EXPOSED Tommy Clancy, Tommy first begins to suspect that Maxi is living two lives in the idyllic village of Unterhausen One life where she puts up her fa ade and pretends to be happy in her unfulfilling marriage Then when there is no one looking she retreats into seclusion and turns to Tommy This is where her heart has always been However with him she has three lives They have their romantic past Now in the present they are living in the throes of rekindled love and passion However it is their future that is being held hostage by her overbearing parents feeble husband and the ultimate question of how to handle telling her boys One cannot close the door to their past while she still has one foot on the other side He notices that although she is the life of the party and known as little miss sunshine that she seems to have walls built all around her Is it a self defense mechanism or is she hiding secrets in that fortress On one hand she pours her heart and soul out to him On the other hand there are periods of unexplained silence She never mentions her husband but they are both aware that he is

there Once the walls have been breached what other secrets will be exposed *Dead on Your Feet* Grant
