within him Based on true events this story's end has yet to unfold
